Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Tuesday, September 28th.

LAND SALE.—Mr. A. Y. Knisely has sold his farm, near Denton, containing 50 acres, to Mr. Daniel J. Zacharias, for $450 cash.

COURT begins on Monday week. We desire every man who has received a bill from us, and who has not settled the same, to do so during court week. We are in great need of money.

NEW seats and desks, of an improved pattern, have been put in the school-house at Andersontown. Almost any kind of a seat would be an improvement over the slabs which have been used in this school for seats.

TREE BLOWN OVER.—During the storm of Tuesday, the mulberry tree in front of Mr. Wm. G. Nicholson's residence, was blown over on the dwelling, but no damage was done. Its fine shade will be greatly missed there.

RAIN.—We were visited, on Tuesday evening, by a very refreshing shower of rain.—For upwards of half an hour the rain fell in torrents, but in a few minutes after it had ceased no water was to be found in puddles, the earth having been so dry that it readily absorbed it.

TOURNAMENT.—A "Grand Tournament" will be held near Easton on the 29th inst. for the championship of the Eastern Shore. Arrangements are making to render the affair one of the finest that has ever been held in the State.

THROWN FROM A HORSE.—Charlie, son of Mrs. Margaret H. Jump, was thrown from a horse he was running just beyond the "Quaker meeting house" one day last week, and sustained temporary injuries. The horse also received some injuries.

FENCE RAILS DESTROYED.—Twenty-five hundred fence rails were destroyed by fire on Saturday week, on the farm of Mr. Henry Morgan; a spark from a passing locomotive having ignited the leaves in the woods and these communicated the fire to the rails.

WE BEGIN TO-DAY the publication of a series of letters written us by a citizen of this county who has been travelling at the North. They will doubtless prove of great interest to our readers who have never travelled over the same route, and we invite their attention thereto.

THE Chestnut Woods Union Sabbath School will hold their first celebration at said place on the first Saturday in October, at 9 o'clock, A. M. All friends of Sabbath Schools are invited to attend, and to bring their baskets along with them well stored with refreshments.

LARCENY AND ARREST.—Sheriff Lowe, on Saturday last, proceeded to Dover, Del., and brought over to this county, on a requisition of the Governor, James Grinnage, charged with the larceny of a pocket book from Mr. John Lank, of Greensborough, and who had been arrested by the Sheriff of Kent county. His stay was very short, however, as he left on Sunday night.

BROKE JAIL.—On Sunday night last two colored men named Thomas Adams and James Grinnage escaped from the county jail by picking a hole through the wall. In the same cell in which they were confined was Cato Casson but he declined to leave, and was found the next morning sitting in the middle of his cell alone. From him information was elicited as to the direction the prisoners had gone, and the sheriff despatched deputies in search of them at once, but search was fruitless. They made tracts for Kent county, Del. A reward of $50 is offered for their arrest and delivery at the jail.

FIRE AT HARRINGTON.—On Wednesday night, the 15th inst., a fire broke out in the rear part of a building at Harrington occupied by Mr. Robt. Lank as a store. The first intimation that was had of the fire was the falling of pieces of the burning roof upon the sleepers in the building, and they gave the alarm. Soon the citizens were upon the spot, and succeeded in arresting the progress of the flames, but not until many of the goods in the store had been considerably damaged, as well as the furniture in a house adjoining. After the fire the citizens subcribed quite a respectable sum to procure fire apparatus.

ARREST OF SUSPICIOUS CHARACTERS.—On Monday last, four colored men, very suspicious looking characters, were arrested in Queenstown by the citizens and lodged in Centreville jail. They said they were from the neighborhood of the Blackwater, in Dorchester, but to some persons of their own color they stated that they were sailors; were lying in some of the tributaries of the Chesapeake when a fight occurred between their boat's crew and the crew of another boat lying near; that in the fight two men were knocked overboard and drowned.—They are doubtless guilty of some crime, and if any murders have been committed in any of the lower counties the arrest of these men may throw some light upon them.

VERY, VERY SAD!—"Tokley's Inn," the great crab depot of Denton, consisting of a lot of pine brush placed upon some poles, and located immediately along the main street of the town, was utterly demolished on Saturday last. The massive structure fell upon the carriage of Mr. Jno. Stafford and injured it pretty badly. Dr. Smith was called in and thinks the carriage will be able to be about in a few days, but that Mr. Stafford's pocket was so severely injured that it will not recover until after the corn crop comes off.

STRUCK BY LIGHTNING.—On Tuesday evening last, during the heavy storm, the stable of Charles Wayman, a worthy and industrious colored man, residing in Tuckahoe Neck, was struck by lightning, killing a pair of mules and a horse, and consuming the building. There was another horse in the stable at the time, but the bolt seems not to have struck it. It was, with difficulty, got out of the stable in time to prevent its being burned to death.

The loss is heavy, and will be the more severely felt because it embraces nearly all his property, acquired by years of hard labor and economy. We trust that our community, so noted for generosity in such cases, will make up a portion of his loss at least.

PRIMARY MEETING, WHISKEY, RIOT, &c.—The Democrats and conservatives held their primary meetings for this district, in Denton on Saturday last. Everything passed off quietly until about five o'clock, and then a "free fight" took place, originating with a fracas between R A. Alburger and Thos. H. Kemp. Fortunately the combatants were all too drunk to hurt each other, but a tremendous uproar was created by boasts of manhood, &c. In the course of half an hour the disturbance was quieted and silence once more reigned in the town. Truly, it is high time these whiskey riots were stopped. They are a disgrace to the community as well as to those who engage in them. We suppose we shall have some more of them during the approaching term of our court.

