Town and County Intelligence.

THE Orphans' Court for Caroline county will meet in regular session on Tuesday, 27th day of Septem-ber.

The Editor's Hash.

—The evenings feel very cool and frosty.

—The days are growing perceptibly shorter.

—Apple cuttings are becoming quite popular.

—The peach crop will end with the present week.

—Some of our farmers have begun to seed their wheat

—The drouth has interfered greatly with fall plowing.

—A veterinary surgeon is stopping in town for a few days.

—The bridge over Chapel branch is in a very dilapidated condition.

—The colored vote of this election district will be about three hundred.

—The October term of the Court will begin on Monday, the 3d of October.

—Coon hunting is quite a popular diversion with our young men of an evening.

—Vegetation is starting afresh under the gentle showers of Saturday and Sunday.

—The colored people have moved the old Church to their lot, piece by piece, and are rapidly putting it together again.

—The *Kent* supplies the place of the *Champion*, on the Choptank route, which boat has been placed upon the Annapolis route.

—The freight train with passenger car attached is now running on its old time, leaving Easton at 10.30, A. M., and Ridgely at 11.35, A. M.

DEATH OF SUMMER.—The requiem is heard in the sighing zephyrs, in the dying roses and the departing blooms. Soon the russet robe of grey and brown will cover all, and Winter, furred and frosty, will lift his icy wand and chill the world.

BOAT LAUNCH.—The new vessel upon the stocks at the lower wharf will be committed to the element for which it is designed on Thursday next, at 10 o'clock, A. M. A number of very pretty launches have taken place from this wharf in the past few years, and we presume this one will be nothing inferior to the others. A cordial invitation is extended to all who may desire to see it to be present.

ROBBERY.—The station house at Hillsborough was entered and robbed on Friday night last. The thieves effected an entrance by a side window. We learn that a package of patent medicine was stolen, and that Mr. Tate F. Barton's trunk, which had been deposited in the building that night upon the arrival of the down train, was broken open and robbed. A gold watch, valued at $175, was stolen. No clue has been obtained to the perpetrators of this robbery.

AMENDMENT CELEBRATION.—The colored people of this town and vicinity are arranging for a celebration in honor of the final ratification of the XVth Amendment to come off in Denton on the 20th of next month.—They purpose that this celebration shall be the largest yet held in this Congressional district. Arrangements have been perfected for a brass band, and there is some talk of two. We hear, two, that a steamboat will make an excursion from Baltimore on that day. Hy. R. Torbert, R. Stockett Matthews, and other distinguished speakers will be present.

REGISTERING THE COLORED VOTERS.—On Monday the work of registering the colored voters was begun, and was completed within the time allotted for that purpose by law. In this district two hundred and thirteen were registered the first day—more than two-thirds of the newly enfranchised. No obstacle was interposed to prevent a full register, so far as we know, and everything passed off very quietly. There were no disturbances of any kind, and after being registered the colored people returned to their homes. This augurs well for a quiet election, which we trust we shall have.

DISTURBANCE AT EASTON.—Reports were in circulation in town on yesterday that a serious encounter had occurred between the white inhabitants of Easton and the colored people, on the Monday previous, in which guns, pistols and knives were freely used.—The report states that the affair had its origin among the colored people themselves, and that, upon the interference of the deputy sheriff, the colored people turned upon him, when the whites went to his rescue.—We very much question the truth of this report, inasmuch as a citizen of this town was in Easton until a late hour on Monday, and he is ignorant of any such affray.

A FARMER'S CLUB.—A meeting will be held at the Court House on Saturday afternoon next, at 4 o'clock, to organize a farmer's club for this district. A full attendance of the farmers is desired to the end that the organization may be put in a thorough and efficient working order at once. An invitation, however, is extended to all citizens of the county to be present and unite themselves with the club.

