I was cured of Deafness and Catarrh by a simple remedy and will send the receipt free.
MRS. M. C. LEGGETT, Hoboken, N. J.
feb4-4w.

DR. A. L. SCOVILL, is the inventor of several medical preparations which have become very popular, and been liberally used. Among his inventions are "Hall's Balsam for the lungs" and "Liverwort and Tar." For the last six years a better Lung remedy has not been offered to the public. Read the following letter from Dr. SCOVILL referring to it:

Messrs. J. N. HARRIS & CO.,
Gents:—I make the following statement from a perfect conviction and knowledge of the benefits of **Allen's Lung Balsam** in curing the most deep-seated PULMONARY CONSUMPTION! I have witnessed its effects on the young and on the old, and I truly say that it is by far the best expectorant remedy with which I am acquainted. For coughs and all the early stages of Lung complaints, I believe it to be a certain cure, and if every family would keep it by them, ready to administer upon the first appearance of disease about the Lungs, there would be very few cases of fatal consumption. It causes the phlegm and matter to raise, without irritating those delicate organs (the Lungs), and without producing constipation of the bowels. It also gives strength to the system, stops the night-sweats, and changes all the morbid secretions to a healthy state. Yours respectfully,
A. L. SCOVILL.

LORILLARD'S "EUREKA"
Smoking Tobacco is an excellent article of granulated Virginia.
—Wherever introduced it is universally admired.
—It is put up in handsome muslin bags, in which orders for Meerchaum pipes are daily packed.

Smoking Tobacco has no superior; being dencotinized, it cannot injure nerveless constitutions, or people of sedentary habits.
—It is produced from selections of the finest stock, and prepared by a patented and original manner.
