A RADICAL REVOLUTION

Has been accomplished in hair dyes. The horrible compounds containing LEAD, SALT and SULPHUR are discarded. The leading chemists implore the public not to use them, and Professor Chilton, whose reputation is second to that of no analytical chemist in America, has recommended

Cristadoro's Excelsior Hair Dye,

as a PERFECTLY INNOCUOUS ARTICLE, which may be used without fear. Remember, it is the only one that has been analyzed and found wholesome. Its effects are instantaneous and the colors it imparts natural.

CRISTADORO'S HAIR PRESERVATIVE, as a Dressing, acts like a charm on the Hair after Dyeing. Try it. [mar17-1m.

"Children's Lives Saved for 50 Cents."

THOUSANDS OF CHILDREN DIE ANNUally of Croup. Now, Mothers, if you would spend 50 cents, and always have a bottle of Dr. Tobias' Venetian Liniment in the house, you never need fear losing your little one when attacked with this complaint. It is now 22 years since I have put up my Liniment, and never heard of a child dying of Croup when my Liniment was used; but hundreds of cures have been reported to me, and many state if it was $10 per bottle they would not be without it. Besides which, it is a certain cure for Cuts, Burns, Headache, Toothache, Sore Throat, Swellings, Mumps, Colic, Diarrhœa, Dysentery, Spasms, Old Sores and Pains in the Limbs, Back, and Chest. No one once tries it who is ever without it. It is warranted perfectly safe to take internally. Full directions with every bottle. Sold by the Druggists and Storekeepers in the United States. BRANDRETH'S PILLS.

Their great value consists in this: They may be used so long as any disease affects any of the organs of the body; and by thus persevering in their use the disease will be cured, and the body restored to health, free from every taint and impurity. Their reputation proves their merit.

Thomas Smith, Coroner and Justice of the Peace, Hastings-on-the-Hudson, says Brandreth's Pills cured him of Dyspepsia and Heartburn, when every other medicine had failed to relieve him. Certificate dated April 2, 1868.

Dr. Turner, of Savannah, Ga., says he has, for nearly forty years, recommended Brandreth's Pills as a specific in Yellow Fever; that he never knew a patient to die who took them for this malady, being otherwise sound. Their prompt use takes out of the body those matters which feed the fatality of the disease. As a general family medicine he considers them far in advance of all others, and here he speaks from personal experience of their qualities.

Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Thursday, (to-day) April 7th.

The Editor's Hash.

THIS has been a remarkably quiet court thus far.

THE hay scales have been received, and will be put up in a few days.

THE bill to sell a portion of the almshouse property has passed the Legislature.

THE incorporation act of Denton is dragging its slow lengths along in the Legislature.

THE genial sunshine of to-day (Wednesday) is dispelling much of the *ennui* contracted during the past six days of storm.

SHAD are becoming more plentiful down the river, some of the floaters taking in about a hundred per day.

ENGINE and car repairing for the Maryland and Delaware Railroad is now done at Easton, instead of being sent to Wilmington, as heretofore.

Q. P.—Send all the items of local news that can be gathered in the First district, condensing them as much as possible. We hope to hear from you often.

SUDDEN DEATH.—Mr. David Williams, an aged citizen residing in the edge of Delaware, near Johnson's X Roads, died very suddenly on Friday last. His sickness was only of about ten minutes' duration.

LECTURE.—A Lecture will be delivered in the Presbyterian Church, in Greensborough, on Friday evening, April 8th, by Col. J. M. McCarter. Subject,—"Life while we sleep and its Lessons." The public are requested to attend.

POSTMASTER AT FEDERALSBURG.—Mr. Jno. H. Williams has been appointed postmaster at Federalsburg, *vice* Jas. T. Kenney, resigned. We have no doubt Mr. W. will serve the citizens of the "burg" in that position very acceptably.

NEW SCHOOL HOUSE.—The enterprising citizens of the new school district, which has been recently laid off in Tuckahoe Neck, are erecting a new and substantial house in the "Manor Woods." They expect it to be ready for occupancy in a few weeks.

REMARKABLE FECUNDITY.—A mare belonging to Mr. William Fleetwood, residing on Mr. Levi Dukes' farm, in Tuckahoe Neck, two weeks since gave birth to two very fine colts, both of which are alive and thriving rapidly. They match well in color, size and appearance.

