The law relative to Sheriff sales leaves it optional with the parties about to be sold up in which paper their property shall be advertised. Those wishing their property advertised in THE UNION will please so notify the Sheriff.

Town and County Intelligence.

THE Orphans' Court for Caroline county will meet in special session on Tuesday, 13th day of September.

THE Committee appointed to inspect the M. E. Personage in this place have reported that $80 is necessary to properly re-furnish it, and the sum of $21.50 is the apportionment for this appointment. This is a small sum and should be raised without much effort.

APPOINTED.—Under the direction of the central committee a meeting of the colored people of the second election district was held at Boonsboro,' to appoint a colored man to see to the registering of the colored people. Isiah H. Bayne was selected as the proper person to perform the duty.

SURGICAL OPERATION.—Mr. Thos. Glark, whose fingers were injured by the falling of a stick of wood, while engaged in loading a schooner at Potter's Landing, on the 23rd inst., had the injured parts amputated on Wednesday. Efforts were made to save them without recourse to the knife, but the injury was of such a character as to demand the interposition of operative surgery. The operation was performed by Drs. Tarr and Straughn of this place.

Capt. Wm. T. Willis, Jas. G. Redden and Col. R. C. Carter have entered into a partnership in the freighting and forwarding business at this place, and have purchased the schooner "Royal Oak," of Messrs Satterfield & Moore, of Greensborough, for the carrying of freights of all kinds between the Choptank river and Baltimore. This is a strong and reliable firm—they are men of character and standing and freighters need have no fears of unfair dealings.

ORPHANS' COURT PROCEEDINGS.—Capt. John Gardner, guardian to I. T. W. Harris, passed 1st, 2nd and 3rd account.

Samuel Nichols, executor of Senah Nichols, deceased, presented inventory and appraisement. Passed, and order to sell granted.

On application of Mary C. Greenly, executrix of Mary Greenly, deceased, the Court granted an order to sell the personal estate of said dec'd.

RESPITED.—Geo. Harris, convicted in the Circuit Court of Cecil County for the murder of Russum, and sentenced to be hung on Friday last, has been respited by Gov. Bowie until the 25th of November next. A large crowd had assembled to witness the execution and every preparation had been made by the Sheriff to enforce the sentence of the law, but just as the culprit was being brought from his cell a respite was received and a gaping crowd relieved of the horrifying spectacle of seeing a fellow mortal "dangling in the air." The Governor, instead of respite, should have commuted his sentence to imprisonment for life.

TURBINE WATER WHEELS, ENGINES, &c.—In inviting attention to the card of Messrs. Poole & Hunt, Engineers and Founders, of Baltimore, notice is especially called to their celebrated "Leffel's American Double Turbine Water Wheel," which has established by its superior qualities a national reputation. Some idea may be had of the favor this Water Wheel has found, from the fact that there are now about five thousand in operation.

Messrs. Poole & Hunt are besides thorough Engineers and Founders, and have unsurpassed facilities for supplying everything in their line, including Steam Engines, Flour, Grist and Saw Mill Machinery, Shafting, Pulleys, &c.

A MUCH NEEDED IMPROVEMENT.—We are pleased to see that our county Commissioners have awoke from their Rip Van Winkle sleep and this week put a force of workmen upon Denton Bridge to put it in thorough repair. The draw was removed on Monday last, and although placing the travelling public to much inconvenience for two days, it is now in perfect order; works well; is no detention to either footman, horsemen or teams. There is now no danger of the old rickety thing giving way and precipitating horse and rider into the stream below. The Bridge is all right now, and the county Commissioners deserve the thanks of this community for this improvement. We hope this causeway, leading from the Bridge to town, will not be much longer neglected.

Deaths.

BURGESS.—At his residence in Church Hill, on Sunday 28th, of August, Mr. George T. Burgess, former Sheriff of Queen Anne's county, aged about 44 years.

PACA.—At Wye Hall, Queen Anne's county, on Wednesday 31st of August Col. Wm. B. Paca, in the 70th year of his age.

Marriages.

NICHOLS—EDGELL.—On the 1st inst., at the residence of Rev. J. L. Kenney, near New Hope, by Rev. James. T. Kenney, Mr. Thos. H. Nichols to Miss Emily Edgell, both of this county.

Pacific Guano,

Improved in

QUALITY AND CONDITION.

The quality of this Guano is materially improved this season by the addition to its composition of a large per cent. of the

Salts of Potash.

It is improved in condition by being brought into market sufficiently dry and uniformly fine to pass with *facility* and *regularity* through the orifices of the

WHEAT DRILL.

More than $1,000,000 is involved in the production of this Guano, and the trade in it has steadily increased, until now it far exceeds that of any other fertilizer.

The Pacific Guano Company has a far greater interest in the maintenance of the *quality* of its Guano than any number of *consumers* can have; hence no apprehension need exist as to its *continued excellence.*

THIS PARAGRAPH ALONE MAY SAVE YOU

THE Subscription Price OF THIS PAPER For a Whole Year.

Ten years of hard work and hard knocks, have organized in Philadelphia the largest and most complete Clothing House in America, if not in the

WHOLE WORLD.

By constant endeavors, we have avoided all the old ruts and antiquated methods of the trade, until now Oak Hall is universally acknowledged to be

AN EXCEPTION

The Reasons are:--

1. We have built a house for our business, covering nearly half an acre.
2. Instead of wedging it in between other buildings, making it dark, and obscuring the goods, it is built on a corner of three streets, and any one may count in it 251 windows.
3. We employ skilled workmen, One Hundred and Fifty of whom may be seen under our roof by any one having time and curiosity to visit our Establishment, and besides these, 1400 to 1800 sewers are employed at their own homes.
4. We make up no imperfect goods.
5. We thoroughly sponge and shrink ALL our goods.
6. We purchase our goods at first hands, in large lots,--sometimes in bills of over $100,000 at one time.
7. We set our faces against every species of unfair dealing, and will dismiss any employee in any way guilty of it.
8. We have such enormous sales that we are content with a profit far below the trade margin.
9. We warrant all our goods, and will give every possible guarantee to purchasers at Oak Hall.

The above are facts that no one can truthfully dispute, as the examination we so cordially invite, will fully prove.

We ask the encouragement and support of all classes of people, feeling sure that in establishing in Philadelphia the

Largest Clothing House in America,

We enlist the patronage of all who are interested in the prosperity of our Commonwealth