We have heretofore noticed at length the advantages which such an organization will afford, and we deem it unnecessary that we should repeat them here. Every one seems fully impressed with the importance of the club, and we hope every one will be present on Saturday. This club is for the especial benefit of the farming community and we assure our farmers that it will be well for them to avail themselves of its benefits. Then come out on Saturday and help organize the club.

—Jos. M. Satterthwaite, of this town, started for Kansas yesterday morning. He expects to make that State his future home.

Marriages.

SMITHERS—SAXTON.—On the 15th inst., at the Hillsborough M. E. Parsonage, by Rev. Wm. R. McFarlane, Wm. H. Smithers, Esq., and Miss Josephine Saxton, both of Talbot county.

APPLE PARERS, of a new a and improved style, for sale at Ridgely by

JAS. K. SAULSBURY.

THIS PARAGRAPH ALONE MAY SAVE YOU

THE Subscription Price OF THIS PAPER For a Whole Year.

Ten years of hard work and hard knocks, have organized in Philadelphia the largest and most complete Clothing House in America, if not in the

WHOLE WORLD.

By constant endeavors, we have avoided all the old ruts and antiquated methods of the trade, until now Oak Hall is universally acknowledged to be

AN EXCEPTION

The Reasons are:--

1. We have built a house for our business, covering nearly half an acre.
2. Instead of wedging it in between other buildings, making it dark, and obscuring the goods, it is built on a corner of three streets, and any one may count in it 251 windows.
3. We employ skilled workmen, One Hundred and Fifty of whom may be seen under our roof by any one having time and curiosity to visit our Establishment, and besides these, 1400 to 1800 sewers are employed at their own homes.
4. We make up no imperfect goods.
5. We thoroughly sponge and shrink ALL our goods.
6. We purchase our goods at first hands, in large lots,--sometimes in bills of over $100,000 at one time.
7. We set our faces against every species of unfair dealing, and will dismiss any employee in any way guilty of it.
8. We have such enormous sales that we are content with a profit far below the trade margin.
9. We warrant all our goods, and will give every possible guarantee to purchasers at Oak Hall.

The above are facts that no one can truthfully dispute, as the examination we so cordially invite, will fully prove.

We ask the encouragement and support of all classes of people, feeling sure that in establishing in Philadelphia the

Largest Clothing House in America,

We enlist the patronage of all who are interested in the prosperity of our Commonwealth

LOBSTEIN'S

QUINTESSENCE OF

Jamaica Ginger,

This much esteemed and truly valuable preparation is warranted to possess, in a concentrated form, all the active properties of pure white Jamaica Ginger (the best variety.) Thus prepared, the Quintessence will be found, on trial, an excellent Family Medicine at home or abroad, being put up in a very portable form. It is unequalled in purity and strength, and superior to any Ginger in the market.

An admirable remedy for Indigestion, Flatulence, Colic, Cramp and Dyspepsia; an excellent Tonic to persons recovering from fever and other diseases; for a languid or depraved condition of the system during the summer months, and, in southern climates, it will be found invaluable, deserving the favor of travelers as a preventive and dispeller of Sea-sickness, Nervous Headache, Giddiness and Exhaustion arising from excessive fatigue or heat; also, preventing the deleterious effect so often caused by a change of water or diet. The Inebriate, who wishes to reform, will find in this a most valuable aid, as it allays the craving desire for liquor, giving tone to the digestive organs, and strength to resist temptation.

SOLUBLE

Pacific Guano,

Improved in

QUALITY AND CONDITION.

The quality of this Guano is materially improved this season by the addition to its composition of a large per cent. of the

Salts of Potash.

It is improved in condition by being brought into market sufficiently dry and uniformly fine to pass with *facility* and *regularity* through the orifices of the

WHEAT DRILL.

More than $1,000,000 is involved in the production of this Guano, and the trade in it has steadily increased, until now it far exceeds that of any other fertilizer.

The Pacific Guano Company has a far greater interest in the maintenance of the *quality* of its Guano than any number of *consumers* can have; hence no apprehension need exist as to its *continued excellence*.
