Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Tuesday, August 24th.

THE new church at Hillsborough will be dedicated on the first Sunday in September.

THE bill you received last week was for a just debt, and we earnestly entreat you to come and pay it at once. We need the money.

FIFTEEN WEEKS have now elapsed since rain has fallen in a sufficient quantity to "wet the ground through."

BUT FEW PERSONS have as yet responded to our calls for aid, although they have received bills setting forth the amounts due.—We hope that *every man* will settle before September 1st.

MR. WATTEN, who promised to open a jewelry store in this town on Monday last, was prevented from so doing by the illness of his wife. As soon as she is convalescent, however, he will be here. A shop is fitted up for him in Blackiston's new building.

TO ALL INTERESTED.—We are requested to announce to all who contemplate tenting at Concord camp that it is expected that the tents will be up by Friday night or, at the latest, Saturday morning at an early hour. Religious exercises will be commenced on Saturday morning.

WILL our debtors purchase us a new press? If they will, we will send to them a receipt in full of all accounts to this date. But if they will not, then let them pay us what they owe us so that we may purchase the press ourselves. Either do one thing or the other.

DELAWARE CONFERENCE.—This conference of the African Church was in session in Milford recently. Among its appointments we find the following for this county: Denton, Benjamin Gibbs; Greensborough, David Eaves; Hillsborough, Asbury Grinnage.—Phillip Kenedy is sent to Friendship, wherever that may be.

TALL CORN.—Although the drought has been severe on the corn, we occasionally hear of some fine fields. Mr. Wm. P. Sparks, residing on Mrs. Jump's farm, near Ridgely, informs us that he has a four acre lot of corn which is considerably beyond the ordinary. One stalk measures fifteen feet and the lot will average twelve feet.

OFFICIAL SEIZURE.—Sheriff Lowe, on Friday morning last, by virtue of a writ issued at the instance of E. H. Macklin and a Mr. Ward, of Delaware, against the Queenstown & Harrington R. R. Company, seized three horses, one dearborn wagon and a set of double harness, at Ridgely, as the property of the said company. We trust this is not a premonition of what the future has in store for this road.

SEE HERE!—To every man who will pay what he owes us we will give *ten cents* for every dollar of his indebtedness. This is more than reasonable; still we will do it.—You owe us, and now is your opportunity.—It will be much easier to pay what you owe now, when a premium is offered, than to wait until the end of the year and find your bill in the hands of an officer. We *cannot* and *will not* work for nothing.

ACCIDENT.—Mr. Levin Williams, residing in one of the lower districts, met with an accident a few mornings since which is likely to keep him a cripple for some time. He was attempting to drive a calf on board the steamboat, and coming in too close proximity to its heels received the full force of a kick on his knee. His leg having been hurt once before, inflammation set in, and the wound is very painful.

A SUBSCRIBER, to whom we sent a bill last week for two year's subscription, responds thus:

"I enclose $5.00, for which you will please give me credit. I don't ask any discount—the paper is well worth all you charge for it; and I conder it almost an unpordonable sin for a man to be dilatory in paying the printer or preacher.

We wish all our subscribers could be impressed with a similar belief.

MURDEROUS ASSAULT.—Capt. Wesley Price was assaulted on Saturday evening last by a colored man, named Henry Cain, with murderous intent. For some time past the negro has been crossing and recrossing Mr. P.'s watermelon and other truck patches, regardless of the remonstrances of the owner, and on several occasions has used most impudent and insulting language towards him. Mr. P. finally ordered him to keep off his land, telling him if he did not he would thrash him. A few days after, Mr. P. again saw Cain trespassing upon his land, and gave him a good booting. This raised the negro's ire, and he threatened to kill Capt. Price if opportunity offered. This bit of news reached the Captain, and on Saturday he met Cain and demanded to know what he intended to do. Cain thereupon struck Price several times over the head with a cudgel he held in his hand, inflicting some bruises and otherwise injuring him.—Cain was subsequently arrested and lodged in jail.

ONLY a few more days remain in which bills due this office can be settled at a discount. We advise every one to embrace the present opportunity.

