MOGEE & KILPATRICK'S QUICK LIME by J. K. SAULSBURY,
my21-tf Ridgely.

LORILLARD'S "EUREKA"

Smoking Tobacco is an excellent article of granulated Virginia.

—Wherever introduced it is universally admired.

—It is put up in handsome muslin bags, in which orders for Meerchaum pipes are daily packed.

Lorillard's "Yacht Club"

Smoking Tobacco has no superior; being denicotinized, it cannot injure nerveless constitutions, or people of sedentary habits.

—It is produced from selections of the finest stock, and prepared by a patented and original manner.

—It is very aromatic, mild, and light in weight—hence it will last much longer than others; nor does it burn or sting the tongue, or leave a disagreeable after-taste.

—Orders for genuine, elegantly carved Meerchaum Pipes, silver mounted, and packed in neat leather pocket cases, are placed in the Yacht Club brand daily.

Lorillard's Century

Chewing Tobacco.

—This brand of Fine Cut Chewing Tobacco has no superior anywhere.

—It is, without doubt, the best chewing tobacco in the country.

Lorillard's Snuffs

have been in general use in the United States over 110 years, and still acknowledged the best wherever used.

—If your storekeeper does not have these articles for sale, ask him to get them.

—They are sold by respectable jobbers almost everywhere.

—Circulars mailed on application.

CURE FOR

CONSUMPTION.

WHAT THE DOCTORS SAY:

AMOS WOOLLEY, M. D., of Kosciusco Co., Indiana, says: "For three years past I have used Allen's Lung Balsam extensively in my practice, and I am satisfied there is no better medicine for lung disease in use."

ISAAC A. DORAN, M. D., of Morgan Co., O., says: "Allen's Lung Balsam not only sells rapidly but gives perfect satisfaction in every case within my knowledge. Having confidence in it and knowing that it possesses valuable medicinal properties, I freely use it in my daily practice and with unbounded success. As an expectorant it is most certainly far ahead of any preparation yet known."

NATHANNIEL HARRIS, M. D., of Middlebury, Vt., says: "I have no doubt it will soon become a classical remedial agent for the cure of all diseases of the throat, bronchial tubes and the lungs."

No. 95 South Street, Balto.,

And by Dealers general throughout the country.

The SOMBRERO GUANO of which MORO PHILLIPS' PHOSPHATE is and always has been manufactured, (and of which he has sole control for the United States,) contains fifty per cent. more Bone Phosphate than Raw Bone, therefore it is more durable.

A large per centage is Soluble, and will immediately yield its nourishment.

The Ammonia it contains is pure and ready to yield its value—not animal matter, capable of yielding its ammonia after decomposition in the soil.

Nothing is spared in its manufacture to render it the most valuable Super-Phosphate and Crop Producer in the market.

Eight years' experience has proved to the farmer that it is durable and can always be relied on as uniform in quality; and the numerous unsolicited testimonials continually received of its use in competition with other Fertilizers, fully attests that it has not been excelled.

BEST CABINET ORGANS

At Lowest Prices.

That the MASON & HAMLIN Cabinet and Metropolitan Organs are the *best in the world* is proved by the almost unanimous opinion of professional musicians, by the award to them of *seventy-five Gold and Silver Medals* or other highest premiums, at principal industrial competitions within a few years, including the Medal at the Paris Exposition, and by a sale very much greater than that of any similar instrument. This Company manufacture only *first-class instruments*, and will not make "cheap organs" at any price, or suffer an inferior instrument to bear their name. Having greatly increased their facilities for manufacture, by the introduction of new machinery and otherwise, they are now making better organs than ever before, at increased economy in cost, which, in accordance with their fixed policy of selling always at least remunerative profit, they are now offering at prices of inferior work. Four octave organs, plain walnut case, $50. Five octave organs, double reed, solid walnut case, carved and paneled, with five stops (Viola, Diapason, Melodia, Flute, Tremulant), $125.—Other styles in proportion.

Circulars, with full particulars, including accurate drawings of the different styles of organs, and much information which will be of service to every purchaser of an organ, will be sent free, and postage paid, to any one desiring them. MASON & HAMLIN ORGAN CO.,
