Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Tuesday, July 26th.

The Editor's Hash.

—Green corn is now in season.

—Dog-days begun last Tuesday.

—The Talbot Court begins on the 25th inst.

—"H.'s" communication shall have a place in our next issue.

—A son of Mr. Peter Hignutt was bitten by a snake whilst at play on Monday last.

—Magistrates' blanks, not to be excelled by those printed in the city, can be procured at THE UNION office.

—Superintendent Caldwell is erecting a station-house on the South side of the Tuckahoe, at Hillsborough.

—The number of quarts of strawberries shipped from the Peninsula the last season is estimated at 780,624.

—The lumber for J. W. Bryant's new dwelling has arrived, and the work of its construction has been entered upon.

—The "Joe Anthony" farm, located in the 2d district, has been purchased at private sale by J. W. Bryant, Esq., of this town.

—The date of the commencement of the colored people's camp, in Joshua John's woods, has been postponed from July 29th, to August 19th.

—Out West they have a horse that chews tobacco. We have seen numerous balky ones in Denton that choose to back-o when they are wanted to go ahead.

—Mr. Jas. B. Steele sent us a very fine potato, of the Early Rose variety, on Tuesday. We do not know its weight, but believe it will be hard to beat of this year's crop of potatoes.

—Col. McCarter, of Federalsburg, has been invited to deliver a lecture on Kent Island for the benefit of the M. E. Church.—Tuesday evening next is the time appointed.

—An exchange says: "You might as well attempt to shampoo the head of an elephant with a thimbleful of soapsuds as to attempt to do business and ignore printer's ink."—That man's head is level.

SABBATH SCHOOL CONVENTION.—The Sabbath schools of Bridgeville (Del.) circuit hold a convention in Bridgeville to-day. Among the speakers is Rev. Col. McCarter, of this county.

ANOTHER NEW PAPER.—A private letter from Federalsburg informs us that a new paper is to be started in that town. When the first issue is to appear, or who is to conduct it, is not stated. We incline to the belief, however, that it will not lack a competent editor. Push on the enterprise.

W. D. N.—We exceedingly regret the lateness of the hour at which your printed slips were received. Our columns being nearly closed when they arrived we found it impossible to give them a place. We thank you, however, for the interest you seem to take in the THE UNION, and hope it will continue to increase.

HOUSE PAINTING AND PAPER HANGING.—Mr. Frank Fish gives notice by advertisement elsewhere of his readiness to prosecute the above business. He has located at Greensborough, where he can at all times be found when not engaged. Mr. Fish learned his trade under Hall & Furnese at Easton, than whom no better painters can be found on the Peninsula. This is a strong recommendation for Mr. Fish.

"BABES IN THE WOODS."—Jake Babes, whose arrest and imprisonment in the county jail, in default of bail, was noticed in our last issue, is at large and roaming in secluded dells, having made tracks unperceived on Friday last. Sheriff Richardson had set him to work in the back yard of the jail, for exercise, we presume, but Jake, not relishing such exercise, and fully aware of the restraints and lack of comfort attendant upon prison life, quietly laid down his "shovel and hoe" and sought unrestrained liberty elsewhere. And this is the "*Babes* in the woods" in reality.

ORPHANS' COURT PROCEEDINGS.—Jno. W. B. Todd, administrator of David Todd, presented inventory of personal property.

Jno. B. and Robt. D. Williams, executors of Wm. Williams, presented additional account of sales, list of sperate debts, interest account and first account of administration.

Geo. E. Price, administer of Geo. E. Williamson, presented list sperate debts and interest account.

Jno. W. B. Todd, administrator of David Todd, and acting guardian to Araminta Wright, presented annual valuation of the real estate belonging to said minor.

Jas. H. Holmes, administrator of Wm. Fluharty, passed final account of administration.

THE GOOD TEMPLAR.—We have received the prospectus of a new paper, to be devoted to the temperance cause, which is to be started at Preston, in this county, some time in August—Miss Emma J. Steele, editress, and J. F. Rowins, publisher. It is to be a monthly publication, and will be furnished to subscribers at the low rate of 50 cents per annum. We trust it will receive a liberal support.

AT LAST.—Mr. Jas. K. Saulsbury was last week appointed postmaster at Ridgely. For more than a year he has been acting postmaster at that place for the bondsmen of F. W. Ridgely, deceased and although frequent applications had been made, and several petitions sent on asking that Mr. Salusbury be appointed no attention was ever paid to them. The department even refused to send stamps to Mrs. S. because his name was not to be found on the books of the office, although the existing state of circumstances had been represented to the Department time and again. We suppose the change would not have been made yet had not certain parties in Baltimore recommended it.

—A colored man named Johnson was arrested a few days ago for committing a rape on a white married woman named Fletcher.—He was acquitted at the last term of the court from a similar charge, but since his arrest says he has done the like often. The husband of the injured woman was among the party who made the arrest, and desired to lynch him, but was deterred by better counsels.

The Great Medical Discovery!

DR. WALKER'S CALIFORNIA

VINEGAR BITTERS.

More than 500,000 Persons Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE

FANCY DRINK

Made of *Poor Rum, Whiskey, Proof Spirits, and Refuse Liquors*, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkeness and ruin, but are a true medicine, made from the native roots and herbs of California, *free from all Alcoholic Stimulents*. They are the *great blood purifier and life giving principle*, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters according to directions, and remain long unwell.

$100 will be given for an incurable case, provided the bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism, and Gout, Dyspepsia, or Indigestion, Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these *Bitters* have been most successful. *Such Diseases* are caused by *Vitiated Blood*, which is generally produced by derangement of the *Digestive Organs*.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores: cleanse it when you find it obstructed and sluggish in the veins: cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed.

In Billious, Remittent, and Intermittent Fevers these Bitters have no equal. For full directions read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.
