SCHOOL EXHIBITION.—The exhibition given by Ridgely public school at the M. E. Church, in Boonville, is said to have been a very creditable affair. The scholars performed the parts assigned them admirably, and elicited the highest encomiums of praise.— Great credit is due Mr. Swann, the teacher, through whose indefatigable exertions the affair was so well arranged.

FIRE AT BETHLEHEM.—A fire occured at Bethlehem on Saturday night last which resulted in the total destruction of Thos. C. Eaton's store, at that place, and its entire contents. How or where the fire originated is not known, and the first indication of its existence was the explosion of a can of powder in the store. Nothing was saved. The principal stock in trade was liquors, groceries, &c.

SERIOUS ACCIDENT.—Mr. Thomas Evernган, residing near Potters Landing, met with a very painful and serious accident on Tuesday. He was driving his ox team through the woods, when, by a mistep, he was caught between the wheel of the cart and a tree, crushing his head and hip pretty badly.— One ear was torn almost entirly off, it hanging merely by a shred of skin. At last accounts he was doing very well.

ELECTION OF OFFICERS.—The election of officers for Denton M. E. Sabbath School came off in the M. E. Church on Sabbath afternoon last. Rev. R. W. Todd was elected superintendent: Mrs. W. H. Downes and Mrs. Wm. T. Willis, assistant superintendents; N. A. Hutson, secretary and librarian, and J. W. Conner, treasurer. We believe it was also agreed upon to hold an exhibition as soon as the necessary preparations can be made.

I. O. G. T.—The regular Quarterly Association of the Good Templars of Caroline county will be held in Denton on Wednesday, the 27th inst., commencing at 10 o'clock, A. M. 4th, or Harmony, district—Matthew Patton.

5th, or Federalsburg, district—Albert N. Davis.

FIRE IN THE COUNTRY.—The dwelling house of Mr. Jas. E. Johnson, near Concord Church, was consumed by fire on Sunday last. The family had just sat down to dinner when the alarm was given. The quarter of the building in which the fire originated leads to the belief that it was communicated by the chimney. Being very dry, the house burned very rapidly, and only time was given to remove the furniture in the lower part of the house. A couple of stacks of fodder was also burned. Loss about $1.-500. No insurance.

COLLECTORS.—The County Commissioners, at their meeting on Tuesday, appointed the following named gentlemen as collectors of State and county taxes for the ensuing year:

1st, or Henderson, district—Saml. J. Jarman.

4th, or Harmony, district—W. E. Willoughby.

THE PENINSULAR FRUIT GROWERS' ASSOCIATION will meet in Dover on Tuesday, the 19 inst. The reports of the several standing committees will be made at this meeting, and in view of the prospect for a crop of peaches this year, there should be a full attendance, that unanimity of action may be secured in regard to whatever measure may be adopted for the protection of the interests of fruit growers. The committee on railroad transportation have a report to make in regard to the matter entrusted to them, an abstract of which has already appeared in this paper. Reports may also be expected on water transportation, baskets and consignments and sales.

### First District Items.

HENDERSON, April 9th, 1870.

*Mr. Editor:*—

When I last wrote I thought that the "Western fever" had subsided, but events since then have convinced me that I was wrong; for, on Tuesday morning last, there left Henderson station Messrs. Burtt, Patrick, Booker, Harrington, Hynson and Montague, the latter taking with him his two children. As usual they were of Republican sentiments, and I fear that this decrease may be felt at the coming election.

Weather has been very rough for the last few days, wind blowing from north-west, accompanied by alternate snow and rain storms. As you may suppose, speculation is rife as to whether the peach crop will be materially injured or not. The weather has prevented farmers from prosecuting their work, and there is but little going on at present.

News from Illinois, per letter from Capt. J. L. Clendenning, reports times as quite lively in that country. He is just taking a tour through the States of Indiana, Illinois, Missouri and Kansas. He informs us that wheat is worth from 60 to 75c per bushel; corn 35c; potatoes 25c, and green apples 40c; while flour can be bought for $4.00 per barrel. When last heard from he was in Clinton county, Illinois.

An election was held at Marydell, on Saturday, the 2nd inst., to vote "tax" or "no tax" for the public school. When the votes were counted, it was found that the citizens had voted no tax for their school. I am proud to say that this school was not in Maryland. It is a burning shame that in this, the 19th century, in the full blaze of intellectual attainment, that citizens are to be found so devoid of the claims of humanity as to vote down the public schools of our land. We really think that if they would go to school for a short time it would be better for them. Mr. Frank Dunn, I understand, is endeavoring to organize a school at Marydell, and I assure him that he has the best wishes of the people for his success.

### Smithville Items.

As Mrs. Job Willoughby was returning home from the "Bloomery," one day last week, her horse became unmanageable, and one of the reins breaking, it started off in a full run. Fortunately a man named McDowell was driving along the road ahead of Mrs. W. and succeeded in stopping her horse before any damage was done.

On Wednesday last, as Mr. Jas. Todd and lady was proceeding down the hill at the "Bloomery," their horse began to kick and continued to do so furiously until its legs became entangled in the wheel and threw it to the ground. The shafts and wheel were broken, and the carriage otherwise injured. Mr. and Mrs. Todd were also slightly hurt.

A little child, the parents of whom live along the Delaware line, one day last week, cut off one of its fore fingers at the first joint whilst at play in the woodyard where had been left an axe.

### Fowling Creek.

The debating society at this place closed its session of three months on the 2nd inst. The society has contributed greatly to the entertainment and edification of the community, and its meetings have been well attended. The officers are: President, W. H. Mobray; Judges, W. Nelson, J. A. Tribbitt; Secretary, J. Rumbold; Treasurer, S. Sparklin. Speakers, A. R. Wright, W. H. Valliant, J. Rumbold, T. F. Cox, J Duhadway, J. R. McNash, J. W. Waddel and J. Nichols.

### Leaders.

No house has done so much toward advancing the standard of Ready-Made Clothing as Wanamaker & Brown. They have compelled other establishments to improve their clothing, but still they keep the lead, having always the largest stock, the best goods, and the lowest prices.

THE MOST UNHAPPY PERSON in the world is the Dyspeptic. Everything looks dark and gloomy; he feels "out of sorts" with himself and everybody else. Life is a burden to him. This can all be changed by taking Peruvian Syrup (a protoxide of Iron.)— Cases of 27 years' standing have been cured by it.

### Deaths.

BOWDLE.—At his residence, on Thursday last, of consumption, Mr. Daniel T. Bowdle, aged about 45 years.

SMITH.—On the 19th of March, of pneumonia, Wm. Twiford, son of Artemus Smith, dec'd, aged 18 years, 2 months and 16 days.

### Commissioners' Notice.

THE County Commissioners will meet at their office, in Denton, on TUESDAY, the 12th day of April, and on every Tuesday thereafter until the 7th day of June next, inclusive, for the purpose of allowing all legal claims against the County, and other matters that may be required of them by law, after which time no further deductions, additions or allowances will be made by the Commissioners for the present year.