FIRE IN THE COUNTY.—On Tuesday, of last week, the barn of Mr. Jno. W. Covey, in the 4th district, was consumed by fire, whilst he was absent from home. In the barn were stored about seventy bushels of wheat, and this was burnt up, as was also about one acre of corn around the building, and all the fencing. The origin of the fire is unknown, but is supposed to have been the work of an incendiary. The barn was 28x32 feet, and a new one.

DO THOSE WHO OWE US think we need any money? We don't believe some of them do, else they would send us the amount of the bill we sent them last week. We *need* money for a specific purpose—to purchase a new press—and on this account alone sent out the bill. Our press *cannot* be of much more service to us, and is operated now with the greatest difficulty. Friends, we have fulfilled our part of the contract—now fulfil yours, by paying down just what you owe us. *This is intended for every delinquent.* We are in earnest about this matter.

Preston.

We resume our account of the camp-meeting, which has just closed, at Hubbard's woods. We left off Sunday evening. Monday morning, Rev. R. W. Todd, from Denton, preached to a small, but attentive, congregation; in the afternoon Rev. Mr. Brindle preached, and in the evening, Rev. Edward Davis, of Church Creek circuit.

Tuesday morning Rev. Edward Davis again preached; in the afternoon Rev. Mr. Fosnocht, and in the evening Rev. Mr. Brindle. This evening an excellent prayer meeting was held, and several persons professed to have obtained salvation.

Wednesday morning Rev. Mr. Brindle, who had thus far worked faithfully for the salvation of souls, preached his last sermon, and many were the regrets when he took his departure. This sermon was based upon the text: "Therefore leaving the principle of the doctrine of Christ, let us go on unto perfection," and was directed principally to professors, exhorting them to perfection in christianity. His words were pithy and pointed, and a deep impression was made upon his hearers. It was on this day that a great conversion was effected. A man who had been a backslider received strong conviction of his dangerous position, and going out in the woods alone, about one o'clock, he tremblingly and earnestly sought forgiveness of his sins, and he returned to the camp a converted man; then was there great rejoicing over this one lamb which had strayed from the fold. In the afternoon Rev. George Connaway preached to an appreciative audience, and in the evening Rev. Mr. Fosnocht again entertained the people.

Thursday morning Rev. Joseph Kenney, from near New Hope, preached; in the afternoon, Rev. Mr. Walton; and in the evening Rev. Mr. Thompson, of Federalsburg circuit. This being the last day, prayer meeting was kept up until about two o'clock Friday morning, at which time the horn for retiring sounded, and the people took themselves to their tents, though a great many remained up during the entire night.

We do not know precisely how many converts there were, though, quite a number.—Good order was preserved through the whole week, with scarcely any promenading during service.

On Friday morning the camp broke, and people began moving home. Rev. Mr. Fosnocht was presented with the "Life, Tines, and Travels of St. Paul," which was highly appreciated by him, as was evidenced in a little speech he made on the occasion.

It was decided to hold a Camp-meeting, in the same woods, commencing on Friday, the fifth day of August, 1870.

PECULIAR ADAPTABILITY.

Brandreth's Pills.

Their peculiar adaptability to all constitutions as cleansers of the bowels and the blood has established their great merit. They restore the liver, the spleen and even the heart to healthy action when other remedies have been used without producing any benefit. They do not expose those who use them to any danger being as safe as salutary.

Extract from a Letter to Dr. Brandreth, from C. J. Fay, Esq., P. M., Hammonton, N. J.

"In 1838 I was in poor health, and my friends as well as myself supposed that my earthly voyage would soon terminate. But after taking one box of Brandreth's Pills, I began to feel better. Well, sir, when I used up twelve boxes I was a well, healthy man—my weight having gone from 131 pounds to 152 pounds. I then ordered a supply, and between that time and the present I have retailed three thousand dollars' worth of these invaluable pills, and am quite sure that I have thereby been instrumental in saving thousands of lives.

"Yours, truly,
C. J. FAY, P. M."

Sold by all Druggists. Observe my name in white letters in the government stamp.