PROCEEDINGS OF THE ORPHANS' COURT.—The Orphans' Court was in session on Tuesday and transacted the following:

Letters of administration granted—to C. H. Todd on the estate of James Friend, colored; to J. W. Bryant on the estate of J. H. Fountain.

Inventories approved and orders to sell granted—to Robt. H. Smith, administrator of Thomas Webster; and to R. Y. Collins and C. H. Todd, administrators of Abram Y. Collins. Also, to Mary R. Blocksom and R. J. Jump, administrators of D. Blocksom.

The last will and testament of Sarah Eaton, colored, was admitted to probate, so far as her personal property is therein devised, and ordered to be recorded.

Edward C. Carter, administrator of Thos. J. Carter, passed final distribution.

DISTRICT COMMITTEES.—The following is a list of the committees elected in the several districts, on Saturday last, by Democrats and Conservatives, or by the Conservatives, we should say, as they wiped the Democrats completely out, to nominate a ticket to be voted for at the ensuing election:—

First District.	*Third District.*
Robt. Jarrell,	J. P. J. Hubbard.
Dr. A. Hardcastle,	E. Towers,
Jas. M. Whitby,	Wm. Willoughby,

Wm. Wilson,	J. L. Adams,
Wm. J. Moore,	Caleb Eaton,
Jas. W. Smith.	William Sisk,

R. J. W. Garey,	Jno. W. Hignutt,
T. H. Slaughter,	George Smith,
Thos. F. Johnson,	Elijah Hignutt,
J. W. Stafford,	Eli Pennypacker,
G. W. Sullivan.	Thomas Roe,

"TRUTH'S" COMMUNICATION.—As "Truth's" communication, relating to the affair at the colored camp near Federalsburg, is very long, and our space very limited we feel satisfied he will excuse us if we give the main points of his article, which, he says is correct, and which are backed up by the evidence of gentlemen of undoubted veracity. The alleged injured party was *Richard*, not Thos. Willoughby, and the whole affair was brought on by his own conduct. In company with Leonard Willis and others he had been on the camp ground all night cutting up scandalously—setting fire to the leaves and debris raked off the ground just out side the row of tents, kicking down a fire-stand, and threatening the preachers and others—and early in the morning had drank whiskey in the preacher's stand, as he said, to "open services.' After this the party left the ground but soon returned, armed with knives, and renewed their offensive conduct. Thus they continued until an open rupture was likely to ensue, when Willoughby sent his son to fetch his gun. The boy did as he was directed, and was returning with the gun when some of the managers, knowing that if W. got possession of it he would shoot somebody, endeavored to take it away from the boy. In the scuffle, W. was *pushed down* without injury. He then went to Federalsburg and swore to the statements as made in our previous notice of the affair. The managers and preacher were arrested and tied, and then marched into town, where they succeeded in proving their innocence.

FRIGHTFUL DEVELOPMENTS!

At last the people have got the fact "through their hair," that hair dyes impregnated with acetate of lead and other metalic salts are

MURDEROUS PREPARATIONS.

When they see the metalic sediment at the bottom of the bottles, they know that the disgusting stuff is literally *thickened with poison*. They ask, therefore, for a

Harmless Vegetable Dye,

and find it pure and efficacious, in

Cristadoro's Excelsior Hair Dye,

offered under the sanction of Professor Chilton's guarantee that it contains 'nothing deleterious.'

CRISTADORO'S HAIR PRESERVATIVE as a Dressing acts like a charm on the hair after Dyeing. Try it. [se16-1m.

In Remote Settlements of Untold Value.

Food makes blood; blood makes the body. If the blood be pure, the body is healthy. So if we are not in health, we know some impurities are lurking about which must be removed, and the sooner the better.

Brandreth's Pills remove all from the system which nature needs no longer.

The wonderful cures effected by Brandreth's Pills have arrested the attention of enlightened physicians. Upwards of five thousand now use them in their daily practice, and two hundred have given their written testimony as to their innocence and value, as cleansers of the bowels and blood.

Their untold value is to those living in settlements where doctors can only be had at great expense. For if you are sick, you have only to take one or more doses of Brandreth's Pills to get cured. Full Directions are with each box.

Sold by all Druggists. [se16-1m.

Comfort and Bliss, or Pain and Agony.

DR. TOBIAS' CELEBRATED VENETIAN LINIMENT, whose wonderful cures, sure and instantaneous action, in cases of Chronic Rheumatism, Headache, Toothache, Croup, Cuts, Burns, Colic, Cramps, Dysentery, etc., have astonished the civilized world, is no new catchpenney; but an article that has stood the test of twenty-two years. The enormous sale and rapidly increasing demand is at once the surest evidence of its usefulness and popularity. No family should be without a bottle in the house. Hundreds of dollars and many hours of suffering may be saved by its timely use.

Colic, Cramp, and Dysentery yield at once to its paincurative properties. It is perfectly innocent, and can be given to the oldest person or youngest child. No matter if you have no confidence in Patent Medicines—try, this, and you will be sure to buy again, and recommend to your friends. Hundreds of Physicians recommend it in their practice.

Sold by the Druggists and Storekeepers.—Price, Fifty cents and One Dollar. Depot, 10 Park Place, New York.
