ASTOUNDING REVELATIONS.

ALLCOCK'S POROUS PLASTERS.

Sudden severe pains of the side and back, stitches, spasms, etc. These affections are most troublesome to persons past middle age. Will even come on in bed; are very painful and often dangerous. In damp weather they are more frequent than in dry. These plasters give relief at once, and need to be always in the drawer, handy.

PAIN OF THE SIDE CURED.

Dear Sirs: My daughter used one of your Porous Plasters. She had a very bad pain in her side, and it cured her in one week.

A HUMBUG.

HOW OFTEN WE HEAR THIS EXPRESSION from persons reading advertisements of Patent Medicines, and in nine cases out of ten they may be right. It is over 22 years since I introduced Dr. Tobias' Venetian Liniment to the public. I had no money to advertise it, so left it for sale with a few druggists and storekeepers through a small section of the country, many taking it with great reluctance; but I left them to let any one have it, and if it did not do all I stated on my pamphlet, no one need pay for it. In some stores two or three bottles were taken on trial by persons present. Some by many, thought crazy, and that would be the last they would see of me. But I knew my medicine was no humbug. In about two years this I began to receive orders for more Liniment, some calling it my valuable Liniment, and had refused to sign a receipt when I left it in store. Now my sales are millions of bottles yearly, and all for cash. I warrant it superior to any other medicine for the cure of Croup, Diarrhœa, Dysentery, Colic; Vomiting Spasms, and Sea-sickness, as an internal remedy. It is perfectly innocent to take internally—see oath accompanying each bottle—and externally for Chronic Rheumatism, Headache, Mumps, Frosted Feet, Bruises, Old Sores, Swellings, Sore throats &c., &c.

Price 50 cts. Sold by the druggists, Depot 10 Park Place, N. Y. [ja20-1m

Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Tuesday, February 8.

The Editor's Hash.

—The weather feels very wintry.

—We had a light sprinkling of snow on Monday night last.

—Ninety-four marriage licenses were issued by the County Clerk last year.

—Local news is exceedingly scarce this week; we never knew so great a dearth.

—The attendance at the quarterly meeting, both morning and night, was very large.

—Three things that never agree—two cats over one mouse, two wives in one house, and two lovers over one young lady.

—A protracted meeting was begun in the M. E. Church on Sabbath evening last.—Thus far it has been unattended with any success.

—The unbounded success which we are meeting with in connection with our job office is a guarantee that our work is done well.—Those in want of *cheap* printing can find no better place than THE UNION office.

—We have just turned out from our power press two very interesting little books—the one a Descriptive Catalogue of the Choptank Nurseries, the other a catalogue of farms for sale by the Mancha Bros. Send for each of these catalogues.

DRUG STORE FOR SALE.—Our Fderalsburg correspondent writes us that Mr. Jas. T. Kenny is desirous of selling out his drug store in that town. This is a good chance for any one who wishes to engage in that business. Mr. Kenny's store is well supplied with drugs, and the stand is an excellent one.

ORPHANS' COURT PROCEEDINGS.—We give the following as the proceedings of the Orphans' Court on Tuesday:

Letters of administration granted: on the estate of J. B. Calloway, to Mary E. Calloway and S. H. Anderson; on the estate of W. A. Williams to J. B. Williams.

Robt. W. Todd and Rachael Ross, administrators of Enoch Ross, presented inventory of appraisement, and order to sell granted.

Account of sales passed: by Hy. Wilson, administrator of Hy. [illegible] Smith; by Benjamin Connor, administrator of Ezekiel Smith; by John A. Dillen, administrator of Wm. Andrew, and by R. Y. Collins and Chas. H. Todd, administrators of A. Y. Collins.

Jas. L. Payne, administrator of Daniel Payne, passed second and final account, and distribution of the estate was made and passed.

Thos. F. Corkran, guardian to Frances A. Camper, passed 9th and final account.

Richard C. Carter, administrator of John A. Roe, passed inventory of real estate.

THE NEW ROAD TO RIDGELY.—Mr. Willis Corkran (and not Nathan, as was stated last week) has completed the surveys for the proposed county road between Denton and Ridgely, and from him we gather the following particulars: The route deemed most practicable is a continuation of Central, or Elliott, Avenue, in the town of Ridgely, in a direct line, until it intersects the county road leading from Col. Carter's to Greensborough. The estimated distance is two and nearly a quarter miles, and the road bed is, for the most part, high and dry. It would pass over the head of one or two ponds, but a slight curvature in the road would avoid these obstacles. The worst part of the road would be at it its intersection with the county road before mentioned. Here it would be necessary to throw up a causeway for a short distance. In some places, the only thing is to clear away the timber. Mr. Corkran estimates the cost of the opening of the road at from $400 to $500, but adds that he has seen worse roads and more costly ones opened in the county.

In due time, the matter will be laid before the Board of County Commissioners, where we hope it will receive the consideration its importance demands. The saving in distance by this route will amount to one and one-half miles, which is considerable in connection with the fact that it is the avenue of travel between this place and vicinity and the railroad. The already large amount of travel over this road is constantly increasing, and public convenience demands a shorter and more direct route. Let us have it.

KOSKOO.—This medicine is rapidly gaining the confidence of the people, and the numerous testimonials of its virtues, given by practitioners of medicine, leaves no doubt that it is a safe and reliable remedy for IMPURITY OF THE BLOOD, LIVER DISEASE, &C.

The last *Medical Journal* contains an article from Prof. R. S. Newton, M. D., President of the E. Medical College, city of New York, that speaks in high terms of its curative properties, and gives a special recommendation of Koskoo to the practitioners of medicine. This is, we believe, the first instance where such medicines have been officially endorsed by the Faculty of any of the medical colleges, and reflects great credit upon the skill of Dr. Lawrence, its compounder, and also puts "Koskoo in the van of all other medicines of the present day.—*Norfolk Daily Journal*, Dec. 11, 1869.

Federalsburg.

MR. EDITOR:—We have been looking around during the day for items to make up a short letter for you *very interesting paper*. News of interest is scarce. The lime kilns, of which we spoke some time since, are now in operation. Lime is being manufactured, and we hope our farmers will make haste to patronize the company with their orders, instead of purchasing from the city, as has been their custom heretofore.

Mr. James E. Carroll, teacher of the Grammer school here, sent in his resignation to the Trustees of said school, on the 27th inst. It has been accepted to take effect on Friday the 28th of January. Mr. C. has been employed to take charge of the Greensborough school, lately vacated by Dr. James S. Elliott, who has been compelled to resign on account of ill health. Mr. Carroll carries with him the best wishes of his many friends.—We wish him great success in his new field of labor.

There is an opening in this town just now for both a Physician and Druggist. Dr. C. A. Jenkins, who succeeded Dr. Noble, having left to locate in Baltimore, there is but one phpsician, which is not enough to attend to the practice here. Mr. J. T. Kenney, who has been carrying on the drug business in this place for several years, offers his entire stock of goods, fixtures and good will, at private sale. Mr. Kenney's drug store is handsomely fitted up with all the modern improvements—such as glass, labels, nice cases, scales, cans, &c. He has a very handsome store room, with lease for five years, and is doing a fair business for a country drug store. This is the only store of the kind in a circuit of some ten miles, and is a rare chance for an enterprising druggist. Any one looking out for a situation of this kind might find it beneficial to consult Mr. Kenney, either in person or by letter.

Mr. Wm. H. Alburger and James H. Moore have associated themselves in partnership for the purpose of carrying on the foundry business. They are both clever fellows, and will succeed.

Yours as ever, T.
