Town and County Intelligence.

THE Orphans' Court for Caroline county will meet in regular session on Tuesday, 27th day of September.

THE CHILLS are very prevalent in this locality. We hope they will not increase with the season.

HENRY R. TORBERT was in town on Tuesday and addressed the colored people at their school house in the evening.

THE NEW BOAT in process of construction at the bridge is rapidly approaching completion. We learn she will be ready to launch in a few weeks.

DENTON BRIDGE has been repaired by the addition of a new floor to the draw and an improvement in the railway. The broken railing has also been repaired.

P. T. KENNARD, one of the most promising young lawyers of the Easton bar, died of congestion of the bowels on Wednesday of last week. He was in his 33rd year.

CRYSTAL FOUNT LODGE, I. O. G. T., of Denton, has purchased the regalia which was formerly used by Ruthsburg lodge, in Queen Anne's. The latter lodge has expired.

RAIL BIRDS.—These birds are said to be plentiful on our marshes this season, and sportsmen have already begun to shoot them. They are, however, in very poor condition to shoot, and should be left alone for a few weeks.

I. O. G. T.—All members of Crystal Fount Lodge, No, 8, I. O. G. T., are requested to be present at the meeting to be held to-morrow evening. Business of importance will be submitted for the consideration of the lodge and all are requested to be present.

FREE SCHOLARSHIP IN THE BALTIMORE FEMALE COLLEGE.—Miss Mollie Fountain, daughter of the late Jas. H. Fountain, has been appointed to fill the vacant free scholarship to which this county is entitled in the Baltimore Female College.

THE COLORED PEOPLE of this county are making extensive preparations for a grand celebration to come off in this town in a few weeks. They expect to have a brass-band from Baltimore, and are arranging for some of the most talented speakers in the State.

PRIVATE SCHOOL.—Miss Allie D. Newman, who, last year, was assistant teacher in Denton Academy, will open a private school in this town about the 1st of October. Miss Newman enjoys the reputation of a good teacher, and we hope she will be liberally patronized by the citizens of Denton and vicinity.

THE FREEMAN'S JOURNAL.—A Republican paper has been started in Chestertown, Kent County, by R. Clay Crawford, who is its editor and proprietor. The Journal presents a neat typographical appearance, and its editorials are spirited. We extend the right hand of fellowship to friend Crawford, and not only welcome him into the editorial family, but congratulate the party in Kent upon securing such an able expounder of Republican principles.

ORPHANS' COURT PROCEEDINGS.—Robert H. Smith, administrator of Thos. Webster, passed list of sperate debts, interest account, 1st account of administration, and 1st distribution.

Richard C. Carter, administrator of John A. Roe, passed final distribution upon the personal estate.

Upon the recommendation of the County School Board, the Court appointed Miss Mary E. Fountain, daughter of the late Jas. H. Fountain, to fill the vacancy in the scholarship of the Baltimore Female College, under the supervision of N. C. Brooks.

APPLE PARERS, of a new and improved style, for sale at Ridgely by
JAS. K. SAULSBURY.

THIS PARAGRAPH ALONE MAY SAVE YOU

THE **Subscription Price OF THIS PAPER For a Whole Year.**

Ten years of hard work and hard knocks, have organized in Philadelphia the largest and most complete Clothing House in America, if not in the

WHOLE WORLD.

By constant endeavors, we have avoided all the old ruts and antiquated methods of the trade, until now Oak Hall is universally acknowledged to be

AN EXCEPTION

The Reasons are:--

1. We have built a house for our business, covering nearly half an acre.
2. Instead of wedging it in between other buildings, making it dark, and obscuring the goods, it is built on a corner of three streets, and any one may count in it 251 windows.
3. We employ skilled workmen, One Hundred and Fifty of whom may be seen under our roof by any one having time and curiosity to visit our Establishment, and besides these, 1400 to 1800 sewers are employed at their own homes.
4. We make up no imperfect goods.
5. We thoroughly sponge and shrink ALL our goods.
6. We purchase our goods at first hands, in large lots,--sometimes in bills of over $100,000 at one time.
7. We set our faces against every species of unfair dealing, and will dismiss any employee in any way guilty of it.
8. We have such enormous sales that we are content with a profit far below the trade margin.
9. We warrant all our goods, and will give every possible guarantee to purchasers at Oak Hall.

The above are facts that no one can truthfully dispute, as the examination we so cordially invite, will fully prove.

We ask the encouragement and support of all classes of people, feeling sure that in establishing in Philadelphia the

Largest Clothing House in America,

We enlist the patronage of all who are interested in the prosperity of our Commonwealth

LOBSTEIN'S
QUINTESSENCE OF
Jamaica Ginger.

This much esteemed and truly valuable preparation is warranted to possess, in a concentrated form, all the active properties of pure white Jamaica Ginger (the best variety.) Thus prepared, the Quintessence will be found, on trial, an excellent Family Medicine at home or abroad, being put up in a very portable form. It is unequalled in purity and strength, and superior to any Ginger in the market.

An admirable remedy for Indigestion, Flatulence, Colic, Cramp and Dyspepsia; an excellent Tonic to persons recovering from fever and other diseases; for a languid or depraved condition of the system during the summer months, and, in southern climates, it will be found invaluable, deserving the favor of travelers as a preventive and dispeller of Sea-sickness, Nervous Headache, Giddiness and Exhaustion arising from excessive fatigue or heat; also, preventing the deleterious effect so often caused by a change of water or diet. The Inebriate, who wishes to reform, will find in this a most valuable aid, as it allays the craving desire for liquor, giving tone to the digestive organs, and strength to resist temptation.

SOLUBLE
Pacific Guano,
Improved in
QUALITY AND CONDITION.

The quality of this Guano is materially improved this season by the addition to its composition of a large per cent. of the

Salts of Potash.

It is improved in condition by being brought into market sufficiently dry and uniformly fine to pass with *facility* and *regularity* through the orifices of the

WHEAT DRILL.

More than $1,000,000 is involved in the production of this Guano, and the trade in it has steadily increased, until now it far exceeds that of any other fertilizer.

The Pacific Guano Company has a far greater interest in the maintenance of the *quality* of its Guano than any number of *consumers* can have; hence no apprehension need exist as to its *continued excellence*.
