☞Denton Journal please copy.

DRY GOODS AND CARPETS.—The attention of purchasers is invited to the advertisement of W. M. Kennard, 304 and 306, Market St., Wilmington, wholesale and retail dealer in Dry Goods, Carpets, &c. We believe that purchasers can do better at this house than by going to Philadelphia, for the class of goods advertised, as the same styles will be found as cheap or cheaper, and the assortment as large and good and in most of the houses in Phila. The time and money to be saved by stopping at Wilmington will surprise all who have never tried the experiment. Be sure and call at Kennard's and you will receive a hearty welcome from our mutual friends Messrs. S. H. Kemp and H. D. Cranor.

Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Thursday, (to-day) October 7th.

ADVERTISEMENTS omitted this week will be made up in future numbers.

THE WHITE AND COLORED schools throughout the county opened on Monday last.

LETTERS testamentary on the estate of John Parker, deceased, have been granted unto Wm. H. Austin.

THE WATER was running over the tumble of the dam of the Enterprise Mill on Monday morning last—the first time since last May.

ACCEPTED.—Jas. B. Steele, Esq., has been nominated to fill the vacancy in the Democratic ticket caused by the withdrawal of W. S. Ridgely, Esq., and he has accepted.

RESIGNATION.—Another of the candidates nominated by the Democrats has resigned—Mr. Willis Charles. He was nominated as School Commissioner for the Fourth district.

EMANCIPATION CELEBRATION.—The colored people of this county have decided to celebrate Emancipation day here instead of attending the celebration in Baltimore.

SINGULAR PEAR TREE.—Mrs. Josiah Jump has upon her farm, near Denton, a most singular pear tree. It has already borne two crops of fruit, and the tree is now filled with blossoms.

WITHDRAWN.—The freight train which left Hillsborough, during the peach season, at 10 A. M., has been withdrawn, and trains now run as formerly, leaving Hillsborough at 6.15. The change went into operation on Thursday last.

COURT.—Court was begun on Monday last, his honor Judge Robinson presiding.—On Tuesday Associate Justices Wickes and Stump were present, thus making a full bench. We are compelled to defer proceedings until next week.

THE SCHOOL BOARD made a division of the school fund on Tuesday, and awarded one hundred and five dollars to the colored people for school purposes, this amount being an equitable per cent. of the monies paid by them in taxes for the support of the schools.

ON HAND.—Todd with his new goods.—He has just returned from the cities of New York and Philadelphia, and has in store the largest and best assortment of goods ever yet offered by him. His prices, too, are in full accord with the times. Just step in and examine, and you will be sure to buy.

I. O. OF G. T.—A quarterly meeting of the Good Templar's Association for Caroline county will be held in Hillsborough on Wednesday next. In the morning only the members of the order will be admitted, but in the evening a public temperance meeting will be held, to which all are invited. Good speakers may be expected.

FINE RAIN.—This section of country was visited by a fine rain on Sunday last—not a mere passing shower, but a soaking, drenching rain. During the night the rain fell in torrents, but no damage was done that we can learn. The mill-ponds have all been filled up, and the mills have once more begun to turn.

WHEAT SEEDING.—The present is a busy time with our farmers, they being engaged in putting their wheat into the ground. Some are already done seeding, but the most of our farmers are actively engaged in putting in the seed for another crop. The exceedingly protracted drougth prevented the turning of much fallow, and the consequence is our farmers are terribly behindhand.

THANKS.—We feel under many obligations to Mrs. Wm. Stevens for a pair of very fine chickens, sent us on Tuesday. These chickens were raised by a mother which was herself hatched in March last. Is there any one else in this county with a breed of fowls of such wonderful fecundity? We venture to say not. Mrs. Stevens, of course, will hereafter have the best of everything, for she has remembered the printer. We sincerely hope she may.

THE COUNTY LEVY.—Our paper is, this week, for the most part taken up with the County Levy. It was our intention to issue the levy in supplemental sheets, but as it came in a little earlier than we expected, and before we had completed the arrangements we were making to this end, we were compelled to begin it at once. Next week, however, we will issue it on supplements, and then we will be able to give our usual amount of reading matter. We trust our patrons will bear patiently with us.

REPUBLICAN MEETING.—The Republicans of Caroline county assembled in county convention on Tuesday, Hiram W. McColley, president, and Wesley Stack, secretary, and elected the following gentlemen to represent them in the State Convention which meets in Baltimore next Wednesday: Wesley Stack, Geo. M. Russum and Curtis Davis.

The following resolution was adopted:

Resolved, That the Republicans of Caroline county are hereby requested to meet in mass meeting on next Tuesday, the 12th inst., for the purpose of determining the proper and practical course of our party in the approaching campaign.

—We know not how the above committee individually stand on the question of the displacement of Mr. C. C. Fulton from the head of the State Central Committee, but if they wish to faithfully reflect the sentiment of the mass of the party in this county they will vote for his *removal*. They will likewise oppose the elevation of any Baltimorean to the position.

GUIDE-POSTS.—In the beginning of last summer, guide-posts, containing 12 finger boards, were put up at the principal cross-roads in the Fourth District of this county. The public, for this favor, are indebted to Wm. J. Buck, at whose expense they were erected. To save trouble and annoyance to persons living near cross-roads, as well as for the great accommodation of travellers, others contemplate putting them up. Though there is a law to protect them from injury, the great defect is that there is no penalty attached for this neglect from the County Commissioners, whose duty it is to have it done.

DR. H. J. BROWN.—This distinguished colored man of Baltimore city was on a visit to this place during the first part of the present week, and delivered a public address at the colored people's school-house on Monday night to a large audience, composed of both white and colored people. The Dr.'s address was able and eloquent, and abounded in good, solid, common sense. He cautioned the colored people against a neglect of present opportunities, and advised them to purchase homes, to obtain an education, and to abstain from all vice and sensualities. We think that had more of our Democratic friends been present their minds would have been disabused of the idea that the colored man is incapable of elevation and progress.

CELEBRATION.—The Chesnut Woods Union Sunday school held their first celebration, on Saturday, October 2nd. The exercises continued from 10 to 12 A. M., and from 2 to 4 in the afternoon, and consisted in singing, recitation of pieces and dialogues by the pupils of the school. Addresses were also delivered by Col. McCarter, Rev. Mr. Hammersley, and others. A neat platform was erected for the speakers, and a beautiful banner prepared for the occasion. A bountiful dinner and lunch was also served—such as good farmers and their wives know how to get up. Upwards of 200 persons were present. This school was organized in July, 1868, and now numbers 81 scholars, and has a library of several hundred volumes. It has probably one of the best singing classes in the county.
