SPECIAL NOTICES.

A RADICAL REVOLUTION

Has been accomplished in hair dyes. The horrible compounds containing LEAD, SALT and SULPHUR are discarded. The leading chemists implore the public not to use them, and Professor Chilton, whose reputation is second to that of no analytical chemist in America, has recommended

Cristadoro's Excelsior Hair Dye,

as a PERFECTLY INNOCUOUS ARTICLE, which may be used without fear. Remember, it is the only one that has been analyzed and found wholesome. Its effects are instantaneous and the colors it imparts natural.

CRISTADORO'S HAIR PRESERVATIVE, as a Dressing, acts like a charm on the Hair after Dyeing. Try it. [mar17-1m.

"Children's Lives Saved for 50 Cents."

THOUSANDS OF CHILDREN DIE ANNUally of Croup. Now, Mothers, if you would spend 50 cents, and always have a bottle of Dr. Tobias' Venetian Liniment in the house, you never need fear losing your little one when attacked with this complaint. It is now 22 years since I have put up my Liniment, and never heard of a child dying of Croup when my Liniment was used; but hundreds of cures have been reported to me, and many state if it was $10 per bottle they would not be without it. Besides which, it is a certain cure for Cuts, Burns, Headache, Toothache, Sore Throat, Swellings, Mumps, Colic, Diarrhœa, Dysentery, Spasms, Old Sores and Pains in the Limbs, Back, and Chest. No one once tries it who is ever without it. It is warranted perfectly safe to take internally. Full directions with every bottle. Sold by the Druggists and Storekeepers in the United States. BRANDRETH'S PILLS.

Their great value consists in this: They may be used so long as any disease affects any of the organs of the body; and by thus persevering in their use the disease will be cured, and the body restored to health, free from every taint and impurity. Their reputation proves their merit.

Thomas Smith, Coroner and Justice of the Peace, Hastings-on-the-Hudson, says Brandreth's Pills cured him of Dyspepsia and Heartburn, when every other medicine had failed to relieve him. Certificate dated April 2, 1868.

Dr. Turner, of Savannah, Ga., says he has, for nearly forty years, recommended Brandreth's Pills as a specific in Yellow Fever; that he never knew a patient to die who took them for this malady, being otherwise sound. Their prompt use takes out of the body those matters which feed the fatality of the disease. As a general family medicine he considers them far in advance of all others, and he speaks from personal experience of their qualities.

ERRORS OF YOUTH.

A GENTLEMAN who suffered for years from Nervous Debility, Premature Decay, and all the effects of youthful indiscretion, will, for the sake of suffering humanity, send free to all who need it, the receipt and directions for making the simple remedy by which he was cured.—Sufferers wishing to profit by the advertiser's experience, can do so by addressing, in perfect confidence, JOHN B. OGDEN,
my20-y. No. 32 Cedar street, New York.

TO CONSUMPTIVES.

THE Advertiser, having been restored to health in a few weeks, by a very simple remedy, after having suffered several years with a severe lung affection, and that dread disease, Consumption—is anxious to make known to his fellow sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used (free of charge), with the directions for preparing and using the same, which they will find a SURE CURE FOR CONSUMPTION, ASTHMA, BRONCHITIS, etc. The object of the advertiser in sending the Prescription is to benefit the afflicted, and spread information which he conceives to be invaluable; and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing.

Parties wishing the prescription, will please address. REV. EDWARD A. WILSON,

Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Tuesday, March 22nd.

The Editor's Hash.

THE winter school term closed on Friday last.

GAREY & MILLINGTON are closing out their business in this place.

A REAL ESTATE OFFICE is, we learn, shortly to be opened in Greensborough.

TO-DAY is the anniversary of the patron saint of Ireland—St. Patrick.

HUTSON has some very nice Rhode Island Greening apples. Call and see him.

THE tide of immigration this spring promises to be nothing inferior to former years.

THE bill incorporating the town of Greens has passed both houses of the Legislature.

THE SPRING TERM of the Circuit Court begins its sittings two weeks from next Monday.

PRINTING in gold, or almost any other color, done neatly and cheaply at THE UNION job office.

MR. WM. NEWLEE, a citizen of the 1st district has moved to Indiana, there to seek a competency for himself and family.

A BILL has been introduced in the Legislature providing for the sale of a portion of the almshouse property in this county.

WORK is progressing rapidly upon the new hotel in Denton. It is expected to be ready for occupancy by the 1st of July.

A SUBSCRIPTION list is being circulated for the purpose of raising funds to purchase an organ for the M. E. Church in this town.

"A SUBSCRIBER" is hereby notified that the article sent was received, but awaits the real name of the author before being published.

MANY of the small bridges along the public highways are in a dangerous condition.—We call the attention of the Supervisors to them.

COUNTER petitions to the one praying a division of the Denton district have been sent on to Annapolis, since which we have heard nothing of the subject.

MR. WM. QUIMBY, who several years ago taught singing schools in the upper part of this county, where he made many friends, died at Annapolis on Sunday.

THE TIDE was again over the causeway on Sunday covering its entire length. We hope our penny-wise and pound-foolish Commissioners will make a note of this.

A SPECIAL LAW for several counties has been introduced into the Legislature giving Justices of the Peace jurisdiction in cases of assault and battery. Caroline county is among the number.

RUMORED RAILROAD SALE.—A rumor to the effect that the Maryland & Delaware R. R. has been sold to a company of Eastern capitalists has reached us. We have no positive information on the subject, and give the rumor for what it is worth.

