...tide was over the causeway on Sun- ... Although it has been raised in ... lowest parts, it yet needs it all along.— We look to the new board of County Commissioners for relief.

DEPUTY-SHERIFF.—Eugene W. Cooper has been selected by Sheriff Richardson as his deputy, and was sworn in on Tuesday last. Mr. Cooper is a very deserving young man.

PROJECTED TELEGRAPH.—The construction of a telegraph along the Maryland and Delaware Railroad is being agitated, and we learn it is the intention of the contractors on the road to push the matter vigorously. The telegraph is the logical sequence of the railroad.

FINISHED THEIR LABORS.—The old Board of School Commissioners finished their labors on Tuesday last and turned over the appurtenances of their office to their successors.—The new board consists of Messrs. Jno F. Dawson, Jas. B. Steele, Jas. E. Douglass and Jas. L. Bullock.

MAIL MESSENGER APPOINTED.—Mr. Lewis Flynn has been appointed Mail Messenger on the Md & Del. R. R., between Clayton and Easton, by Post Master General Cresswell, *vice* Mr. Wilton Powell. The salary is nominal at present, but is expected to be increased in a short time.

CONTRACT AWARDED.—The contract for carrying the mails between Denton and Ridgely for the ensuing six months has been awarded to Mr. Peter D. Phillips at a salary of $240 per annum. Quite a number of proposals were received and sent on to Washington, ranging from the sum above named to $500.

ACCIDENT.—Howard, son of J. W. Bryant, Esq., was thrown from a horse one day last week, whilst riding it in a run, and lay senseless for several minutes. He soon rallied, and is himself once more. Boys should be very careful how they ride horses. Running a horse is a dangerous experiment to an old and skilful rider.

ABOUT TO BE REVIVED.—The project of building the Queenstown and Harrington R. is about to be revived. The President of the road—Mr. T. C. Hambly—came down from Philadelphia on Monday, and is endeavoring to clear up old entanglements. He tells us he has put the road under contract again, and that work will be resumed in the spring.

I. O. G. T.—The next regular meeting of the Quarterly Association of the Good Templars of Caroline county will be held in the lodge room, at Greensborough, on Wednesday next, the 12th inst. All members in good standing are earnestly solicited to be present. In the evening, at 6½ o'clock, a public meeting will be held, to which all persons are cordially invited. Appropriate addresses will be made by able speakers.

...STAL AFFAIRS.—All letters for trans- ...gh the mails, except drop letters ..."are required to ... upon them. ... passengers for Baltimore ... one is paid to re- ... stamps, ... forwarded at ... and the deficiency collected ... *recipient.* If, on the other hand, a letter is deposited bearing a two cent stamp, it ... obtained, according to law, for postage.

CAUGHT IN A GALE.—The schooner Caroline Virginia, Capt. D. E. Somers, experienced a very heavy gale, on Sunday last, when at the mouth of the river on her return trip. Her jib was carried away, and the yawl-boat lost from her davits. Being heavily laden, the swells rolled over the vessel with great force, and the lives of the captain and his crew were in imminent peril. It was impossible to enter a harbor, the storm springing up very suddenly. After the wind had subsided, anchor was weighed, and the Caroline reached her wharf with no other loss than that already indicated.

THE MAIL TO RIDGELY.—After two years of unsuccessful effort, a mail route has been opened between Denton and Ridgely, and our mails were received per that route for the first time on Saturday. The convenience and utility of this route we think will be fully demonstrated by the lapse of time. At present, as is the case with almost all changes, some irregularities exist, but these will be overcome soon. "Great weights move slowly" is an old addage, and it is pertinently true of the P. O. Department in this matter. A full and comprehensive statement of the postal requirements, such as will be furnished the Department, will relieve all present irregularities.

STILL AT LARGE.—Cyrus Stack, the murderer of Benjamin Rhodes, at Crotcher's Ferry, recently, is still at large, having eluded the officers of the law. He passed the night following the murder at Seaford, Del.

Stack is an abandoned character. A few years ago he severely beat a colored schoolteacher—a woman—for which he was sentence to pay a fine of $10 by the Court for Dorchester county. The fine his friends paid, and he then again assulted the woman and left the county. Nothing was heard of him for some time, when he suddenly turned up again, and shortly thereafter murdered Rhodes.

Money is supposed to be the object of the murder. It is known that Stack obtained $100, and it is thought that he secured more.

The Governor has offered a reward of $200 for the arrest and conviction of Stack.

