Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Tuesday, June 8th.

HUTSON has just received a fresh lot of confectionaries.

THE fishing season is about over, and fish are now a drug on the market.

STRAWBERRIES have made their appearance in our market, and sell at 20 cents per quart.

CAMP MEETING.—A camp meeting will be held at Chilton's Wood's, commencing on the 6th of August.

RELIGIOUS.—S. B. Southerland, D. D., President of the Maryland Annual Conference, M. P. Church, will preach at Thawley's Chapel next Tuesday night two weeks, at early candle light.

U. S. INT. REVENUE.—We see by bills posted in our town Mr. Tharp, the Assessor, will be in town on "Tuesday, the 10th of June." We suppose he means the 8th.—The 10th falls on Thursday.

THE NEW COLLECTOR.—Wm. H. Smith, Collector of Internal Revenue, has surrendered the archives of his office to his successor—Parson McIntire, of Cecil. Mr. Smith has made a most faithful officer.

GONE TO THE COURT OF APPEALS—The case of Nathan J. Corkran *et al. vs.* Robert Patton, acting administrator of Isaiah C. Blades, deceased. J. W. Bryant for plaintiff; P. W. Downes for defendant.

A greater area of land has been devoted to the culture of potatoes this year than ever before, and the crop is looking exceedingly well. We have been shown some potatoes, of this year's growth, fully as large as a walnut.

QUARTERLY MEETING.—The first quarterly meeting for Denton M. E. Circuit will be held at Wesley's on Saturday and Sunday week (the 5th and 6th of June.) The usual quarterly services will be held, the Elder—J. D. Quigg—being in attendance.

BROKE HIS LEG.—Dr. C. W. Jefferson, of Federalsburg, met with an accident on Sunday which resulted in a broken leg. He was on his way to visit a patient, when his horse became unmanageable and threw him from his carriage to the road. By the fall his leg was broken. Although painful, he is doing very well.

BROKE HIS ARM.—A son of Mr. Griffin, residing on the farm at the mouth of Fowling Creek, broke his arm on Friday last by falling from a cart. He was in the act of alighting from the cart to open a gate, when his feet became entangled in the reins and threw him violently to the ground. He was a cripple before the occurrence of the accident.

R. R. STATION at HILLSBOROUGH.—Some misapprehensions as to the permanency of the present station at Hillsborough having been manifested, the Board of Directors settled that question positively at their last meeting, as witness the following resolution:

Resolved, That the Board of Directors of the Md. & Del. Rail Road Co., have located said station permanently, and do not, and never have intended to move said station, all arrangements for its permanet location having been complied with.

RAILROAD INJUNCTION.—The case against the Md. & Del. Railroad by parties owning land through which the road runs, who have had injunctions issued against the company, have excited considerable interest. It now seems pretty well understood that no action will be taken in the matter during the present session of our Court. A motion has been made, and bonds filed for the purpose of having the legal questions settled by the Court of Appeals.—*Easton Journal.*

LAND SALES.—H. P. Chambers, Real Estate Agent at Federalsburg, reports the following sales:

Farm of S. H. Smith, near Federalsburg, in Dorchester county, containing 168 acres, with large improvements and Peach Orchard, to Wm. C. Logan, of Philadelphia, for $6,000.

Farm of Wm. E. Miller, in Caroline Co., near Friendship Church. 240 acres. Exchanged with Mr. John Wilson, of Gloucester county, N. J., for handsome country residence, near Philadelphia, valued at $12,000.

PEACHES.—Whatever may have heretofore been said or written as to the failure of the peach crop in this county, we are now satisfied that the crop will be abundant.—From every quarter we have ample assurances that the crop will fully equal, if not surpass, that of two years ago, and our own observation fully confirms this testimony. One calamity yet awaits the fruit ere it will ripen—that of falling off from the effects of the late unfavorable weather—and if it successfully passes through this period we shall have peaches in abundance. We believe, however, that it would be highly advantageous to rid the trees of a part of their burden, for they are already beginning to bend beneath their load.

SCHOOL DISTRICT TRUSTEES.—We this week complete our list of the School District Trustees for this county, those in the two upper districts having been previously given:

Third District.

1 Wm. H. Stafford, Jno. R. Wright.
2 Willis Wright, Peter Covey,
3 Twiford S. Noble, J. B. Fletcher.
4 Jno. A. Tribbitt, Jas. Bowdle.
5 John Blades, Robt. Patton.
6 Jno. Nichols of E., Manlius P. Hutchinson.
9 Elijah Towers, Chas. H. Todd.

Fourth District.

