ASTOUNDING REVELATIONS.

Two scientific publications are in the field against the hair dyes of which lead is the basis. The "New York Medical Gazette" and "The Journal of Chemistry" bitterly denounce them. Yet the hair may be safely dyed. Have you seen

ALLCOCK'S POROUS PLASTERS.

Sudden severe pains of the side and back, stitches, spasms, etc. These affections are most troublesome to persons past middle age. Will even come on in bed; are very painful and often dangerous. In damp weather they are more frequent than in dry. These plasters give relief at once, and need to be always in the drawer, handy.

PAIN OF THE SIDE CURED.

Allentown, Penn., April 4, 1865.

Messrs, T. Allcock & Co.

Dear Sirs: My daughter used one of your Porous Plasters. She had a very bad pain in her side, and it cured her in one week.

Yours truly, JOHN V. N. HUNTER.

25,000 SOLD BY ONE DEALER.

Messrs. J. Balcke & Son, of Providence, R. I., write, Nov. 1868: "We have sold the Porous Plasters for twenty years, and, at retail and jobbing must have sold twenty-five thousand altogether. They are well liked. [ja20-1m.

A HUMBUG.

DO WE HEAR THIS EXPRESSION from persons reading advertisements of Medicines, and in nine cases out of ten we might. It is over 22 years since I commenced using Tobias' Venetian Liniment to the public, and no money to advertise it, so I was obliged to deal with a few druggists and storekeepers in a small section of the country, who dealt with great reluctance; but I could not get any one have it, and if it did not rely on my pamphlet, no one would call for it. In some stores two or three bottles were put on trial by persons present. I was considered and thought crazy, and that would be the last I should see of me. But I knew my medicine was no humbug. In about two months I began to receive orders for more Liniment, some calling it my valuable Liniment, who had refused to sign a receipt when I left it at their store. Now my sales are millions of bottles yearly, and all for cash. I warrant it superior to any other medicine for the cure of Croup, Diarrhœa, Dysentery, Colic, Vomiting Spasms, and Sea-sickness, as an internal remedy. It is perfectly innocent to take internally—see oath accompanying each bottle—and externally for Chronic Rheumatism, Headache, Mumps, Frosted Feet, Bruises, Old Sores, Swellings, Sore throats &c., &c.

Price 50 cts. Sold by the druggists, Depot 10 Park Place, N. Y. [ja20-1m.

ERRORS OF YOUTH.

A GENTLEMAN who suffered for years from Nervous Debility, Premature Decay, and all the effects of youthful indiscretion, will, for the sake of suffering humanity, send free to all who need it, the receipt and directions for making the simple remedy by which he was cured.—Sufferers wishing to profit by the advertiser's experience, can do so by addressing, in perfect confidence, JOHN B. OGDEN,

my20-y. No. 32 Cedar street, New York.

TO CONSUMPTIVES.

THE Advertiser, having been restored to health in a few weeks, by a very simple remedy, after having suffered several years with a severe lung affection, and that dread disease, Consumption—is anxious to make known to his fellow sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used (free of charge), with the directions for preparing and using the same, which they will find a SURE CURE FOR CONSUMPTION, ASTHMA, BRONCHITIS, etc. The object of the advertiser in sending the Prescription is to benefit the afflicted, and spread information which he conceives to be invaluable; and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing.

Parties wishing the prescription, will please address. REV. EDWARD A. WILSON, Williamsburg, Kings County, New York. my20-y.

Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Tuesday, February 1.

The Editor's Hash.

—Fresh fish are plentiful.

—Quarterly meeting next Sunday.

—This is the winter season but not winter weather.

—Mr. Jesse Lewis is erecting a two-story addition to his dwelling on the "Dawson Farm."

—The sale of Enoch Ross' personal property has been postponed until the 4th of February.

—Protracted meeting will be commenced in the M. E. Church, Denton, on Sunday evening next.

—*Devil-up*-ments (developments) near town on Tuesday culminated in an application for divorce.

—Caroline county is without a surveyor, Mr. Theophilus Smith, the surveyor elect, having failed to qualify.

—Mr. Wilton Powell, late mail-agent on the Md. & Del. R. R., has been appointed conductor on the freight train.

—The present arrangement on the Md. & Del. R. R. is rapidly gaining public favor, and, we hope, will be continued.

—Messrs. Garey and Hardcastle, Delegates from this county to the General Assembly, will accept our thanks for journals of that body.

—Boys, we've something to whisper in your ears, but you musn't tell any one. A wedding is to come off in town next Thursday morning before day. You understand, and will be on hand, of course.

POSTMASTER AT HILLSBOROUGH.—We see by the daily papers of Monday that Mr. Dallas M. See has been appointed postmaster at Hillsborough, vice A. T. Mason, resigned.

THE FIRST SHAD.—A shad was captured in the Choptank, a short distance below Denton, on Monday, by Mr. M. Pinkine.—The shad was a very fine one for the first runing. If the present mild weather continues we shall soon be luxuriating on shad and herrings.

ARREST.—On Saturday, Sheriff Richardson arrested "Big Bill" Cornish, in Greensborough, on a warrant issued by direction of the Court for selling whiskey on the camp ground, and for assault upon Mr. Wm. Medford, at the colored people's camp last summer, the details of which have heretofore been published in these columns. Mr. R. having extended a little leniency towards him, he "made tracks," but was re-arrested on Sunday and lodged in jail.

