Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Tuesday, October 5th.

HANDSOME—the new sign which has just been completed and placed upon our office.

IN LUCK.—Our old friend, Dr. Andrew Stafford, formerly of Preston, but more recently of Crisfield, has been appointed mail route messenger between Philadelphia and Crisfield.

THE SCHOOLS throughout the county will open on Monday next. The same teachers have been employed for the schools in Denton, but many changes have been made throughout the county.

IDENTIFIED—The four negroes we noticed in our last issue as being arrested as suspicious characters in Queenstown and taken to Centreville jail, have been identified as the robbers of a vessel in Eastern Bay and the murderers of two of the crew of said vessel.

A HORSE, corresponding to the one stolen from Mr Wingate Neall, at the Concord Camp, and supposed to be his, is in the possession of the hotel-keeper at Middletown, Del. It was found upon the premises of the man who stole the carriage and whose arrest is mentioned elsewhere.

A FINE APPLE.—Mr. Chas. A. Dunning presented us, on Saturday, with a very fine apple of the Gloria Mundi variety. It weighed 23½ ounces, and in point of flavor excels any apple we ever before tasted. Is there a bigger apple in this county? If so we should very much like to lay eyes upon it.

RAIL SHOOTING.—The season for shooting rail birds may now be considered at its height, and the marshes along the Choptank are daily lined with boats and sportsmen in quest of these delicious birds. The frequent reports heard from our office window indicate that great slaughter is carried on along the mashes. Wild oats are abundant, but we hear complaints of the scarcity of the birds.

ACCIDENT.—Mrs. Mary Roe, aged 74years, residing with her brother, Mr. Thos. Atkinson, while engaged in the kitchen on Tuesday week superintending culinary affairs, trod upon a stick of wood, which turning suddenly, threw her to the floor. She fell with such force on her right arm that the wrist joint was dislocated. The dislocation was promptly reduced and she is now doing well.

WE WILL FEEL under many obligations to those indebted to this office, either for subscriptions, advertising or job work, if they will come forward next week, during the sittings of our County Court, and settle the amount of their indebtedness. The demands upon us for money are great and can only be met by prompt payment on the part of those owing us. We do trust that every delinquent will call at our office and square up his account next week.

FIRE AT HILLSBOROUGH.—On Friday morning last, before day, a fire broke out in the restaurant of Mr. Wm Elliott, in Hillsborough, just over the bridge. Mr. E. was aroused from his slumbers by the smoke penetrating his room in great masses, and with difficulty escaped out of the burning building, being nearly suffocated with the smoke. There was stored in the building a tolerably fair stock of leather, Mr. E. carrying on the shoe-making business in addition to his restaurant, and this was all consumed, together with his supply of liquors. His loss will amount to several hundred dollars. It is supposed to have been the work of an incendiary.

AURORAL DISPLAY.—On Monday evening, between 9 and 10 o'clock, there was an unusual exhibition of the Aurora Borealis, which extended across the Northern heavens. The base of the light appeared to be a dark cloud or bank, some four degrees above the horizon—in form like the segment of a circle. This was crowned with an unbroken and brilliant arch, from which shot up numerous columns of light toward the zenith, sometimes reaching half-way thereto. These rapidly formed and receded, after assuming a waving or tremulous motion, and were interspersed with dark columns or rays. The Eastern portion of the light was tinged with a rosy hue.—This display continued only a few minutes, and in a short time had entirely disappeared.

CAUGHT AT LAST.—The thief who played such havoc among the horses and carriages at the different camp-meetings, in this and the neighboring counties, has at last been found out and arrested. His name is George Arrington, and his residence is at the Head of Sassafras. In his barn was found about $1,000's worth of carriages taken to pieces and concealed. He kept constantly in his employ a carriage painter, and as soon as he had stolen a carriage he would convey it to his barn, take it to pieces, repaint it, and by changing some of its parts so that its owner would fail to recognize it, he would sell it and pocket the money. He was found out through the arrest of a negro accomplice in Philadelphia, who, being arrested under suspicious circumstances, divulged the whole proceedure. Arrington is now in jail awaiting trial.

A RELIC.—From the proceedings of the "commemorative exercises" held in Light St. M. E. Church, Baltimore, last week we learn the number of members of that denomination in this county for the year 1797—461 white and 148 colored, making a total of 609.

Special Notices.

FRIGHTFUL DEVELOPMENTS!

At last the people have got the fact "through their hair," that hair dyes impregnated with acetate of lead and other metalic salts are

MURDEROUS PREPARATIONS.

When they see the metalic sediment at the bottom of the bottles, they know that the disgusting stuff is literally *thickened with poison*. They ask, therefore, for a

Harmless Vegetable Dye,

and find it pure and efficacious, in

Cristadoro's Excelsior Hair Dye,

offered under the sanction of Professor Chilton's guarantee that it contains 'nothing deleterious.'

CRISTADORO'S HAIR PRESERVATIVE as a Dressing acts like a charm on the hair after Dyeing. Try it. [se16-1m.

In Remote Settlements of Untold Value.

Food makes blood; blood makes the body. If the blood be pure, the body is healthy. So if we are not in health, we know some impurities are lurking about which must be removed, and the sooner the better.

Brandreth's Pills remove all from the system which nature needs no longer.

The wonderful cures effected by Brandreth's Pills have arrested the attention of enlightened physicians. Upwards of five thousand now use them in their daily practice, and two hundred have given their written testimony as to their innocence and value, as cleansers of the bowels and blood.

Their untold value is to those living in settlements where doctors can only be had at great expense. For if you are sick, you have only to take one or more doses of Brandreth's Pills to get cured. Full Directions are with each box.

Sold by all Druggists. [se16-1m.

Comfort and Bliss, or Pain and Agony.

DR. TOBIAS' CELEBRATED VENETIAN LINIMENT, whose wonderful cures, sure and instantaneous action, in cases of Chronic Rheumatism, Headache, Toothache, Croup, Cuts, Burns, Colic, Cramps, Dysentery, etc., have astonished the civilized world, is no new catchpenney; but an article that has stood the test of twenty-two years. The enormous sale and rapidly increasing demand is at once the surest evidence of its usefulness and popularity. No family should be without a bottle in the house. Hundreds of dollars and many hours of suffering may be saved by its timely use.

Colic, Cramp, and Dysentery yield at once to its paincurative properties. It is perfectly innocent, and can be given to the oldest person or youngest child. No matter if you have no confidence in Patent Medicines—try, this, and you will be sure to buy again, and recommend to your friends. Hundreds of Physicians recommend it in their practice.

Sold by the Druggists and Storekeepers.—Price, Fifty cents and One Dollar. Depot, 10 Park Place, New York.

PIMPLES.

The undersigned will cheerfully mail (FREE) to all who wish it the recipe and full directions for preparing and using a simple and **Beautiful Vegetable Balm,** that will immediately remove **Tan, Freckles, Pimples, Blotches,** and all eruptions and impurities of the Skin, leaving the same soft, clear, smooth and beautiful.