1 Thos. Noble, S. Liden.
2 John Ahearn, Aaron Griffith.
3 W. E. Liden, Ezekiel Eaton.
4 Robt. Rooke, Hy. Beachamp.
5 Robt. R. Edgel, Thos. Smith.
6 J. M. Noble, James Nichols.
7 Jno. H. Williams, T. H. Goslin.
8 J. T. Fleetwood, Owen Horne.

THE CAUSEWAY.—Those who are citizens of this town, as well as those who visit it very frequently, particularly those on the West side of the river, cannot have failed to notice the very neglected condition in which the causeway now is. The high tides and constant travel over this avenue to the county seat has so completely flattened it that the ordinary tides almost submerge it. Pedestrianism, at such times, is a great annoyance, and is very frequently suspended altogether. The schools are often interfered with, and the attendance at church on the Sabbath is considerably diminished, all on account of this causeway. No one can fail to see the absolute necessity which exists for the immediate repairing of this roadway, and now is the time to do it. A petition is at the store of H. Blackiston for signatures, and we earnestly beseech every person interested to put their names to it. The Commissioners will certainly heed the voice of the citizens of the county, if they will not the wretched condition of the causeway which they see every time they come to town.

THE CHOPTANK NURSERY.—For the first time since its establishment here, we visited the Choptank Nursery a few days since, and we must be permitted to say some words of praise in its favor. It is the custom with the proprietors of all new enterprises to "blow" them and "blow" them hard, too, and this has not been an exception to the general rule. One thing, however, is very evident to us—enough "blowing" has not been done in this instance, for we believe this nursery is not to be excelled by any nursery on the Peninsula, and will compare *most favorably* with the old established nurseries of the North. It covers an area of about twenty acres, and is closely set in Peach, Apple, Pear, Cherry, Quince, Apricot and every other kind of fruit trees adapted to this climate. In the way of small fruits the varities seem almost endless, and present a most healthy appearance. Every thing is kept in the neatest order, and looks as though it was worked over every day. Under the skillful hands of Mr. Kerr this nursery is bound to rank among the first in the country. We advise every one to pay this nursery a visit, whether they want to buy or not, and believe that they, like us, will be surprised to find everything so tastefully arranged and kept in such admirable order.

Preston.

—Quite a pleasant little affair came off at the grove in which camp-meetings are usually held, near here, on Wednesday 12th instant—a May-party. Although too late for a *first* of May party, still it passed off very pleasantly, and we ask the pardon of those concerned in it for not mentioning it sooner. The teachers of the school here were the originators of it, and its success reflected very creditably upon those persons.—The parents and friends of the children were invited, and at three o'clock the grove presented quite a lively appearance; groups of children scattered here and there engaged in some innocent game while the older persons occupied their time in promenading and social conversation. At four and a half o'clock the nominated Queen and her Maids-of-Honor ascended the rustic throne, and the ceremony of coronation gone through with in a highly imposing manner. Then came what the younger ones called the *best time*—the serving of the refreshments. All who were there seemed to enjoy themselves hugely, the grown persons participating in the games, as if they had entirely forgotten the fact that they had passed the bounds of childhood, nor were they interrupted until the gathering shades of evening warned them it was time to return to their homes. Every one left with a countenance beaming with pleasure, plainly telling the afternoon had not fled without affording what was intended—recreation and enjoyment.

—The Camp meeting question is being agitated in this community, some being in favor while others are opposed to having one on this charge. It is difficult to tell yet how it will terminate, whether they will have one or not.

HELMBOLD'S

Concentrated Fluid Extract SARSAPARILLA

ERADICATES ERUPTIVE and ULCERATIVE DISEASES OF THE

THROAT, NOSE, EYES, EYELIDS, SCALP, and SKIN,

Which so disfigure the appearance, PURGING the evil effects of mercury and removing all taints, the remnants of DISEASES, hereditary or otherwise, and is taken by ADULTS and CHILDREN with perfect SAFETY.

TWO TABLE-SPOONFULS of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decoctions as usually made.

AN INTERESTING LETTER is published in the Medico-Chirurgical Review, on the subject of the Extract of Sarsaparilla in certain affections, by Benjamin Travers, F. R. S., &c.—Speaking of those diseases, and diseases arising from the excess of mercury, he states that no remedy is equal to the Extract of Sarsaparilla; its power is extraordinary, more so than any other drug I am acquainted with. It is, in the strictest sense, a tonic with this invaluable attribute, that it is applicable to a state of the system so sunken, and yet so irritable as renders other substances of the tonic class unavailable or injurious.