A COUNTY ROAD TO RIDGELY.—During the last week, Mr. Nathan Corkran, a surveyor of great experience, has been surveying the route for a proposed county road between Denton and Ridgely. Several routes have been surveyed, but we have not yet learned which is considered the most expedient one. We hope the road will be opened this time, for it does seem a hardship to be compelled to travel six miles in order to reach a railroad station when, by the opening of a direct road, it could be reached in four at the farthest.

THE WEATHER.—Under the influence of the mild, spring-like weather that has prevailed here since the beginning of the present month, the grass is beginning to assume a greenish hue, the buds to put forth on the trees, and the autumn crops to present all the wonted beauty and vigor which they usually possess in early April. The long protracted good weather is singularly notable, and something not likely to occur again for years. Our river has not been frozen over all winter, and the ice crop promises to be short again.

BUILDING STATISTICS.—From the beginning of the year 1866 to the close of 1869, twenty-seven new dwellings have been erected in Denton, and within a radius of two miles of the town, to say nothing of the enlargements and additions, as follows: twenty one good, substantial two-story, and six comfortable one-story, dwellings. In addition to this there has also been built, within that time, two offices, four good sized barns, one grist mill, one Church and one schoolhouse (colored). Slowly, but none the less surely, does the work of improvement move on.

THE PEACH CROP.—Serious apprehensions of disaster to this year's peach crop is beginning to fill the minds of the peach growers in this county. With one month of winter yet to pass, and blustry March yet to assail us with its chilling blasts, they are apprehensive lest the buds should so far mature during this warm spell as to be entirely destroyed by the cold which is likely to follow. Up the Peninsula fruit-growers, on the contrary, are congratulating themselves upon the expectation of a full crop, inasmuch as, they say, a mild winter is invariable succeeded by a good crop of fruit. We hope their hopes and expectations will not prove illusory.

LAND SALE.—The Mancha Bros. last week effected the sale of Mr. Wm. Loockerman's farm, near three bridges, better known as the Wyatt Farm," containing 140 acres, to Chalkley Kirby, of Pennsylvania, for $1,500.

ADVERTISE.—A thousand and one things, and more, have been said about the value of advertising, and a thousand and one persons or more, appear to ignore it, but in spite of it the force of the reasoning and arguments in favor of it prevail. To do business without advertising is as to sit in a sailing vessel, under full head of wind, without steering.—You will inevitably be cast ashore and the waves of oblivion wash over your wreck. In social life, a man, to make the acquaintance of another, must be introduced; so a business man, to know the public, must be introduced by the public's friend—the newspaper.

ORPHANS' COURT PROCEEDINGS.—Noah Leddenham appointed guardian to Robert E. Leddenham.

Henry Mobray, guardian to Ed. M. Stack, passed 3rd account.

John L. Rich, guardian to Thos. F. Roe, passed 2nd account.

Charles Wright, guardian to Margaret A. Wright, passed 10th account.

W. Towers, guardian to H. Beachamp, passed final account and filed release.

James C. Manship and W. T. Swan, acting guardian to Gilbert Swan and Henrietta Swan, minors, pass 1st, 2nd and 3rd accounts.

BELOW we copy verbatim the petition of an aspirant for magistratic honors in the First district. The petition was written by himself, and left at the hotel in this town for signatures, from whence it was taken and brought to us. The *education* of the petitioner peculiarly fits him for the position (?) and we implore the Governor to "not turn him away empty."

To your Excelence oden Bowee Gouevnor of the State of Maryland we the Citizens of vensisity and town of Greensburuh wishing a change of our Justice of the peace in this place in the first Election Distrect of Caroline County Do Recomend to your Honour ———Beleaving him to Be well quallefied that for office and knowing him to be ademocrat of the old school.

MISSING PAPERS.—It will be seen from the following that some one has been trespassing upon the privacy of Mr. J. W. Kerr's room, and that some of his manuscripts are missing. He requests us to publish the following that the fact that the manuscripts were of importance to him may be brought to the eye of the trespasser.

Those parties, who, without permission, took some circulars, and manuscript, from my room, on Tuesday last, are hereby requested, to return the same, at their earliest practicable convenience.

For one copy of the Denton Journal, and one *piece* of manuscript, which has since been returned. I feel much indebted, and will, upon receipt of the balance of the papers, pay a liberal reward.

Jan. 26th J. W. KERR.

PATENT CULTIVATOR.—For several days past a patent cultivator has been on exhibition at the hotel in this town, and the patent right has been purchased by a number of our farmers. On Tuesday, the agent for the sale of the concern took his departure, and serious apprehensions of a sell are entertained by those who purchased the cultivators. It seems that the agent first endeavored to sell the patent right to a company of men for the sum of $25 each, but finding he could not do so, he sold to single individuals for whatever amount he could obtain. It is not known to a certainty yet whether the parties are sold or not, but the transaction seems "fishey." If it is a sell, our farmers are not to be pitied one bit, since they cannot be induced to engage in anything that would be of any positive benefit to them, but are at all times ready to take up with any travelling humbug that may chance to come along. A Farmers' Club would be of great benefit to them, but they cannot be induced to organize one.

To the Teachers.

Next Saturday is the day set for the meeting of the Teacher's Association, and we earnestly hope that there will be a large attendance, and that the teachers will manifest a great interest in this highly important work. We fear that some may feel disposed to stay away on the grounds "that there may be but a small turn out, and consequently not interesting." This is a sad mistake. Let us all make up our minds to be there, and the result will be—a large attendance and a pleasant and interesting meeting. Remember, according to the programme, our much esteemed friend, Rev. G. F. Beaven, will address us. You may expect a large attendance.
