Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Tuesday, November 30th.

The Editor's Hash.

WE'VE music all around us.

THE springs continue as low as they were at almost any time during the summer.

WE furnish envelopes at about half the price they can be purchased at the stores.

THE trees have been so long denuded that it almost makes us shiver to look at them.

SHERIFF LOWE has surrendered the jail to his successor and moved back again to his farm.

JNO. D. KEMP, ESQ., has abandoned the practice of law, and will lead a farmer's life upon Kent Island.

EXCURSIONS were made over both the Md. & Del. R. R. and the Dorchester & Del. R. R. on thanksgiving day.

THE steamboat leaves Baltimore one hour earlier than formerly, and Denton one hour earlier on the return trip.

THANKSGIVING DAY was generally observed in Denton by a suspension of business and services in the M. E. Church.

THAT part of the new building in Denton, belonging to P. W. Downes, is being fitted up as a drug store for Chas. Stevens.

SOME one recently left a pair of buckskin gauntlets at our office with "Filed Nov. 4, 1869," written upon each. The owner can have them by calling.

OURS is a new policy of financiering.—We've run this office for more than a month with ten cents. If Secretary Boutwell can beat this he's welcome to do it.

SO RARELY is a thanksgiving day and all national holidays observed in Denton that the closing of the stores was at first thought to indicate the death of some of our merchants or a member of their families.

NEW POST OFFICE.—A new post office has been established at Cordova, Talbot county, between Hillsboro' and Easton. A. W. P. Robinson is the postmaster.

PROPOSED CONSOLIDATION.—At the next meeting of the Dover District Preachers' Association, which convenes in Milford on the 6th prox., a propo ition will be made to the Preachers of the Easton District looking to a consolidation of the two associations.

POST OFFICE CHANGES.—At Henderson, Robt. H. Gibson has been appointed post master, *vice* Wm. S. Clough, resigned.

Benj. A. Webster has also resigned his commission as postmaster at Burrsville, and Albert G. Breeding been appointed in his stead.

BLOWN DOWN.—The barn on the farm of Mr. Jas. Bryan, on the road to the Brick Mill, and only a short distance above town, was blown down by the high wind of yesterday week. The barn was very old and rickety, and very little loss is sustained by the fall.

A CORRESPONDENT of the Wilmington *Commercial*, lately travelling over the Dorchester & Del. R. R., estimates the population of Federalsburg at from six to eight hundred! We would like for him to come along this way and estimate the population of Denton, provided he will do so as liberally as he has Federalsburg and make up the deficiency in population afterwards.

LAND SALES.—The Mancha Bros. report still further sales of land this week:

The farm of Mrs. Flynn & Son, near Hillsborough, containing about 319 acres, to Isaac Cheveling, of Columbia county, Pa.

Hy. Ridgaway's farm, near Ridgely, and containing 140 acres, to Louis P. Mosher, of Cayuga county, N. Y., for $16 per acre.

The real estate market seems very active at present, and the indications are that it will continue so throughout the winter. The Mancha Bros. inform us that quite a number have already been down, that a number are now here and that several more are expected at an early day. All seem well pleased with the natural fertility of our lands, its easy cultivation and adaptation to the different crops. If owners will not hold their lands at too high a figure, the prospect is favorable for a heavy flood of immigration the coming winter and spring.

ORPHANS' COURT PROCEEDINGS.—The Register of Wills has kindly furnished us with the following:

Saulsbury Hobbs, guardian to Hy. L. Ledum, passed 9th guardian account.

Wm. C. Meloney and Wm. H. Willey, administrators of Edward B. Meloney, passed final distribution.

Elizabeth Horsey, administratrix C. T. A. of Revel Horsey, passed list spirit debts, interest account and first and final account of administration.

The last will and testament of Geo. Bell, colored, was admitted to probate, and letters testamentary granted to Hy. Blackiston, the executor therein named.

In the matter of the petition of Mrs. A. V. Eaton, wife of Robt. Eaton but formerly of Geo. E. Williamson, deceased, the Court ordered that she be allowed one-seventh of the nett proceeds of the real estate of said deceased in lieu of her dower.

DR. J. A. MCLEAN, of Norwalk, Conn., purchaser of the Zook property, has removed there with his family. His son, also a physician, has come down with him.

Marriages.

ADDISON—POSTLETHWAITE.—On Thursday last, in Baltimore, Mr. Wm. Edgar Addison, of that city, and Miss Sallie Postlethwaite, of this town.

[The happy couple have our best wishes for a long and prosperous life. We trust they may fully realize their greatest expectations of happiness, and that nothing may ever intervene to mar their bright and joyous honeymoon. We gratefully acknowledge the kind remembrances of the bride.]

Special Notices.

ALLCOCK'S POROUS PLASTERS.

Sore and Dry Throat cured by half a Plaster; usually in two or three hours.

Dr. Green, No. 863 Broadway, New York, informs us he sold on Monday, June 52, 1862, two Plasters to a young woman suffering very severely from lumbago. On Thursday she called to get two more for a friend, and then stated how the two she had purchased on Monday had relieved her immediately after putting them on, and *cured her in two days* of a most distressing pain in her back and loins.

Allcock's Porouts Plasters have been found specifics for *Rheumatism of the Wrists.*

THE CONSTITUTION OVERTHROWN!

The Constitution and Health may be ruined by a few applications of the lead or sulphur hair dyes now in the market. "Not a dye" may be the motto of such nostrums, but a DIE may be the result of using them. But ONE HAIR DYE has been

TRIED AND ACQUITTED

of all deleterious tendency, under the infallible laws of Science. Be it known to all, that

Cristadoro's Excelsior Hair Dye

has been analyzed by the distinguished chemist, Professor Chilton, and his certificate of its wholesomeness may be seen at Cristadoro's, 6 Astor House, New York.

CRISTADORO'S HAIR PRESERVATIVE as a Dressing, acts like a charm on the Hair after Dyeing. Try it. [no18-1m

"Who Would Sufter?"

IT IS NOW 22 YEARS SINCE DR. TOBIAS first introduced the "Venetian Liniment" in the United States, and never in a single instance has his medicine failed to do all, if not more than is stated in his pamphlet. As an external remedy in cases of Chronic Rheumatism, Headache, Toothache, Bruises, Burns, Cuts, Sores, Swellings, Sprains, Stings of Insects and Pains in Limbs, Back and Chest, its wonderful curative powers are miraculous.—Taken internaly for the cure of Cholera, Colic, Diarrhœa, Dysentery, Sick Headache and Vomiting, its Soothing and Penetrating qualities are felt as soon as taken. The oath with which each bottle is accompanied will show that there is nothing injurious in its composition. Thousands of certificates have been received speaking of the rare virtues of this valuable article. Any person after having used it once will never be without it. Every bottle of the genuine has the signature of "S. I. Tobias" on the outside wrapper. Sold by the Druggists and Storekeepers throughout the United States.—Price, 50 cents. Depot, 10 Park Place New York.
