LORILLARD'S "EUREKA"

Smoking Tobacco is an excellent article of granulated Virginia.

—Wherever introduced it is universally admired.

—It is put up in handsome muslin bags, in which orders for Meerchaum pipes are daily packed.

Lorillard's "Yacht Club"

Smoking Tobacco has no superior; being denicotinized, it cannot injure nerveless constitutions, or people of sedentary habits.

—It is produced from selections of the finest stock, and prepared by a patented and original manner.

—It is very aromatic, mild, and light in weight—hence it will last much longer than others; nor does it burn or sting the tongue, or leave a disagreeable after-taste.

—Orders for genuine, elegantly carved Meerchaum Pipes, silver mounted, and packed in neat leather pocket cases, are placed in the Yacht Club brand daily.

Lorillard's Century

Chewing Tobacco.

—This brand of Fine Cut Chewing Tobacco has no superior anywhere.

—It is, without doubt, the best chewing tobacco in the country.

Lorillard's Snuffs

have been in general use in the United States over 110 years, and still acknowledged the best wherever used.

—If your storekeeper does not have these articles for sale, ask him to get them.

—They are sold by respectable jobbers almost everywhere.

—Circulars mailed on application.

BEST CABINET ORGANS

At Lowest Prices.

That the MASON & HAMLIN Cabinet and Metropolitan Organs are *the best in the world* is proved by the almost unanimous opinion of professional musicians, by the award to them of *seventy-five Gold and Silver Medals* or other highest premiums, at principal industrial competitions within a few years, including the Medal at the Paris Exposition, and by a sale very much greater than that of any similar instrument. This Company manufacture only *first-class instruments*, and will not make "cheap organs" at any price, or suffer an inferior instrument to bear their name. Having greatly increased their facilities for manufacture, by the introduction of new machinery and otherwise, they are now making better organs than ever before, at increased economy in cost, which, in accordance with their fixed policy of selling always at least remunerative profit, they are now offering at prices of inferior work. Four octave organs, plain walnut case, $50. Five octave organs, double reed, solid walnut case, carved and paneled, with five stops (Viola, Diapason, Melodia, Flute, Tremulant), $125.—Other styles in proportion.

Circulars, with full particulars, including accurate drawings of the different styles of organs, and much information which will be of service to every purchaser of an organ, will be sent free, and postage paid, to any one desiring them. MASON & HAMLIN ORGAN CO.,
