Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Tuesday, December 14th.

DR. P. STACK has been selected by Sheriff Richardson as his deputy.

RE-ELECTED.—At the late session of the Grand Lodge of Maryland I. O. G. T., held at Havre de Grace, Rev. T. S. Poulson was re-elected G. W. C. T.

ULI (you lie) DAMYER (d—n you) seems to be very popular among the youths of this town. Nearly every one we meet is most loud in his praises of Uli.

APPOINTED.—Martin L. Smith has been appointed mail messenger between the post office at Federalsburg and the depot. The route was established on the 1st inst.

STAMP YOUR RECEIPTS.—All receipts for amounts of twenty dollars and upwards require a two-cent stamp. Persons will do well to observe this, as it will save them great trouble.

MONDAY last was very fatal to hogs, and the people generally in this town slaughtered their porkers. There have been some very fine hogs killed, but none to brag of. Pork is selling at $12 per cwt.

CONTEMPLATED EXHIBITION.—We learn that the Good Templars of this town are making arrangements for another entertainment, to come off some time in January.—Push things, and let us have something to relieve the dull monotony of the long winter evenings.

A LARGE QUINCE.—Robt. A. Nicols Esq., agent for the Choptank Nurseries, exhibited in this town, on Saturday last, a quince measuring 14¾ inches one way and 16¾ inches the other, and weighing 2½ lbs. This is some quince, and we think cannot be beaten. It can be seen at this office.

DURING last year the widows of deceased soldiers received, as pensions, $18,343,054 from the Government, and invalid soldiers $9,336,293, thus making nearly $28,000,000 paid annually to the heroes of the war and their representatives. None murmur at this offering of patriotism and valor, save those who lent their aid and sympathy to the enemy during the war.

COLLAR BONE BROKEN.—One day last week an altercation took place between a son of Mr. Israel Parris and a colored boy living with Mr. Jas. Rickards, in which the former had his collar bone broken. Those who were present say that the breakage was occasioned by the colored boy striking his antagonist with a stick. Dr. Powell was called in and reduced the fracture.

NEW GOODS AGAIN.—Our friend R. W. Todd has just returned from Philadelphia with a large new stock of goods, which he says he will sell cheap for cash or trade, or on *short time*, only to *punctual customers*.

He requests us to say to his friends who are due him that he has a large amount of money to raise, and expects them to settle their bills within the next three weeks.

WE clip the following from an exchange, and recommend the example to our patrons. We've a number of bills which having been standing more than one winter, and which would be most acceptable just now:

"The little sum enc'osed within,
I send to a worthy printer,
For work he did and trusted out,
A year ago this present winter.
Let not the message be delayed—
God knows, 'tis time the bill was paid."

WINTER AND SNOW.—Winter seems to have set in in real earnest on Monday last. Commencing to rain on Sunday, with the wind at the North, it continued thus until Tuesday afternoon, when the snow began falling thick and fast, and the earth was soon enveloped in a garb of pure white. On Tuesday morning the sun rose clear and beautiful, but the weather was very cold, and everything bore a wintry aspect. The snow was about two inches deep, and is the deepest, so far, this winter.

THEFT.—On Saturday night last a small package was stolen from the carriage of Mr. — Wilson at Hillsboro', whilst standing in front of one of the stores. The Tuesday succeeding, warrants were issued for the arrest of Geo. Lockerman and another colored man, whose name we withhold for prudential reasons, and Deputy-Sheriff Stack at once made the arrest of the former, but the latter made good his escape. Lockerman was committed for the action of the Jury, but was the same day released on $150's bail, Mr. Trusten Pippin becoming his surety.

ARRESTED.—On Sunday last a sheriff from Pennsylvania appeared in our midst, bearing a requisition from the Governor of that State for the body of a Mr. Favinger, living [illegible] of the lower districts and lately re- there from Pennsylvania. Sheriff [illegible]on, on Monday, proceeded to the [illegible] of Favinger and made the arrest, [illegible]iver him over to the Pennsylva- [illegible]ties to be dealt with according to [illegible] of his crimes. He is charged with [illegible]ke any returns in a case where [illegible]istrator.

LAND SALES.—"Doncaster," the late residence of Revel Horsey, and containing 315 acres was sold by J. W. Bryant, as Trustee, on Tuesday last, for $17.25 per acre—Messrs. Wm. Fell and Thos. F. Garey purchasers.

