PERSONAL.—Geo. M. Russum, Esq., started yesterday on a visit to one of the watering places at the North—he was undetermined in his mind which when he took his departure.

REMARKABLE LONGEVITY.—Mr. William Stevens, Deputy U. S. Marshal to take the census for the lower half of this county, has unearthed two centenarians whilst in the discharge of his duty—Jane Hutson, familiarly known as "Jinnie Dublin," aged 116 years, and Ann Murray, aged 110 years.—The county records show that these are their true ages.

DELAWARE CONFERENCE.—The seventh annual session of the Delaware Annual Conference (colored) of the M. E. Church was in session at Cambridge last week. Bishop Levi Scott presided. We notice the following appointments by the Conference for this county, embraced in the Odessa district, Harrison Smith, Presiding Elder: Hillsboro', Asbury Grinnage; Friendship, Simon Taylor; Marydel, Phillip Kennedy; Greensborough, David Eaves; Denton, to be supplied.

DISMASTED.—We learn that the schooner *John Lank*, Capt Kemp, was dismasted by the wind on Wednesday last when off Sharp's Island on her way to Baltimore. A very violent wind sprung up, assuming the form of a whirlwind, and striking the sails, a part of which were up, twisted off the masts close to the deck. This report comes to us second-handed, but was reported to our informant by a person who purported to have been in the employ of Capt. Kemp at the time.

REMEDY FOR DIARRHŒA.—A physician on this peninsula has used the following remedy, for years, with unfailing effect. We publish it for the benefit of the many sufferers from sudden attacks of this distressing summer complaint: For an adult, two table spoonsful of whiskey, two tea spoonsful of paregoric, with as much sugar as they will absorb; adding a little water to make it more palatable. If relief is not felt, repeat the dose in two hours. It has never been known to fail.

ACCIDENT TO A HORSE.—A horse belonging to Mr. H. T. Wessels broke one of its legs on Saturday under the following circumstances: The horse had been harnessed to a dearborn preparatory to a drive, when, from some cause, it started off in a run and continued so to do until it reached Mr. Hignutt's gate, when its leg became entangled in the fence and in its efforts to extricate itself the leg was broken. Mr. Wessels is a new-comer into this county, having removed here some two or three years ago from the North.

THE GOLDSBORO' CAMP-MEETING.—On Saturday last the camp-meeting at Goldsboro' was begun. The encampment numbers between thirty and forty tents, larger than it was last year. A great many persons were present, and this number was swelled still larger by the arrival of an excursion train on the railroad of three crowded cars. Able sermons were delivered by eminent ministers on Sunday, and everything has passed off quietly, so far as we know.—Not being present ourself, and no one seeming to take sufficient interest in the matter to furnish us with a report, we are unable to give a detailed report of the meeting.

ARRESTED FOR SELLING LIQUOR.—Shortly after the arrival of the *Metamora*, on Sunday, one of the excursionists established himself near the encampment in Jump's grove for the vending of liquor, and began plying his vocation. Intelligence of his whereabouts being conveyed to the managers, they, headed by Sheriff Richardson, made a descent upon the offender, and arrested him when he least expected it. Being taken on the outskirts of the grove, Justice of the Peace Lowe was summoned, who ordered the discharge of the violator of the law provided he would go down to the boat and remain there during the remainder of the day. The prompt and efficient action of the managers in this case had, we doubt not, a salutary effect, for the camp was not again visited by venders of liquor.

THE COLORED PEOPLE'S CAMP.—The camp-meeting of the colored people in Jump's grove was begun on Sunday last. Quite a large crowd was in attendance on Sunday, increased larger than it otherwise would have been by the presence of an excursion, numbering some one hundred and fifty persons, from Baltimore. The attendance of white people was also large, and much interest seemed to be taken by them in the exercises. Bishop Wayman was on hand with more of his "big guns" from Baltimore, and the report which they made when "let off" was loud and telling. Good order has been maintained throughout the meeting thus far, and a deep religious feeling seems to pervade the colored people. During the evenings the attendance of the white people has been especially large, sometimes their number exceeding even that of the colored people themselves. The camp breaks to-day.

Letter from Federalsburg.

FEDERALSBURG, Aug. 1.

Ennall's Spring camp-meeting, on Sunday, was not so well attended as of yore. Rev. A. Cookman, of Wilmington, preached in the morning, and Rev. Mr. Martindale, of Snow Hill, in the afternoon.

A Camp Meeting Association is projected for the purpose of securing a wider interest, and having a larger gathering of the people on the Eastern Shore of Maryland. As it is, we have now not one where the people generally come together; and have to go across the bay, or into Delaware to see such a thing.

Hon. Curtis Davis is at home, ill with the dysentery. He has been sick a week, and to-day is not improving. We hope, however, to advise your readers of his speedy improvement.

