Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Tuesday, June 8th.

QUARTERLY MEETING at Thawley's next Sunday.

STRAWBERRIES are very abundant this season and prices are rapidly declining.

CORN.—As a general thing, corn is up and is growing finely. The weather is quite seasonable.

THE NEW BOAT.—The keel of the new boat has been laid, and satisfactory progress is being made in its construction.

PERSONAL.—William Elliott, Esq., the purchaser of the "Bell Farm," was in town one day last week.

GREEN PEAS.—Peas of a sufficient size for table use has been grown in a few gardens in town this season. They will be quite plentiful in about a week's time.

AMERICAN AGRICULTURIST.—This unequalled agricultural and horticultural monthly, for May, is received. It is replete with matter especially interesting to farmers.

STRAWBERRY FESTIVAL.—A strawberry festival will be held in Greensborough on the afternoons and evenings of the 10th, 11th and 12th of June, for the benefit of the parsonage. See advertisement.

TEACHERS ASSOCIATION.—The Teacher's Association for this county will meet in Denton on Saturday, the 12th inst., at 10 o'clock, A. M. All interested in the cause of education are respectfully invited to be present.

ATTENTION, FARMERS.—You who have country produce to send to the city will save money by calling at this office and getting labelling tags with the name of the consignee printed upon them. No trouble to use, and a great benefit.

SUSPENSION OF TRIPS.—That some repairs might be put upon her boiler, the Champion suspended her trips to this place on Wednesday and hence to Baltimore on Thursday (to-day). She will resume her trips as usual on Saturday.

CHANGED HANDS.—J. D. Kemp, Esq., has purchased the stage and horses on the line between this place and Harrington, Del., of Mr. R. A. Nicolls, the original contracter, and will in the future run the mails. He is prepared to convey passengers to and from the Del. Railroad.

CAMP MEETING.—A camp meeting for Greensborough M. E. circuit will be held in Dr. Goldsborough's woods, at Goldsborough Station, commencing on the 30th of July.—A cordial invitation is extended to ministers, members and others from the adjacent charges to tent at this camp.

THANKS.—Messrs. Kemp & Kerr of the Choptank Nurseries, will accept our thanks for a couple of boxes of delicious strawberries. They were of excellent flavor and of a size equal to any grown in this county.—We recommend those in want of fine strawberry plants to this nursury.

GRAND MASS MEETING.—The lodge of Good Templars at Marydell will hold a grand mass meeting near that town on Saturday, July 3rd. Eminent speakers have promised to be present and address the meeting. All friends of the cause are invited to be present. Extra trains will be run on the Md. & Del. R. R.

NEW POSTMASTER.—Wm. M. McMahan has been appointed postmaster at New Hope, in this county. None more fitting could have been made. Mr. M. is a gentleman of honorable and upright intentions, and a first class business man. The citzens of that neighborhood may justly feel proud that such a worthy appointment has been made.

NEW STAGE ROUTE.—We have now a tri-weekly stage, connecting with the steamer Urbana, at Wye Landing. The stage leaves Denton on Mondays, Wednesdays and Fridays at 2 o'clock, P. M. and passengers arrive in Baltimore on the following morning at 4 o'clock. The boat leaves the city on the following night, and passengers reach Denton at 10½ o'clock, A. M.

OLD AND RELIABLE.—Among the many commission houses in Baltimore, none is more reliable than that of F. E. Marine, 53 W. Pratt st. Persons consigning their produce to him may depend upon getting the highest market prices and prompt returns. He is honorable and upright, and discharges all trusts reposed in him with fidelity. We recommend him to public favor.

ELECTIONS IN THE M. E. CHURCH.—We republish the times fixed upon by the preacher in charge for this circuit, for the holding of elections to ascertain the sense of the membership touching the government of the M. E. Church: Harmony, June 7th, 7 to 12 o'clock. Potter's Landing, June 7th, 2 to 5 o'clock. Concord, June 8th, 9 to 12 o'clock. Bloomery, June 8th, 2 to 5 o'clock. Denton, June 9th, 9 to 12 o'clock. Harris' Chapel, June 9th, 2 to 5 o'clock. Wesley Chapel, June 10th, 9 to 12 o'clock.

UNFORTUNATE.—Harvey, a little son of Mr. F. A. Willis, residing at Preston, fell from a fence, on Monday last and injured his right arm and shoulder pretty badly.—He seems rather unfortunate, as only last March he broke his thigh by falling from a chair to the floor.

ASSISTANT ASSESSOR.—Reuben Tharp, Esq., of Easton, has been continued as Assessor of Internal Revenue for the division embracing Talbot and the three upper districts of this county. Mr Tharp has made a faithful officer in the past and we doubt not but that he will be just as faithful in the future. We hope Caroline will see him at least once a month, for it is a great inconvenience for our people to go to Easton so often.