COURT PROCEEDINGS.—The April term of the Circuit Court began its sittings at Denton on Monday last, his Honor Associate Judge Wickes presiding, J. W. Bryant, State's Attorney and R. K. Richardson, Sheriff. The following cases have been disposed of up to the hour of going to press:

State *vs.* Edward Coffin. Assault on Wm. Phillips. Guilty and fined 50 cents and costs. Russum for traverser.

State *vs.* Dr. P. Stack. Assault on Jas. S. Gill. Not guilty.

State *vs.* Wm. Harper of S. Assault on Alex. Needles. Guilty and fined $1 and costs.

SNOW.—The "borrowing days" have thus far been very stormy and disagreeable, and the weather is a fair counterpart of March. One hour it is snowing, the next hailing and the next raining, and nature seems undetermined in its course in all respects save one—the determination to be disagreeable. On Tuesday morning the ground was covered with snow, and until late in the morning the flakes continued to fall quite lively.

SOLD.—The schooner Caroline Virginia, which has been running from this place to Baltimore, under the management of Capt. D. E. Somers, has been sold to some parties in Baltimore. We understand that Case & West are endeavoring to perfect arrangements to run a weekly sailing packet from this place. Their intention is to have a regular day for leaving Denton Bridge, so that shippers may have their freight in readiness and unnecessary delay be avoided.

DEFEATED.—The bill dividing the Third, or Denton, district into two districts was defeated in the Senate. We presume it met its death at the hands of Mr. Fields, who has again dared to run counter to the powers that be in this county. Of course many persons will be rejoiced at this, inasmuch as no possible good could accrue from the division. It was simply a political dodge of a *few* men who are desirous of doing something, and didn't know what else to do.

PROCEEDINGS OF THE ORPHANS' COURT.—The last will of Peter Jester was admitted to probate, and letters testamentary on the deceased's estate granted to Wm. H. Watkins.

R. H. Lockerman was appointed guardian to Chas. W., John and Isaac Harris, children of John Harriss, deceased.

Thos. Butler, guardian to James R., Jesse and Margaret Butler, presented 5th and 6th guardianship account.

Wm. Loockerman, administrator of Euphema Adams, passed receipt and final release from Charles and James Patterson.

Andrew B. Roe, guardian to Wesley W. and Felix Coker, presented 2nd and 3d account of his guardianship.

ALMOST A FIRE.—The school house and freight depot at Ridgely narrowly escaped destruction by fire on Friday evening last.—The school is kept in a room immediately over the freight office, and it was in this room that the fire originated. The origin of the fire is a mystery. Mr. Swann, the teacher, was in the school-room sometime after the scholars were dismissed on the evening in question, and he exercised the customary caution when leaving the room—to see that the fire was entirely extinguished. When discovered quite a considerable hole had been burnt in the floor, and it is the opinion of those who discovered it that only a few more minutes would have been necessary for the flames to have made such headway as to render the destruction of the entire building inevitable.

First District Items.

Mr. Editor:—

Now that the "Western fever" has somewhat subsided in our midst, the "land selling fever" has broken out, and is raging in all its fury. Mr. Thos. Clendenning has sold his land to a gentleman from Philadelphia, for the sum of $4,100; Mr. Wm. A. Williams, his farm to Mr. Spencer, from New York, for about $7000; and Mr. Ross has sold a part of his farm to Mr. Palmer, from New York, for the sum of $19.00 per acre. I think that the enterprising agent, Mr. Mancha, from Ridgely, was instrumental in the sale of most of the land. Several more design selling out as soon as possible, and then, "*Ho for Kansas!*"

Farmers are beginning to plow for corn.

Politics are below zero, as the division of the 1st election district, and the adoption of the XVth Amendment, has placed the triumph of the Republican party in our district beyond a doubt. This is a source of regret to some of our Democratic friends. As the communication of "R" said that most of those gone West "were of the Republican party," some of our Democrat friends say "now they have secured the negro the right of suffrage, they are all leaving us, and we have to vote alone with the negro." *Oh my! dat hurts.*"

Letters from the states of Indiana and Illinois report that wages are from $20 to $25 per month, or from $1.00 to $2.00 per day; so any one desiring to go *West* can see at a glance that it is a desirable country for labor.

Mr. Worden, from Smyrna, is shipping quite an amount of timber from our place. Ex-Sheriff Knotts is also having shipped a great many Railroad ties from Marydell, which gives employment to a great number of men.