Some one from our village has been preaching a little through your columns, and those of the *Journal*, on practical Christianity. That is rather an obsolete kind these days. Well, such preaching is not popular. Down here it has occasioned commotion. Specimens of the mean kinds of religion are furnished in every community. There are some in this, perhaps, and they are disturbed. Now, why can't "Anti-Imaginary" let them alone? Is not religion a prop to support respectability, and a last card to cheat Satan with on the death bed? Is it not an inward experience, which no one supposes has anything to do with the life? In olden times, when the Master lived, He preached that His religion was one exacting a morality exceeding that of "scribe and Pharisee;" a self-abnegation which took up the cross and *followed* him in the works of charity and mercy. One whole book of the New Testament is taken up with the "Acts" of good men; not one chapter in any book with "experience."

There are a thousand things to elevate or depress the feelings of the human heart: worldly gain, good health, or flattery on the one hand; adversity, dyspepsia or persecution on the other, and he who watches the fluctuations of his feelings and *experiences*, as the term is used, is like the man who watches his stomach in dyspepsia—the very act of watching is injurious. The better way is to eat wholesome food and occupy the man-muscle, or brain, or both with duties. The *unconscious* in intellect and in religious life—thoughts and acts done from mental or religious impulsion—are alone worth anything. "If ye *love* me, keep my commandments"—the keeping will be proclamation of love, a telling of experience and to this telling the world will listen.

ALPHA.

—Denton bridge is being repaired.

RAGGED CURRENCY.—It is reported from Washington that there is an abundance of new fractional currency in the Treasury to replace all the ragged tickets that have become such a nuisance. Why will our merchants still continue to issue and re-issue the patched and tattered rags that now almost exclusively supply the place that should be filled by new, clean notes?

LIFE HAS FEW CHARMS for the Dyspeptic, which is not to be wondered at when we take into the account the amount of bodily and mental suffering that this distressing malady generates. The Peruvian Syrup (a protoxide of iron) has cured thousands who were suffering from this disease.

RATIO.—Everybody knows that it is cheaper to do a big business than a little one. The man who does a million is under far less expense, comparatively, than the one who does only a hundred thousand. One reason why Wanamaker & Brown undersell everybody is that they do a business so much larger than any one else.

While Oak Hall is the *Largest* Clothing House in America it is a plain, unpretending and comparatively inexpensive building, costing no more than many other houses whose costly material and fancy work are in the place of large and commodious salerooms.

Deaths.

PIPPIN.—On June 30th, of consumption, Mrs. Jane Pippin, wife of James Pippin, aged 58 years.

MASON.—On the 8th ult., J. Howard, son of J. H. and N. Mason, aged 1 year, 10 months and 2 days.

Howard has gone, but to that land
Far more better, and above;
Gone from a world of care and woe
Into a world of love.

But, now, indeed, his merry laugh
Will ne'er be heard to ring,
For he has gone to heaven,
With angels there to sing. E.

Ten years of hard work and hard knocks, have organized in Philadelphia the largest and most complete Clothing House in America, if not in the

WHOLE WORLD.

By constant endeavors, we have avoided all the old ruts and antiquated methods of the trade, until now Oak Hall is universally acknowledged to be

AN EXCEPTION

The Reasons are:—

1. We have built a house for our business, covering nearly half an acre.
2. Instead of wedging it in between other buildings, making it dark, and obscuring the goods, it is built on a corner of three streets, and any one may count in it 251 windows.
3. We employ skilled workmen, One Hundred and Fifty of whom may be seen under our roof by any one having time and curiosity to visit our Establishment, and besides these, 1400 to 1800 sewers are employed at their own homes.
4. We make up no imperfect goods.
5. We thoroughly sponge and shrink ALL our goods.
6. We purchase our goods at first hands, in large lots,—sometimes in bills of over $100,000 at one time.
7. We set our faces against every species of unfair dealing, and will dismiss any employee in any way guilty of it.
8. We have such enormous sales that we are content with a profit far below the trade margin.
9. We warrant all our goods, and will give every possible guarantee to purchasers at Oak Hall.

The above are facts that no one can truthfully dispute, as the examination we so cordially invite, will fully prove.

We ask the encouragement and support of all classes of people, feeling sure that in establishing in Philadelphia the

Largest Clothing House in America,

We enlist the patronage of all who are interested in the prosperity of our Commonwealth

Great Medical Discovery!
Dr. WALKER'S CALIFORNIA
VINEGAR BITTERS,
Hundreds of Thousands Bear testimony to their wonderful Curative Effects.
WHAT ARE THEY?

THEY ARE NOT A VILE
FANCY DRINK,
Made of Poor Rum, Whiskey, Proof Spirits, and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics" "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying out all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters, according to directions, and remain long unwell.
$100 will be given for an incurable case, providing the bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.
For Inflammatory and Chronic Rheumatism, and Gout, Dyspepsia, or Indigestion, Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.
They invigorate the stomach, and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.
Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Copious Discharges of Urine, Pain in the regions of the Kidneys, and a hundred other painful symptoms which are the offsprings of Dyspepsia, are cured by these Bitters.
Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.
PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed.
For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French, and Spanish.