THE RAIL ROAD.—We learn that the heavy cut at Loyd's Hill has just been completed and that the laying of the track on this side, in the direction of Easton was commenced on Thursday. It is expected that the pile driver will be down on Monday, when, it is said, operations will be commenced to build the bridge, which is to extend across the meadow lying between the lands of Wm. T. Kemp and Jno. W. Jump. —*Easton Gazette.*

FOUND DEAD IN THE WOODS.—Nelse Allen, a colored man, much advanced in years, was found dead in the woods on Friday last by John Rich, near Burrsville. He had not been seen since the Mcnday previous, and the general supposition is that his death occurred on that day. The cause of his death is unknown, though it is generally supposed to have been the result of natural causes. When discovered his body was too much decomposed to admit of a post-mortem examination, and after a jury of inquest was held his remains were consigned to their final resting place. He was found lying beneath a large tree in such a position as to indicate that he had sat down to rest when sickness overtook him and death ensued.—When wasit attempted to remove him his hair and whiskers fell off, and his body was so putrefied that few could recognize it.

SUNDAY SCHOOL.—The society at "Harris' Chapel." met on Sunday week to organize a Sabbath School; when Henry H. Smith was elected chairman, and Emmie Collison, Secretary. After a few preliminary remarks by the chair, the following officers were elected, *viva voce*, to serve for the ensuing term:

Superintendent—Wm. T. Pippin.
Ass't. Superintendent—Geo. W. Collison.
Female Superintendent—Miss. Bell Collison.
Treasurer—Geo. W. Smith.
Librarian—John Smith.
Secretary—Miss Emmie Collison.

The Superintendent then appointed the following teachers, viz: Henry Smith, Wm. Roe, Wesley Roe, David Smith, Mrs. John B. Williams, Mrs. Wesley Roe, John B. Williams.

Closing with devotional exercise the society adjourned to meet on Sunday, the 30th inst., at 1 o'clock, P. M.

WM. T. PIPPIN, Sup't.
E. COLLISON, Sec'y.

ARRANGEMENT FOR SHIPPING FRUITS.—The most complete arrangments have been made on the railroads for the transpotation of peaches to the Northern markets, and at much lower rates than formerly. It is expected that the Md. & Del. R. R. will be completed to Easton by the time peaches are ripe, and then two trains daily will be run to the Delaware railroad. With these trains all the fruit along the road can be shipped and landed in New York in a few hours after shipment. Arrangements have also been made for the shipment of fruit to Boston. The difference in the price of transportation is considerably less. Formerly the amount of charges was about $130 for 400 baskets. Under the present arrangement the price charged will be $120 for 16,000 lbs., or 540 baskets. But as some varieties of peaches weigh a little heaver than others, the number of baskets may be lessened. Still the reduction in price is considerable, and a step that will meet the hearty approbation of all interested in the shipment of peaches.

Preston.

—Our friend, Mr. William T. Kelly, has just returned from the Sunny South, where he has been for the last three months. His nephew, who went down with him, has also returned, bringing with him as a specimen of Southern production—a live alligator. It is quite young, and moves about rather slowly. We presume the climate doesn't agree with him.

—Cherries are reported in this neighborhood as falling off the trees, the ground being frequently covered.

—The camp meeting question is still being agitated. Nothing positive, however, will be known until the 12th instant, which day has been designated for the committee to meet. Some wished the two Churches—the Methodist Episcopal and Methodist Protestant—to have a joint meeting, but the Presiding Elder—Jefferson Thompson—has settled that by telling the M. E. Church if they could not have a camp of their own, not to have one at all. JIMMIE.

HELMBOLD'S
Concentrated Fluid Extract SARSAPARILLA

ERADICATES ERUPTIVE and ULCERATIVE DISEASES OF THE

THROAT, NOSE, EYES, EYELIDS, SCALP, and SKIN,

Which so disfigure the appearance, PURGING the evil effects of mercury and removing all taints, the remnants of DISEASES, hereditary or otherwise, and is taken by ADULTS and CHILDREN with perfect SAFETY.

TWO TABLE-SPOONFULS of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decoctions as usually made.

AN INTERESTING LETTER is published in the Medico-Chirurgical Review, on the subject of the Extract of Sarsaparilla in certain affections, by Benjamin Travers, F. R. S., &c.—Speaking of those diseases, and diseases arising from the excess of mercury, he states that no remedy is equal to the Extract of Sarsaparilla; its power is extraordinary, more so than any other drug I am acquainted with. It is, in the strictest sense, a tonic with this invaluable attribute, that it is applicable to a state of the system so sunken, and yet so irritable as renders other substances of the tonic class unavailable or injurious.

Helmbold's
Concentrated Extract Sarsaparilla,

Established upwards of 18 years. PREPARED BY H. T. HELMBOLD,