Halltown Lodge, No. 51, I. O. G. T., is making extensive preparations for a concert, to take place April 12th inst., the proceeds to go toward fitting up a new hall at said place. Mr. Chas. H. West is chairman of the Committee on Arrangements, and is exerting himself to render the concert a complete success. He has our best wishes for its entire success. Q. P.

HENDERSON April 1st, 1870.

THE LARGEST.—Wanamaker and Brown have the largest Clothing House in America. Even New York, with all her immense establishments, cannot boast of a place like Oak Hall.

DR. WISTAR'S WILD CHERRY BALSAM.—This Balsamic compound has become a home fixture. Let all who suffer and have in vain attempted to cure their coughs, colds, bronchial or pulmonary complaints, make use of this unequaled remedy. It can be relied upon, the mass of testimony that has been published since its introduction, being ample proof of its efficacy.

Deaths.

WOOD.—At the residence of Jno. H. Horsey, on Sunday night last, Miss Jane Wood, aged about 15 years.

WILLIAMS.—At his residence, near Johnson's X Roads, on Friday last, Mr. David Williams, at an advaned age.

KEMP.—At Potter's Landing, on the 3d ult., John Walter, son of Alfred and Lavinia E. Kemp, aged 9 months and 5 days.

We recently examined his Laboratory, and became fully satisfied that all his work is done in the best manner, by the most approved processes, and from the best materials, giving as a result a medicine meeting the confidence of the physicians and the public.

Koskoo Cures Scrofula in its Worst Form.

From A. W. MILLS, a prominent and well known merchant of Norfolk, Va.
Main St., Norfolk, Va., Sept. 15, 1869.

DR. LAWRENCE—Dear Sir: Your Koskoo has worked wonders in my family. My daughter has been a sufferer from Scrofula since childhood. She lost thirty one pieces of bone from her ankle, several from her arm, besides having ulcers in several parts of the body.—Whilst in this condition she commenced taking your Koskoo—*it acted like a charm on her; under its use the ulcers gradually healed, and her general health greatly improved.* It certainly saved her much suffering, and perhaps her life. I regard Koskoo a *specific* for all scrofulous affections. Your koskoo also cured my wife of dyspepsia, from which she suffered greatly.—*She is now in better health than she has been in five years.*

With the highest regards,
I am gratefully yours, &c.,
A. W. MILLS.

Koskoo is endorsed by the best physicians everywhere. Read the following from Dr. Tillery, a successful practitioner of many years standing in the Old North State:

Rocky Mount, Edgecombe Co., September 10, 1869.

DR. J. J. LAWRENCE—Dear Sir: I have used your Concentrated Fluid Extract of Koskoo in my practice with the *happiest results.* I find it to be a *powerful Liver Invigorator, Blood Purifier,* and *Nervous Tonic.* In all diseases of the Liver, Scrofulous Syphilitic, and Nervous Affections, *it is a remedy of immense value;* in fact in almost every variety of Chronic Diseases its use is indicated. Hoping you may meet with the success which you deserve as a manufacturer of *reliable* medicines, I am sir, with much respect,
Your obedient servant,

Koskoo Cures Chronic Rheumatism.

NORFOLK, VA., Sept. 7, 1869.

DR. J. J. LAWRENCE—Dear Sir: My son *has received so much benefit from your wonderful Koskoo* that I cannot refrain from expressing my gratitude. I had tried almost everything without benefit. I believe, in all sincerity, that your Koskoo is an INFALLIBLE remedy for the disease from which he has suffered, and, so far as I can learn, has never failed. If you only knew the immense amount of suffering that he has undergone, then you could *conceive the value of such a remedy as Koskoo*—THAT SURELY CURES. The great amount of good it is now doing among us is inestimable.

With much gratitude,
I am, respectfully yours, &c.,
Mrs. M. E. A. NELSON.

Read the following from Mr. Womble a prominent Hardware Merchant of this city:

No. 13 Market Square, Norfolk, Va., October 13, 1869.

Dr. LAWRENCE—Dear Sir: To the large number of testimonials which you offer of the great efficacy of your Koskoo, I take pleasure in adding my own. I suffered greatly with Nervous Debility, Headache, Loss of Appetite, &c. Two bottles of Koskoo, restored me to health. Yours truly,
J. G. WOMBLE.

After reading the above high recommendations, Invalids cannot reasonably hesitate to give the KOSKOO a trial.