The Mancha brothers also report:

Wm. S. Ridgely's farm, near Ridgely, containing 250 acres, to Mr. Gager, of New York city, for $8,500.

Capt. Hillman Smith's farm, of 34 acres, to Mr. Machaw, of Oneida county, New York, for $800.

ACCIDENTAL SHOOTING.—Intelligence of a sad case of accidental shooting in Talbot Co. has reached us. On Thursday last, Mr. S. Bostick, of Easton, accompanied by some friends, went off on a gunning excursion, and night overtaking them when at Hole-in-the-Wall, they prepared to remain there till morning. Mr. Bostick went to the wagon to get the guns, and in the attempt to take out all three at once, with the muzzles toward him, the hammer of the only one loaded collided against the side of the wagon with sufficient force to explode the cap, which caused the discharge of the gun. The load passed through the foot-board of the wagon, and into the left breast of Mr. B., killing him almost instantly. Let this be a sufficient warning to those who are in the habit of handling guns carelessly.

A SERIOUS AFFAIR.—A very serious stabbing affray occurred on Saturday night last, at a place called the "Grecian Bend"—a store where dry goods, groceries and liquid Democracy are retailed—near Colgan's X Roads, the particulars of which are, as elicited before Justice Goldsborough, on Monday last, as follows:—A quarrel took place between David H. Dunning and a young man named Dabson, in which the former abused the latter considerably. Another young man, named Thomas Kennard, assumed Dabson's quarrel, when Dunning and Kennard went out of the store for the purpose of fighting it out. During the fight Dunning used his knife freely, inflicting no less than eleven wounds upon Kennard—seven in the head, one in the cheek and three in the breast—from the effects of which it is feared he will die, though at last accounts his condition was somewhat improved. Dunning has a wound in the arm of no very important nature, supposed to have been inflicted by his own knife. Dr. Parvis was summoned to attend Kennard, and is rendering all possible medical aid. Justice Goldsborough held Dunning in a bail of $3,000 to answer at Court.—*Centreville Citizen.*

FALSE REPORT.—A statement is going the rounds of the press that Mr. Edward Pritchett of this town, was fatally wounded in an altercation with a colored man. We are happy to state, however, that Mr. P. is enjoying his usual health, and has so far recovered from his injuries as to be out upon the streets.—From Mr. P. we obtain the following statement: In company with a person who desired to rent a portion of his land, he had ridden out to his farm for the purpose of showing it to the party, but on the way heard the sound of axes cutting down his timber. Alighting from the carriage, Mr. P. proceeded in the direction of the sound, and to his astonishment found that several hickorys had been felled in violation of his express orders to the contrary. Upon asking his tenant, Mr. Anthony, who had destroyed his trees, he was informed that a colored man named Aaron Dixon, then present, had done it. Mr. P. then made some inquiry of Aaron as to why he had disobeyed his orders, and receiving an impudent reply, he made an assault upon him with a stick. Aaron defended himself with an axe he held in his hand, and struck Mr. P. with it, the corner of the edge penetrating the skull above the left eye. Mr. P. then returned to town, where his wound was dressed by Dr. Tarr. Aaron was at once arrested and committed to jail, but was subsequently released in accordance with the wish of Mr. P. Since his releasement, he has left this community.

ALLCOCK'S POROUS PLASTERS.

Sore and Dry Throat cured by half a Plaster; usually in two or three hours.

Dr. Green, No. 863 Broadway, New York, informs us he sold on Monday, June 52, 1862, two Plasters to a young woman suffering very severely from lumbago. On Thursday she called to get two more for a friend, and then stated how the two she had purchased on Monday had relieved her immediately after putting them on, and *cured her in two days* of a most distressing pain in her back and loins.

Allcock's Porous Plasters have been found specifics for *Rheumatism of the Wrists.*

THE CONSTITUTION OVERTHROWN!

The Constitution and Health may be ruined by a few applications of the lead or sulphur hair dyes now in the market. "Not a dye" may be the motto of such nostrums, but a DIE may be the result of using them. But ONE HAIR DYE has been

TRIED AND ACQUITTED

of all deleterious tendency, under the infallible laws of Science. Be it known to all, that

Cristadoro's Excelsior Hair Dye

has been analyzed by the distinguished chemist, Professor Chilton, and his certificate of its wholesomeness may be seen at Cristadoro's, 6 Astor House, New York.

CRISTADORO'S HAIR PRESERVATIVE as a Dressing, acts like a charm on the Hair after Dyeing. Try it. [no18-1m
