Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Tuesday, June 15th.

AT PUBLIC SALE.—A large lot of store goods at American Corner on Saturday next.

JOHN H. SEWARD has been appointed assistant keeper of the light house at Sharp's Island, at the mouth of the Choptank.

NEW GOODS.—Rev. R. W. Todd has just received a very large stock of goods from the city which he offers at exceedingly low figures. Drop in and examine them.

ACQUITTED.—The negro John Hall indicted for the abduction of Mary F. Carson was acquitted at the late term of the Talbot county court on the ground that the action was voluntary on her part.

NEW LOCOMOTIVE.—A new locomotive named "Easton," has just been completed for the Md. & Del. railroad and has been sent down to the company. The prospect for heavy freights this summer has rendered the purchase of a new locomotive necessary.

NEW BARN.—Capt. E. C. Carter, is building a large and handsome barn upon his farm, near Whiteleysburg. Dimensions of building—24x40 feet. It is being built under the supervision and direction of Mr. Jas. Gill, of this town.

CAMP MEETING.—At the Quarterly Conference of the M. E. Church, held at Wesley's on Saturday last, it was decided to hold a camp meeting at Concord this summer. Friday, the 20th of August, was designated as the day for the commencement of the camp.

ADDENDA.—We should have stated in our article last week concerning the arangements made for the shipment of peaches that the price mentioned was from Clayton to Jersey City. Eighty-five cents per 100 lbs. will be charged on all freights over 16,000 pounds.

SUDDEN DEATH.—Mr. William Hardcastle died very suddenly at the residence of his father, in the, 1st district, on Wednesday morning last. The afternoon previous to his death he was in Greensboro'gh in apparently good health. We have not learned the cause of his death.

RAILROAD CASE.—The Mandamus case instituted by the Md. & Del. R. R. Company against Capt. E. L. P. Hardcastle was decided in the Talbot court in favor of the company. Exceptions were filed and the case goes to the Court of Appeals. A. B. Hagner, of Annapolis, for Company and Ex-Governor Thomas for Capt Hardcastle.

RELIGIOUS.—Rev. B. F. Beavon preached a very solemn and impressive sermon in the Court House on Sabbath afternoon last to a large and appreciative audience. He meets another engagement at the same place on Sunday week.

In the evening the Elder for this district—J. D. Quigg—delivered a most able and eloquent sermon at the M. E. Church. He was in this county to fulfill his engagement at Wesley's.

ORPHANS' COURT PROCEEDINGS.—The Orphans' Court was in session on Tuesday, and transacted the following:

Letters of administration granted: to Benj. Conner, on the estate of Ezekiel Smith; to Bennett Todd, on the estate of Jas. Butler; to Saml. M. Carter, on the estate of Saml. H. Carter; to Wm. H. Watkins, on the estate of Arietta Todd; to same, on the estate of Isaiah Todd; to same, on the estate of Michael Todd; to same, on the estate of Rebecca Todd.

Account of sales passed: Thos. F. Garey, administrator of W. W. Medford; Wm Reynolds, admr. of Jos. Smith, Jr.

Bennett Todd, admr. of Jas. Butler, passed inventory.

Administration accounts passed: Matthew Garey, admr. of R. H. B. Joiner, interest account, list of spirit debts, and first and final account of administration; Jas L. and Thos. E. Bullock, admrs. of Richard Bullock, interest account, list of spirit debts, and first account of administration.

Phillip W. Downes, trustee of Joshua Kilson, colored, deceased, passed first and final account of his trusteeship, and first and final distribution thereon.

Guardian accounts passed: Ezekiel Cowgill, guardian to Jacob C. Wilson, 7th, 8th, 9th, 10th, 11th, 12th and final accounts, and receipt and final release from said ward; Same, guardian to Oscar Wilson, 7th, 8th 9th, 10th 11th and 12th accounts; Chas. E. Roe, guardian to Fred. Roe, 7th and final account; same, guardian to Francis Roe, 7th account; Wm. Wilkinson, guardian to Chas. H. Ringold, 3rd account.

The indentures of Henrietta Friend, colored, an apprentice to R. S. Framptom, presented to and approved by the Court.

Upon the petition of Francis M. Booker it was ordered by the court that J. W. Bryant, trustee for the sale of the real estate of G. W. Williamson, deed the same to Caleb Sheppard, he being the real purchaser.

APPOINTED POSTAL CLERK.—John H. Thompson, Esq., of Centreville, has been appointed postal clerk on the trains between Washington and New York, at a salary of $1200 per annum. Mr. Thompson is well known to the citizens of this county, he having formerly served in the capacity of Deputy Collector of Internal Revenue.

FINE STRAWBERRIES.—We are again under obligations to Messrs. Kemp & Kerr for a basket of most excellent strawberries. They were of the Jucunda, Ida and Triomphe de Gande varieties, and were most beautiful to behold but more luscious to taste. In point of size the first and the last excel any we have seen this year, and in point of flavor they are unequalled.

