Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Thursday, October 26th.

CHESNUTS are here, and look very tempting.

PEACH SHIPMENTS.—Estimates show that 122,000 baskets of peaches were shipped over the Md. & Del. R. R. during the late peach season.

COURT is still in session, but is expected to finish up the business of the term this week. The Grand Inquest closed its labors on Monday last.

THE Peninsular Fruit Growers' Association will hold its third annual meeting in the State House, Dover, on Tuesday, October 19th, '69, at 2 o'clock, P. M.

MADAME RUMOR says the cars will commence running to Easton in about 20 days. A director told us a few days since that the cars would not run to Easton until spring. We shall see which is correct.

THE GAME LAW.—The game law prohibiting the shooting of partridges, expires on Wednesday next 20th, after which day we suppose our sportsmen will constantly be "in the field." Partridges are abundant this year.

ADMITTED TO BAIL.—John S. Harrington and Jos. W. Morriss, the horse thieves whose arrest we noticed two week since have been admitted to bail by a justice in Kent county, Md., where they were imprisoned, in the sum of $1,200 each.

PROLIFIC.—Mr. Chas. A. Dunning, during the spring months, planted ten potatoes, or two and a-half pounds, of the Early Rose variety. Upon digging them a few days since he gathered up three bushels and a peck as the product of this small planting. This is the heaviest yield we have heard of in the county.

IN ACCORDANCE with a previous notice, the colored people met at their school-house, in Denton and elected trustees for the ensuing year, as follows: Jacob Holmes, John Lockerman, Geo. Bell, Enoch Ross, Stanford Potter, Jas. W. Wheeler, Richard J. Potter, Danl. Gibson, and Allen Lockerman. All scholars are admittted at 50 cents per month, in advance.

THE PRESENT SESSION of our court is the quietest one we have had for some time.—Very few drunken men are to be seen on the streets, and not a single fight has taken place. This is certainly cause for rejoicing. We trust our community is impressed with higher and nobler aspirations than bar-room bullies and noisy braggarts—and not this community alone, but the entire county.

WHY FRUIT TREE FAIL IN THIS CLIMATE.—An article on the above subject is in course of preparation for us and will appear next week. The interest felt in this subject will command a wide-spread reading of the article, especially so since the author—Mr. J. W. Kerr—is fully competent to account for the failure of this important branch of fruit culture. To meet the demand we shall issue an extra quantity of papers, which can be had on application to this office.

PUBLIC LECTURES.—Dr. H. J. Brown, of Baltimore city, requests us to announce that he will lecture at the "Bureau," near Potter's Landing, on Saturday evening next, the 16th inst., and at Federalsburg on the evening of the 18th. Although a colored man, the Dr. is fully able to get off a first-class speech, and we have no doubt he will do this at each of these places. The white people are respectfully invited.

HEARTH AND HOME.—The succcess attendant upon this family journal is truly wonderful. Although on its infancy it has risen to the front rank of our American literature, and is well worthy the patronage of every American citizen. It is now offered remarkably cheap, thus: five copies, one year, $12; 3 copies, $9; or a single copy, $4. But if subscribed for now for next year, it will be sent the balance of this year free. Address Pettingill, Bates & Co., 27 Park Row, New York.

FIRE.—On Thursday night the dwelling of William Johnson, a colored man, residing on the West side of the Choptank, near "the Stakes," was destroyed by fire, together with all its contents. During the day Johnson's wife had been in town with a cake stand, and as she tarried a little late, her husband closed up the house and started to meet her. Upon their arrival home they found their dwelling so far destroyed by fire that it was impossible to save it. The house was one-story and a-half, and nearly new.

COURT PROCEEDINGS.—The following is a record of the proceedings of the Court so far as we have been able to ascertain them:

State *vs.* Jacob Johnson, neg. Felony. Case removed from Talbot county.

State *vs.* Willard Scotton. Presentment for selling spirituous liquors without license. Trial before Court. Not guilty. Bryant for State; Russum and Kemp for traverser.

T. M. Raymond *vs* Jas. H. Holmes. Trial before Court. Appeal sustained and judgment reversed. Judgment for Appellants costs. Jump & Ridgely for Appellant—J. D. Kemp and G. M. Russum for Appllee.

Wm. N. Dawson *vs* Wm. W. Rickrads.—Trial before Court. Judgement reversed. J. W. Bryant for Appellant—no appearance for Appellee.

Jas. H. Covey *vs* Wm. T. Morgan. Trial before Court. Judgment for Appellee, G. M. Russum and P. W. Downes for Appellant—J. W. Bryant for Appellee.

Wallace & Babbitt *vs.* Henry R. Hayes. Jury Trial. Verdict for Plaintiffs for $2079. 21. Hambleton and Brown for Plaintiffs—Ex-Gov. Thomas, Martin, Russum and Powell for defendant.

Jas. R. Short *vs* Jesse L. Turner. Jury Trial. Verdict for Plaintiff for $235.17. J. W. Bryant and J. Ll. Martin for Plaintiff—Russum and Kemp for Defendant.

On Monday evening the grand Jury was discharged after finding 43 Presentments and five bills of Indictment. Reported jail in good order except a break in the wall and recommended additional bedding.

Deaths.

Special Notices.

FRIGHTFUL DEVELOPMENTS!

At last the people have got the fact "through their hair," that hair dyes impregnated with acetate of lead and other metalic salts are

MURDEROUS PREPARATIONS.

When they see the metalic sediment at the bottom of the bottles, they know that the disgusting stuff is literally *thickened with poison*. They ask, therefore, for a

Harmless Vegetable Dye,

and find it pure and efficacious, in

Cristadoro's Excelsior Hair Dye,

offered under the sanction of Professor Chilton's guarantee that it contains 'nothing deleterious.'

CRISTADORO'S HAIR PRESERVATIVE as a Dressing acts like a charm on the hair after Dyeing. Try it. [se16-1m.

In Remote Settlements of Untold Value.

Food makes blood; blood makes the body. If the blood be pure, the body is healthy. So if we are not in health, we know some impurities are lurking about which must be removed, and the sooner the better.

Brandreth's Pills remove all from the system which nature needs no longer.

The wonderful cures effected by Brandreth's Pills have arrested the attention of enlightened physicians. Upwards of five thousand now use them in their daily practice, and two hundred have given their written testimony as to their innocence and value, as cleansers of the bowels and blood.

Their untold value is to those living in settlements where doctors can only be had at great expense. For if you are sick, you have only to take one or more doses of Brandreth's Pills to get cured. Full Directions are with each box.

Sold by all Druggists. [se16-1m.

Comfort and Bliss, or Pain and Agony.

DR. TOBIAS' CELEBRATED VENETIAN LINIMENT, whose wonderful cures, sure and instantaneous action, in cases of Chronic Rheumatism, Headache, Toothache, Croup, Cuts, Burns, Colic, Cramps, Dysentery, etc., have astonished the civilized world, is no new catchpenney; but an article that has stood the test of twenty-two years. The enormous sale and rapidly increasing demand is at once the surest evidence of its usefulness and popularity. No family should be without a bottle in the house. Hundreds of dollars and many hours of suffering may be saved by its timely use.

Colic, Cramp, and Dysentery yield at once to its paincurative properties. It is perfectly innocent, and can be given to the oldest person or youngest child. No matter if you have no confidence in Patent Medicines—try, this, and you will be sure to buy again, and recommend to your friends. Hundreds of Physicians recommend it in their practice.

Sold by the Druggists and Storekeepers.—Price, Fifty cents and One Dollar. Depot, 10 Park Place, New York.
