Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Tuesday, July 5th.

The Editor's Hash.

—Next Monday is the 4th of July.

—The days have reached their maximum length.

—The wheat-machines started out on Monday.

—The weather is warm and the roads dry and dusty.

—Berry-growers are now shipping their raspberries.

—The stores in Denton will be closed on the 4th prox.

—If you want to get a sure crop and a big yield, sow wild oats.

—Some valuable real estate is advertised at private sale in our columns.

—The mercury was 124 in the sun on Saturday. How is that for high?

—Garden vegetables in light soil are suffering greatly for want of rain.

—Dewberry shipments are increasing and are found to be quite profitable.

—Magistrates blanks on hand and for sale at this office for one dollar per quire.

—The Calloway land was purchased at public sale last week by Hy. C. Cooper, of Delaware, for $32 per acre.

—Robt. A. Nichols will have his hearse completed in a few days, and will then be ready to attend burials in any part of the county.

—We have been requested to extend an invitation to all ministers of the gospel and the public generally to attend the Concord camp-meeting, which begins on the 12th of August.

—The old M. E. Church and the small dwelling belonging to the M. E. Society in this town were sold to H. Blackiston last week, the former for $110, and the latter for $125.

CHANGED.—The time for the commencement of the Ennall's Spring camp-meeting has been changed from the 5th of August to the 29th of July, one week earlier than was at first announced.

EXCURSION TO LEWIS.—An excursion to Lewis, for the benefit of the M. E. Church, at Harrington, will be given on the 4th of July. This will afford an excellent opportunity for those wishing to visit the sea shore.

UNION CAMP-MEETING.—A camp-meeting, under the auspices of the M. E. Church of Talbot, Trappe and Hillsborough circuits, together with Easton Station, will be held in McNeal's Grove, near Easton, commencing on the 28th of July.

COURT.—The intermediate, or chancery, term of the Circuit Court begun its sittings in this town on Monday, and after a two days session adjourned. Very few people were present and but little business was transacted. His Honor Associate Judge Wickes presided.

I. O. OF G. T.—The quarterly association of I. O. of G. T., for this county, will meet at Pippin's Church, (or Henderson Lodge) on Wednesday, July 13th. A public meeting will be held at night, at which addresses, appropriate to the occasion, will be delivered. The public are invited to attend.

TEMPERANCE MEETING.—Chapel Lodge, I. O. of G. T., will hold a public meeting on Saturday evening, July 2nd, at Lee's Chapel. Addresses appropriate to the occasion, and exercises interspersed with singing.—Exercises to commence at 8 o'clock, P. M.—The public and members of the order are cordially invited to attend.

CAMP MEETINGS IN QUEEN ANNE'S.—The following camp meetings will be held in Queen Anne's county, this year, viz:

Centreville Station, M. E. Church, at Wye or Golden Run, to commence on Friday, August 5th.

Queen Anne's Circuit, M. E. Church South, near Busick's Church, to commence same day as Wye camp.

Sudlersville and Church Hill Circuits M. E. Church, at Coppage's Woods, on Friday, August 12th.

THE FOURTH.—Monday next is the anniversary of the Declaration of Independence. No preparations to celebrate it in this town have been made, but at Greensborough the Odd Fellows will hold a pic-nic, and at Hurlock's, a short distance below Federalsburg, the Choptank and Nanticoke Sabbath-school Association have arranged for a grand celebration. The public is invited to attend each of these celebrations, and those persons in this neighborhood who desire a pleasant time will repair to the one or the other.—We believe it is contemplated to take the M. E. Sabbath School of this town to Hurlock's.

ORPHANS COURT PROCEEDINGS.—We extract the following from the record of Tuesday last:

Letters of administration granted to Jno. W. B. Todd on the estate of David Todd.

Jno. R. Anthony, executor of Richard Norriss, presented inventory and appraisement of personal estate.

Jas. Melvin, executor of Saml. Olmstead, passed first account of administration.

Jesse Hubbard and Jas. W. Harris were appointed to appraise the annual rental value of the real estate belonging to Araminta Wright.

THE MAIL LETTINGS.—To-morrow the mail contracts, recently given out by the Government, go into operation, and for the first time since last December the post-office at Burrsville will be supplied with its mail by stage. Since the discontinuance of the Harrington mail route the people of Burrsville and vicinity have been getting their mail as best they could, and we now congratulate them upon the prospect ahead. Service is increased on the route between Federalsburg and Smithville from twice to three times a week, and this will prove a great accomodation to the people in that section of the county. These, we believe, are the only changes which the new lettings will effect.