TALL RYE.—Mr. German Dickinson, residing near Federalsburg, left at our office on Tuesday a stalk of rye which measured 6 feet 10 inches. It was taken from a field of 12 acres, and is a fair average of the entire field. Mr. D. pulled a number of stalks a few days previous which measured over 7 feet. The rye was grown on an old sedge patch, covered with a moderate dressing of phosphate.

LOSS OF A STAGE HORSE.—Mr. Shinn, the contractor on the mail route between this place and Queenstown, lost one of his most valuable horses on Friday last. The animal had lain down several nights previous and in some manner became fastened in one of the stalls. In attempting to extricate itself its back was brought violently in contact with the partition, thus rupturing it. For several days it suffered, and there being no hope for its recovery it was killed on Friday. It is said to have been a very fine horse, and was valued at $150.

DORCHESTER AND DELAWARE RAILROAD—ITS EARLY COMPLETION GUARANTEED.—A number of gentlemen interested in the early completion of the Dorchester & Delaware Railroad from Seaford, Del., to Cambridge, Md., met several of the officers and directors of the Philadelphia, Wilmington & Baltimore and Delaware Railroads, in Wilmington, on Wednesday the 2nd inst., and entered into negotiations to secure the early completion of the road. The conference was very satisfactory and resulted in an arrangement by which the Delaware Railroad Company, backed by the P. W. & B. Company, agree to render such assistance as is necessary for the immediate completion of the Railroad to Cambridge in time for the transportation of this year's fruit crop in Dorchester county. This action will doubtless be hailed with delight by the people along the line of the new road as it had come to a dead stop.

FROM THE WILM. COMMERCIAL.

The Railroads and the Peach Growers.

SATISFACTORY ARRANGEMENTS—A TARIFF AGREED UPON.

The Committee on Transportation appointed by the Peninsula Fruit Growers' Association had a conference in Philadelphia on Saturday last with officers of the Camden & Amboy, Philadelphia, Wilmington & Baltimore, and Delaware Railroads. Amongst those present were Messrs. Gatzmer and Welch of the C. & A., Mr. Hinckley, of the P. W. & B., and Mr. Sewall, of the Delaware. A good understanding seemed to prevail, and, though the discussion was earnest, it was friendly and temperate in tone, and the result was quite satisfactory to the growers, who were pleased to find in all the companies a disposition to act fairly by them and arrange a schedule of prices which would leave the growers a profit which would encouldand promote fruit culture.

The freight tariff of 1868 was agreed upon, except that to the prices fixed in that schedule there is added this year $5 per car from all stations in Delaware, for the new State tax laid upon the Company. As each car is expected to hold five hundred baskets this tax, is, of conrse, but 1 cent a basket.—From stations south of the State line it is not exacted, and the tariff of 1868 will be used for this year. This tariff had received the approval of the Fruit Growers' Association last year, and is generally considered a fair and equitable one, but on account of the almost total failure of the crop in 1868, it has never to any extent gone into operation.—The companies have also agreed to make certain changes in some of their cars, so as to secure a more perfect ventilation. The peach cars of the railroads here have been built with a view to this business, and are perfectly adapted to it, and the Camden & Amboy has agreed to make the necessary alterations in their own cars, to fit them for this trade.

The fruit growers now believe their arrangements for pouring an immense flood of peaches into New York are complete, and the only fear is overstocking that market.—This can only be avoided by perfect arrangements there for the rapid distribution of the fruit over New York State and New England; and these arrangements are not in their hands, being left of course to the commission men.

Deaths.

JARRELL.—On Monday week, at the residence of her husband, Mrs. Lavinia Jarrell, wife of Thos. Jarrell, aged about 60 years.

HARDCASTLE.—On Wednesday morning last, Mr. Wm. Hardcastle, aged about 50 years.

ERADICATES ERUPTIVE and ULCERATIVE DISEASES OF THE

THROAT, NOSE, EYES, EYELIDS, SCALP, and SKIN,

Which so disfigure the appearance, PURGING the evil effects of mercury and removing all taints, the remnants of DISEASES, hereditary or otherwise, and is taken by ADULTS and CHILDREN with perfect SAFETY.

TWO TABLE-SPOONFULS of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decoctions as usually made.

AN INTERESTING LETTER is published in the Medico-Chirurgical Review, on the subject of the Extract of Sarsaparilla in certain affections, by Benjamin Travers, F. R. S., &c.—Speaking of those diseases, and diseases arising from the excess of mercury, he states that no remedy is equal to the Extract of Sarsaparilla; its power is extraordinary, more so than any other drug I am acquainted with. It is, in the strictest sense, a tonic with this invaluable attribute, that it is applicable to a state of the system so sunken, and yet so irritable as renders other substances of the tonic class unavailable or injurious.
