Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Tuesday, September 21th.

THE communication of "TRUTH" was received too late for this issue, and will have to lie over until next week.

NEW SAWMILL.—A new steam sawmill has just been completed at the depot at Greensborough, and has begun operations.

LAND SALE.—Prof. Vosmus' farm of 30 acres, one mile from Denton, to Nehemiah Lord, of Sullivan county, N. Y., for $1000, by Mancha Brothers.

DOVER ACADEMY.—This institution of learning is pleasantly located at Dover, the capital of Delaware, and is under the charge of a competent faculty. Instruction is given in the languages, and the school is open to both male and female students. Terms moderate. Read advertisement.

FODDER SAVING.—In many neighborhoods, and, in fact, throughout the most of the county, so far as we can hear, the farmers are done with their fodder harvest.—The stalks now reveal the size of the corn to a better advantage, and it is by no means difficult to detect the effects of the drought. As a general thing the ears are short, and not well filled at that.

BADLY HURT.—Mr. T. H. Hubbard, of Bethlehem, was severely hurt a few days since by being thrown from the top of a wagon load of peach boxes. In turning a corner the boxes became displaced, and Mr. H. fell to the ground, sustaining injuries of such a character as to prevent his giving his personal attention to business for several days. He is rapidly recovering.

NEW ACADEMY.—A new academy is shortly to be built in Greensborough, in the rear of the old one, on the lot donated by Mr. Jno. T. Sangston for the purpose. The building is to be built by Messrs. Satterfield & Moore, and by them rented for school purposes. It will be of a capacity suitable for the requirements of the town and three story, the upper of which is for the Odd-Fellows. This is a step none too soon taken.

STEAMBOAT CHANGE.—The steamer *champion* has been withdrawn from this route, and the *Massachusetts* placed upon it in her stead. A change has also been made in the hours of arrival and departure, and the trips been increased. The boat leaves Baltimore at 11 P. M. Mondays, Wednesdays and Fridays, and Denton at 1 P. M. Tuesdays, Thursdays and Saturdays on the return trip. See advertisement. The change went into effect yesterday.

AN AMUSING TRICK.—The latest indoors amusement is termed "the printer's delight," and is performed in the following manner:—Take a sheet of note paper, fold it carefully, and inclose a bank note sufficiently large to pay up all arrears, and a year in advance.—And what adds immensely to the fun, is to send along the name of a new subscriber, "with cash balance." Keep your eye on the printer, and if you detect a smile, the trick is a success. Try it readers.

BOAT BUILDING.—Mr. Thos. Marvel, one day last week, committed to the aqueous element a beautiful pleasure yach the has had for several weeks in process of construction.—She rides gracefully upon the water, and answers readily to her helm. A party proceeded down the river on her on Thursday, and all are lavish in their expressions of praise.

Mr. John Jewell is constructing an oyster boat on the shore in front of his house, opposite the "pea-patch." The timbers are all in position, and we presume the craft will soon be ready for the uses for which it is being built.

PROCEEDINGS OF THE SCHOOL BOARD.—An order was passed appropriating funds to assist in providing desks and benches for the school at Andersontown.

Messrs. Robt. Roe, S. F. Adams, Jas. Sullivan and Miss Dora Mobray were awarded second-grade certificates.

Noah Butler's Primary Grammar was adopted as a text book for the schools; as well as Goodrich's Sixth Reader for the advanced classes in first-grade schools.

An order was passed directing an advertisement to be inserted in both county papers, giving notice that a report of the number of scholars attending the colored schools—the number of days of attendance and expenses of such schools in the county—be presented to the board in order that an equitable distribution may be made of the amount of school taxes paid by the colored people of the county.

Marriages.

FOUNTAIN—STEWART.—At the residence of the bride's mother, on the 9th inst., by Rev. Wm. S. Barnart, Mr. Jas. A Fountain, of this town, and Miss. Anna B. Stewart, of Gloucester county, N. J.

[The editor and his "typos" feel under many obligations to the happy twain for their kind remembrances. We trust life's rugged pathway will ever be smooth to them, and that prosperity will be their constant attendant.]

Deaths.

DOWNES.—In this town on the 9th instant, Philip Alvon, only child of Philip W., and Anna H. Downes, aged 8 months and 22 days.

New Advertisements.

NOTICE. The Board of School Commissioners will meet at their office, in Denton, on Tuesday, the 5th of October, for the purpose of receiving the reports of the several colored schools in the county—the number of scholars and days of attendance and the expenses of such schools—to the end that an equitable distribution may be made of the amount of school taxes paid by the colored people of the county.

By order of the Board,
GEO. F. BEAVON,
se16-3w Secretary.

FRIGHTFUL DEVELOPMENTS!

At last the people have got the fact "through their hair," that hair dyes impregnated with acetate of lead and other metalic salts are

MURDEROUS PREPARATIONS.

When they see the metalic sediment at the bottom of the bottles, they know that the disgusting stuff is literally *thickened with poison*. They ask, therefore, for a

Harmless Vegetable Dye,

and find it pure and efficacious, in

Cristadoro's Excelsior Hair Dye,

offered under the sanction of Professor Chilton's guarantee that it contains 'nothing deleterious.'

CRISTADORO'S HAIR PRESERVATIVE as a Dressing acts like a charm on the hair after Dyeing. Try it. [se16-1m.

In Remote Settlements of Untold Value.

Food makes blood; blood makes the body. If the blood be pure, the body is healthy. So if we are not in health, we know some impurities are lurking about which must be removed, and the sooner the better.

Brandreth's Pills remove all from the system which nature needs no longer.

The wonderful cures effected by Brandreth's Pills have arrested the attention of enlightened physicians. Upwards of five thousand now use them in their daily practice, and two hundred have given their written testimony as to their innocence and value, as cleansers of the bowels and blood.

Their untold value is to those living in settlements where doctors can only be had at great expense. For if you are sick, you have only to take one or more doses of Brandreth's Pills to get cured. Full Directions are with each box.

Sold by all Druggists. [se16-1m.

Comfort and Bliss, or Pain and Agony.

DR. TOBIAS' CELEBRATED VENETIAN LINIMENT, whose wonderful cures, sure and instantaneous action, in cases of Chronic Rheumatism, Headache, Toothache, Croup, Cuts, Burns, Colic, Cramps, Dysentery, etc., have astonished the civilized world, is no new catchpenney; but an article that has stood the test of twenty-two years. The enormous sale and rapidly increasing demand is at once the surest evidence of its usefulness and popularity. No family should be without a bottle in the house. Hundreds of dollars and many hours of suffering may be saved by its timely use.

Colic, Cramp, and Dysentery yield at once to its paincurative properties. It is perfectly innocent, and can be given to the oldest person or youngest child. No matter if you have no confidence in Patent Medicines—try, this, and you will be sure to buy again, and recommend to your friends. Hundreds of Physicians recommend it in their practice.

Sold by the Druggists and Storekeepers.—Price, Fifty cents and One Dollar. Depot, 10 Park Place, New York.