DISCONTINUED.—The *Massachusetts* discontinued her trips to this place and the landings below on Saturday, but will resume them when the peach season arrives. But as the most of our fruit-growers have, years ago, found out that peaches command better prices in the Philadelphia, New York and other Northern markets, we imagine the business of the *Massachusetts* will not be very brisk even then, especially so since they see no disposition on the part of the Maryland Steamboat Co. to afford accommodations at other times. The completion of the Wilmington & Reading R. R. has opened new markets for our fruit, and we imagine fruit-growers will not be slow in finding it out. A liberal policy on the part of our railroads will insure them the almost undivided patronage of this section of the county. Now let them show their hands.

MAIL AGENT ARRESTED.—Andrew Stafford, mail agent between Baltimore and Philadelphia, was arrested on Thursday by E. R. Petherbridge, special mail agent, for robbery of the United States mail of letters and money. He was brought before United States Commissioner Rogers, and committed to jail in default of $10,000 bail to await the action of the grand jury of the United States District Court. The accused admitted his guilt.

—Since the above was put in type Mr. Stafford has had his trial, and was sentenced to three years imprisonment in jail. He pleaded guilty. The Court, in passing sentence, remarked upon the character of the crime, as also upon the fact of the traverser having a family, which should have deterred him from violating the law. The Judge stated that he would not impose a fine, which, as the traverser was without means, would amount to imprisonment for life.

THE JURIES.—At the conclusion of the June term of the court His Honor Judge Wickes drew the juries for the October term, as follows:

GRAND JURY.	PETIT JURY.
Simeon N. West,	Henry Blackiston,
Thomas Roe,	James Hall,

CAMP MEETING—A campmeeting will be held at Preston, under the auspices of the M. E. Church, beginning on the 5th of August. Preachers and people are cordially invited to attend.

In Memoriam.

At a meeting of the wardens and vestry of St. John's Parish, held on the 25th of June, the following preamble and resolutions relative to the death of JNO. W. ATKINSON, were unanimously adopted:

Whereas, It has pleased Almighty God, in His divine wisdom, to remove hence the spirit of our deceased brother, JOHN. W. ATKINSON, for a long time a member of the vestry of this parish,

Resolved, That, while we acknowledge with submission the inscrutable wisdom of Divine Providence, we feel deeply the loss which we, as a vestry, in common with the whole parish, have sustained in his early death.

Resolved, That we sincerely sympathise with his relatives and friends in thier hour of affliction.

Resolved, That these resolutions be published in the county papers. F. T. BASTON, Secretary.

MANY SUFFER rather than take nauseous medicine; and this is not to be wondered at, as the remedy is often worse than the disease. Sufferers from coughs, colds, influenza, sore throat or tendency to Consumption, will find in *Dr. Wistar's Balsam of Wild Cherry* a remedy as agreeable to palate as effectual in removing disease.

EXTREMES.—A prince and a pedlar may be equally well fitted out at Oak Hall. You can get there a coat for two dollars or a coat for sixty dollars.

Deaths.

EMERSON.—In Denton, on the morning of the 24th inst., Marion Clinton, son of J. Marion and Lizzie S. Emerson, aged 7 months and 24 days.

WILLIAMS.—On June 9th, 1870, Celona, beloved and only child of Levin W. and Sallie A. Williams, aged 6 months and 28 days.

Weep not for little Lona,
Her little spirit's fled;
She sweetly sleeps with Jesus
Among the silent dead.

Her little voice is hushed on earth,
But tuned to sweeter strains;
It swells the song the angels sing,
On Eden's blissful plains.

The Great Medical Discovery!
DR. WALKER'S CALIFORNIA
VINEGAR BITTERS.

More than 500,000 Persons Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

They are a gentle Purgative as well as Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving congestion, or inflamation of the liver and visceral organs.

For Female Complaints, whether in young or old, married or single, at the dawn of womanhood or the turn of life, these Tonic Bitters have no equal. Send for a circular.

THEY ARE NOT A VILE
FANCY DRINK

Made of *Poor Rum, Whiskey, Proof Spirits, and Refuse Liquors*, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkeness and ruin, but are a true medicine, made from the native roots and herbs of California, *free from all Alcoholic Stimulents*. They are the *great blood purifier and life giving principle*, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters according to directions, and remain long unwell.

$100 will be given for an incurable case, provided the bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism, and Gout, Dyspepsia, or Indigestion, Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these *Bitters* have been most successful. *Such Diseases* are caused by *Vitiated Blood*, which is generally produced by derangement of the *Digestive Organs*.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores: cleanse it when you find it obstructed and sluggish in the veins: cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed.

In Billious, Remittent, and Intermittent Fevers these Bitters have no equal. For full directions read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.