WHEAT.—We hear a universal complaint from all parts of the county of the bad looking appearance of the wheat crop. The recent cold weather has materially retarded its growth, and deprived it of somewhat of the healty appearance it presented during the mild weather of last month.

THE FISHERIES.—The season is now far enough advanced to begin the regular spring fishing, and our Choptank fishermen are fully prepared for the work. Herrings are being caught in moderately large quantities and sell quite readily at two cents each. Shad have not made their appearance yet, but will be on hand soon. The fishing business is usually lucrative, and brings a considerable quantity of money into the county during the season. Attention is just now turned to the fisheries for partial relief from the financial troubles which are now upon our people, and the indications are that that relief will be afforded. Let us hope so, at any rate.

ALMOST SUCCEEDED.—John Wilkinson, an inmate of our county jail, for making too free with corn belonging to some one else, nearly succeeded in making his escape on Wednesday of last week. He managed, by some means, to relieve himself of his irons, and with the assistance of a small piece of wire and a stick removed several courses of the brick wall. Wash Cummings, a prisoner on parole, having occasion to enter the cell of John, was attracted by the suspicious manner in which a blanket was placed near a window, and upon the return of Mr. Richardson, the sheriff, called his attention to it.—Upon removing the blanket the result of John's day's work was discovered, and his hope of escape at night was soon blasted.—John is now ironed on both legs and will not be likely to succeed in any future effort at escape.

THE LEGISLATURE, on Thursday last, elected a successor to Mr. Lefevre Jarrett, Police Commissioner of Baltimore, who died a few weeks ago. Jno. W. Davis, ex-clerk of the Court of Common Pleas, ex-Police Commissioner, and ex-Sheriff of Baltimore, was elected for the short term, expiring on the 15th of March next, and Thos. W. Morse for the long term, commencing on that date and continuing four years.

PLASTERING, WHITECOATING &C.—Attention is called to the advertisement of Mr. H. A. H. Mason, to be found in another column. Mr. Mason is a sober, steady, industrious and reliable workman, and endeavors to render satisfaction in cases where he is employed.—His promptness, associated with moderate charges, should secure him constant work. Persons having anything to do in his line would do well to give him a call.

GOES A BEGGING.—The constableship for the Greensborough district goes a begging. No one seems public spirited enough to assume the duties of the office although a number have been called upon to do so. If the citizens of that district can confer the rights of citizenship at once upon some of the aspirants to serve their county in this, we can export them a dozen constables if they want them. Let us hear from you, citizens of the 2d district.

ORPHANS' COURT PROCEEDINGS.—Letters testamentary were granted to Mary J. Hoff on the estate of Wm. W. Hoff.

Jas. L. and Chas. E. Bullock, administrators of Richard Bullock, presented receipt and final release from Eliza J., Emily, Annie, Mary, William H., John W. and Robert Bullock, heirs of said deceased.

Robert Patton, administrator of Isaiah C. Blades, presented receipt and release from Milcah Blades, widow of said deceased.

HORSE AND BUGGY STOLEN.—On Friday night last, Dr. C. C. Powell drove over to town, and left his horse hitched in front of one of the stores whilst he attended the meeting of the Good Templars. By some means the horse got loose from its fastening and started homeward. After passing Mr. Vosmus', it was taken up by some parties, and driven back and on through the town. When the Dr. came to look for his horse after the adjournment of the lodge it was gone, but supposing it had got loose and gone home he started off home on foot. But the horse was not there, and so the next morning he started out in pursuit of it. Fortunately he took the right road, and found the horse near Mr. Levin Pool's saw-mill, where it had been deserted by those who had stolen it.

THE COLORED PEOPLE'S CONCERT.—The concert given by the colored people at their school-house, in Denton, on Thursday and Friday evenings last, was a very pleasant affair. As was announced, Phil Floyd was on hand with his band, and enlivened the occasion with some choice and popular selections of music. The performance on the part of the school children was very creditable indeed, and manifested marked improvement. A number of colored men delivered original speeches, which abounded in good sense, and were delivered in a manner which others who had had life-long advantages of education might well envy. They all declared their intention of standing by the Republican party as their only true and real friends, who had delivered them from a bondage worse than death and bestowed upon them that which was their protection and their shield. The whole affair passed off very pleasantly, so far as the colored people were concerned, though subject to great annoyance from a number of white lads whose parents should take them in hand and trounce them severely.

DISTURBING COLORED PEOPLE'S MEETINGS.—The concert given by the colored people last week was very greatly annoyed by a number of white lads who reside in this town. Even before the exercises were begun they were on hand, and manifested their presence by pulling open the shutters, pelting the windows with pebbles, and with loud and wild yellings. All appeals to them to behave in a gentlemanly manner were so many idle words, and only served to incite them to greater recklessness. The names of the parties are all known, and would be published in these columns were it not for the respectability of their parents; but they may rest assured that the respectability of their parents will not shield them upon future occasions. Such conduct is reprehensible—disgraceful—and parents should inquire into the matter, and if they find their children were engaged in such meanness and rascality they should punish them severely. We would advise the colored people, if a similar occurrence ever happens, to send at once for an officer and have the disturbers put under arrest.

The second evening of the concert a piece of iron was thrown through one of the windows of the school-house, which, striking Levi Ross upon the head, inflicted a painful wound. It is supposed that one of the disturbers of the night before committed this act also.
