Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Tuesday, November 23rd.

The Editor's Hash.

COURT begun in Easton on Monday.

TO BE OPENED—a new drug store in Denton.

NEEDED in Denton—a little second-hand energy.

THE Bethelites have a protracted meeting in progress at their tent.

THE Md. & Del. R. R. Co. has purchased another new locomotive.

THE terrible burning of the wife of Luff Lewis has resulted in death.

AN effort is being made to organize a library association in Denton.

NOVEMBER is at hand, and *squeel*-lodeons will soon be fashionable.

TO-DAY is thanksgiving day. Service will be held in the M. E. Church.

BOYS' elections are to be held this week at Federalsburg and Fowling Creek.

MR. ABE. GADD lost a valuable horse last week for which he had been offered $700.

W. S. RIDGELY, Esq., of the firm of Jump & Ridgely, has removed to the Quigley farm.

THE tent of the Bethelites is completed, and services were held in it for the second time last Sunday.

A VERY successful protracted meeting has been in progress at the M. P. Church, in the Neck, for two weeks past.

GENEROUS.—A young man of this town has given himself as a fancy article to the fair in aid of the Baltimore Inebriate Assylum.

DEAD as a stone—Pete Simmons, an old mule sold a few days since for fifteen cords of wood, and upraised, every time he laid down, with blocks and falls. He died *by* corn.

WE have yet to hear of a larger apple anywhere than the one left at our office some time since by Chas. A. Dunning, weighing 28½ ounces. Is this the biggest apple in the country?

PERSONAL.—We are requested to state that, after December 1st, George. M. Russum, esq., may be found at his office in this town. He occupies the office lately occupied by John D. Kemp, esq.

BONDED.—Mr. Richardson, the newly-elected sheriff of this county, bonded on Tuesday last and entered upon the duties of his office, Messrs. Henry Wilson, William Fell, Robt. D. Williams and Thos. F. Garey becoming his bondsmen.

REDUCTION IN FARE.—A slight reduction has been made in the rates of travel over the Md. & Del., R. R. From Ridgely to Clayton the fare is now $1.40—a reduction of ten cents. We presume a similar reduction has been made from the other stations.

DROWNED.—Jas. H. Willougby, son of Capt. Daniel Willoughby, of this county, fell overboard from the schooner *Lydia A. Hughlett*, Capt. Corkran, when off Point no Point, in the Chesapeake, on Monday, the 1st inst., and was drowned before assistance could reach him.

NEW CHURCH.—A very neat M. P. Church is being erected at Goldsborough station, Md & Del. R. R. The dimensions are about 30x50 feet, with gallery. The inside finish is above ordinary country churches, being white-coated, and handsomely painted. It will be ready for dedication soon.

CONVICTED.—J. Peterson Price, *alias* Judge Wickes, was convicted in the Queen Anne's Court, last week, of stealing Mr. F. G. Wright's horse and carriage. He will be remembered as the person who figured so conspicuously in Richmond some time since as Judge Jas. A. Wickes, associate Judge of this circuit. He has been sentenced to the penitentiary for five years.

RIOT AT A FESTIVAL.—Last week the colored people of the First district held a festival somewhere above Greensborough, and its progress was marked by a most disgraceful riot. We have not been able to ascertain the full particulars, and hence can furnish only a part of what really occurred. The riot seems to have had its origin in the voting for a cake, the contestants being Greensborough *vs.* Bridgetown. What was the particular cause for the first blow we could not learn, but it being given the fight became general. Knives, slungshots, and such other deadly weapons more freely used, and many hard and ponderous blows were dealt with all the force an enraged and lawless set of beings could command. We have heard of no deaths resulting from the affray, though some must have been pretty badly hurt.

Such proceedings are reprehensible, and the participants should be made to feel the extremest penalty of the law. As a general rule, the colored people of this county are sober, industrious, moral and religious, and occurrences of this character are apt to cast imputations upon the entire race. To shield those who are law-fearing and law-abiding, the greatest dilligence should be exercised to ferret out the offenders and bring them to justice. The entire affair is denounced by the right-thinking colored people there and elsewhere.

SALE OF A STAGE ROUTE.—John D. Kemp, esq., has sold out the mail route between this place and Harrington to Mr. Peter Philips for $300. Could this route be changed to Ridgely, or the times of service be reduced and a new route established between Denton and Ridgely, is would be a source of great satisfaction to many people hereabouts as well as a real advantage.

RUNAWAY.—On Wednesday of last week, Sheriff Lowe started a servant from his farm, with horse and dearborn, to bring some articles to town. When in Horsey's lane, the horse became frightened, and running into the fence became detatched from the vehicle and continued its course to the town, a distance of five miles. When opposite *The Journal* office it fell upon the pavement, and strange to say received no injury from either the run or the fall.

ALLCOCK'S POROUS PLASTERS.

Sore and Dry Throat cured by half a Plaster; usually in two or three hours.

Dr. Green, No. 863 Broadway, New York, informs us he sold on Monday, June 52, 1862, two Plasters to a young woman suffering very severely from lumbago. On Thursday she called to get two more for a friend, and then stated how the two she had purchased on Monday had relieved her immediately after putting them on, and *cured her in two days* of a most distressing pain in her back and loins.

Allcock's Porouts Plasters have been found specifics for *Rheumatism of the Wrists.*

THE CONSTITUTION OVERTHROWN!

The Constitution and Health may be ruined by a few applications of the lead or sulphur hair dyes now in the market. "Not a dye" may be the motto of such nostrums, but a DIE may be the result of using them. But ONE HAIR DYE has been

TRIED AND ACQUITTED

of all deleterious tendency, under the infallible laws of Science. Be it known to all, that

Cristadoro's Excelsior Hair Dye

has been analyzed by the distinguished chemist, Professor Chilton, and his certificate of its wholesomeness may be seen at Cristadoro's, 6 Astor House, New York.

CRISTADORO'S HAIR PRESERVATIVE as a Dressing, acts like a charm on the Hair after Dyeing. Try it. [no18-1m

"Who Would Suffer?"

IT IS NOW 22 YEARS SINCE DR. TOBIAS first introduced the "Venetian Liniment" in the United States, and never in a single instance has his medicine failed to do all, if not more than is stated in his pamphlet. As an external remedy in cases of Chronic Rheumatism, Headache, Toothache, Bruises, Burns, Cuts, Sores, Swellings, Sprains, Stings of Insects and Pains in Limbs, Back and Chest, its wonderful curative powers are miraculous.—Taken internaly for the cure of Cholera, Colic, Diarrhœa, Dysentery, Sick Headache and Vomiting, its Soothing and Penetrating qualities are felt as soon as taken. The oath with which each bottle is accompanied will show that there is nothing injurious in its composition. Thousands of certificates have been received speaking of the rare virtues of this valuable article. Any person after having used it once will never be without it. Every bottle of the genuine has the signature of "S. I. Tobias" on the outside wrapper. Sold by the Druggists and Storekeepers throughout the United States.—Price, 50 cents. Depot, 10 Park Place New York.