ATTEMPTED MURDER—*Narrow Escape.*—Mr. John Beachamp came near losing his life on Christmas day by the discharge of a gun in the hands of Wm. F. Liden. The particulars, as we learn them from one of the party, are as follows: On Christmas day, a number of men were out gunning, and about 1 o'clock were returning home. Meeting Liden on the road in a buggy, very much intoxicated, one of the party told him that a bolt in the buggy was broken, and that, if he was not careful, it would fall down. Liden then jumped out and wanted to know if it was any of "his d—d business." After cursing and raving around for sometime he clung to W. H. Beachamp, threatening to shoot him, and feeling in his pocket for a pistol.—Finding he had none, he struck Beachamp alongside the head with his fist. Jno. Beachamp then spoke up and told Liden that he was violating the law, whereupon he turned upon him and gruffly replied: "God d—n you, do you take it up?" at the same time snatching up a gun and levelling it at Beachamp. A brother-in-law of Liden's—Geo. Towers—caught the gun and threw it up in time to save Beachamp's life. Liden then endeavored to cock the other barrel of the gun, but it was taken away from him. The affair occurred on the county road, two miles from Potter's Landing. An old grudge is supposed to be the cause of Liden's attack upon Beachamp.

BOTTLED PARALYSIS

This is the proper title of the horrible metallic hair dyes. Worse than the fate of Absalom may be the fate of those who use them.

ONE WHOLESOME PREPARATION

for changing the hair to any desirable shade from brown to jet black may be procured everywhere, viz:

Cristadoro's Excelsior Hair Dye.

After careful analysis Professor Chilton, the distinguished Chemist, has authorized the proprietor to declare, on his behalf, that it contains nothing deleterious to health. No other hair dye in the world has the like guarantee.

CRISTADORO'S HAIR PRESERVATIVE, as a Dressing, acts like a charm on the Hair after Dyeing. Try it. [dec23-1m

ALLCOCK'S POROUS PLASTERS

seem to possess the quality of

Accumulating Electricity

and imparting it to the body, whereby the circulation of the blood becomes equalized upon the parts where applied, causing pain and morbid action to cease. The Porous Plasters are flexible, and found of a great help to those who have weak backs, or pain the side. Especially are they valuable to those who have neglected colds. They are often preventives of Consumption; nay, they are believed to have loosened the grasp of this terrible affliction, and been mainly instrumental in effecting a cure. In variable climates they should be worn on the breast or between the shoulners, or over the kidneys, by those who are subject to take cold easily. [dec23-1m

TO OWNERS OF HORSES.

Thousand of horses die yearly from Colic.—This need not be. Dr. Tobias' Venetian Horse Liniment will positively cure every case, if given when first taken. The cost is only one dollar. Every owner of a horse should have a bottle in his stable, ready for use. It is warranted superior to anything else for the cure of Cuts, Wind Galls, Swellings, Sore Throat, Sprains, Bruises, Old Sores, &c. This Liniment is no new remedy. It has been used and approved of for 22 years by the first horsemen in the country. Given to an over-driven horse, it acts like magic. Orders are constantly received from the *racing stables of England* for it. The celebrated Hiram Woodruff, of trotting fame, used it for years. Col. Phillo P. Bush of the Jerome Race Course, has given a Certificate which can be seen at the Depot, stating that after years of trial, it is the best in the world.—His address is Fordham, N. Y. No one once using it will ever be without it. It is put in Pint Bottles. Sold by the Druggists and Saddlers throughout the United States. Depot 10 Park Place, New York.

ERRORS OF YOUTH.

A GENTLEMAN who suffered for years from Nervous Debility, Premature Decay, and all the effects of youthful indiscretion, will, for the sake of suffering humanity, send free to all who need it, the receipt and directions for making the simple remedy by which he was cured.—Sufferers wishing to profit by the advertiser's experience, can do so by addressing, in perfect confidence, JOHN B. OGDEN,
my20-y. No. 32 Cedar street, New York.

TO CONSUMPTIVES.

THE Advertiser, having been restored to health in a few weeks, by a very simple remedy, after having suffered several years with a severe lung affection, and that dread disease, Consumption—is anxious to make known to his fellow sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used (free of charge), with the directions for preparing and using the same, which they will find a SURE CURE FOR CONSUMPTION, ASTHMA, BRONCHITIS, etc. The object of the advertiser in sending the Prescription is to benefit the afflicted, and spread information which he conceives to be invaluable; and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing.

Parties wishing the prescription, will please address. REV. EDWARD A. WILSON,
Williamsburg, Kings County, New York.
