The Editor's Hash.

—Garden corn is silking.

—Another show is coming.

—How was Sunday for hot?

—General harvest is at hand.

—The schools closed on Friday.

—Local news is exceedingly scarce.

—The flies are getting troublesome.

—Editors are the worst paid men living.

—Good cherries are a scarce article in this market.

—Country-made cheese has found its way to town.

—Mr. H. A. H. Mason will accept our thanks for a basket of new potatoes.

—Public expectation was on tiptoe last week over a double wedding which did not come off.

—Jas. F. Rowins, who has been clerking with C. F. & H. Turner, at St. Michael's, has returned to this county.

—*The New Life* is the title of a new paper lately started in Baltimore, but *No Life* would be an appropriate name for some of our Peninsular exchanges.

APPLES.—Mr. Elijah Towers sent us a few Red Astrachan apples, which were quite palatable, on Monday. He has our thanks.

FRIGHTENED BY SERENADERS.—Whilst Mr. Jno. Maloney was driving down Main Street on Monday evening, a crowd of boys started out to serenade a couple who had lately been married. Mr. M.'s horse taking fright began to kick and did not stop until it had kicked the dasher off the carriage, and inflicted some other slight injuries. Beyond this no damage was done. A basket of eggs was sitting in the foot of the carriage, but none were broken.

STRUCK BY LIGHTNING.—During the storm of Thursday week, the dwelling house on the farm of Geo. Bell, dec'd., was struck by lightning. The fluid passed down the chimney, shattered the weatherboarding and ceiling—demolished a clock and a lot of crockery-ware, and severely stunned a little colored child. The child has one arm remaining in a semi-paralytic condition.

—The barn of Mr. Saml. H. Fluharty, at Federalsburg, was also struck by lightning on Friday evening last, but did no damage further than the demolition of a few boards on the front end.

ORPHANS' COURT PROCEEDINGS.—The following was transacted by the Orphans' Court on Tuesday: Jno. W. Temple, administrator of Robt. Pippin, passed 2nd and final account of administration.

Andrew S. Green, administrator of Anthony Thomas, colored, passed 1st and final distribution.

Robt. J. Jump, guardian to Josiah Jump's children, presented annual valuation of real estate.

Warrant issued to Hy. Mobray and Jno. H. Willliams to re-value the real estate of Andrew M. Phillips, under the guardianship of Jno. H. Phillips.

A MIDNIGHT ALARM.—On Sunday night last a noise was heard in the meat house of one of our citizens, as if of burglars on a raid, which noise awoke the neighbors and caused them to hastily descend to the scene of the theft. Clubs were secured and the door cautiously approached and guarded until a light was brought, and then the door was opened that a descent might be made upon the burglars. But the wind from the door put out the light, when the door was shut with a slam and the guards assumed their defensive attitudes once more. The second attempt to enter was more successful, for this time the thief was captured. But imagine the surprise of the party when it was discovered that the thief was a hungry dog which had run its head into a large stone jar, containing grease, and being unable to extricate it, was running the jar against the sides of the house, creating as much noise as an old-fashioned flax-break. One of the party seized the dog by the hind legs whilst another firmly held the jar, and by hard pulling the thief was set at liberty. And thus ended what at first was thought would be a case for the county court.

CHOPTANK & NANTICOKE S. S. ASSOCIATION.—A sabbath-school association was formed at Hurlock's station, Dorchester county, on Monday last, with Rev. W. B. Gregg as President, and the usual corps of officers. The limits of the association, it is intended, shall not be bounded by State lines, but shall include all sabbath-schools, anywhere on the Peninsula, which may desire to unite with it. A 4th of July celebration will be held under the auspices of this association in the beautiful grove at Hurlock's, at which celebration it is hoped all sabbath-schools will send delegations.

A DIVISION.—Mr. Simeon N. West, appointed by Marshal Goldsborough to take the census of this county, finding that the work would be greater than he could perform in the time allotted, asked that an assistant be furnished him. Marshal Goldsborough at once complied with Mr. West's request, and deputized Mr. Wm. Stevens to assist in the work. The county is divided into districts, the mail road from Denton to Burrsville being the dividing line. All north of that road, together with that part of the county lying on the west side of the Choptank, constitutes Mr. West's district, and all south of the said mail road will be canvassed by Mr. Stevens. Each of these gentlemen are going their rounds, and expect to complete the work within the time specified.

CONSIDERABLE INTEREST is manifested in the lower part of this county and in the upper part of Dorchester over the proposed removal of the camp-meeting from Ennall's to Hurlock's station. Taking into consideration the beauty and adaptability to the purpose of the two groves and their approaches, Hurlock's is undoubtedly the best place. Here stand giant oaks of the primeval forest, affording excellent shade, and the ground can be laid out to any extent that may be desired. The proposed site is on a ridge, and is said to be one of the most beautiful places to be found on the Peninsula. The spring seems to be the only point of attractiveness at Ennall's, but equally as good water, it is thought, can be had immediately on the ground at Hurlocks's. The interest felt in this matter seems to be unusual, and we would not be surprised if the change is made.

The Great Medical Discovery!
DR. WALKER'S CALIFORNIA
VINEGAR BITTERS.

More than 500,000 Persons Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE
FANCY DRINK

Made of *Poor Rum, Whiskey, Proof Spirits, and Refuse Liquors*, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkeness and ruin, but are a true medicine, made from the native roots and herbs of California, *free from all Alcoholic Stimulents*. They are the *great blood purifier and life giving principle*, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters according to directions, and remain long unwell.

$100 will be given for an incurable case, provided the bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism, and Gout, Dyspepsia, or Indigestion, Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these *Bitters* have been most successful. *Such Diseases* are caused by *Vitiated Blood*, which is generally produced by derangement of the *Digestive Organs*.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores: cleanse it when you find it obstructed and sluggish in the veins: cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed.

In Billious, Remittent, and Intermittent Fevers these Bitters have no equal. For full directions read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.
