SOME PUMPKINS.—Mr. Jos. B. Orrell, of Greensborough, has raised two pumpkins this year which weigh respectively 102 and 104 pounds.

SALE OF A STAGE ROUTE.—Mr. David Smith, contractor, has sold out the mail route between Denton and Preston to Mr. Geo. W. Sullivan. Service on that portion of the route between Denton and Potter's Landing has been increased to six times a week.

CORRECTION.—We were in error last week in stating that the large apples noticed were the gift of Mr. J. W. Bradley. It should have been Mr. W. S. Bradley. He will, of course, consider the acknowledgement as tendered to him. They were of the Pound variety.

APPOINTED.—Mr. Enoch George, of this town, has been appointed to fill the scholarship in the Maryland University for this county, created by the Legislature at its late session. Mr. George is a deserving young man, and his appointment will be universally satisfactory.

THE BOAT LAUNCH.—The boat launch on Thursday was, in every respect, a complete success. At the appointed hour the boat glided gracefully from the ways into the river, amid the huzzas of those on board and the crowd of spectators on the shore. She is a model of beauty and sits most gracefully in the water. Her name is the Arrow.

THE ORPHAN'S COURT.—Very little business of importance was transacted by this court on Tuesday. We note the following:

R. J. Jump was appointed guardian to Risdon E. and Chas. A. Fountain, orphan children of the late Jas. H. Fountain.

Chas. W. Jefferson, executor of Ennalls Dickinson, presented inventory of personal estate.

BADLY TRAMPLED.—A little five-year-old son of Mr. Thos. Roe was severely but not dangerously hurt on Monday last by being run over and trampled upon by a horse.—The little boy had been sent ahead to open a gate for his father, who was gearing the horse, but before the animal was harnessed to the vehicle, it started off in a run, and seeing the boy in the lane made directly for it and run over him, bruising his head and nearly severing a portion of one ear with its hoof.

STAMPS.—On and after October 1st, 1870, no receipt, whatever the amount, and no note for less than $100, will require a stamp. But checks of all amounts are to be stamped, as heretofore, with a two cent stamp, except checks given by a person on himself, or checks drawn by an officer of a bank upon the bank of which he is an officer. In the latter cases the check should be stamped as a promissory note if it is of the amount of $100 or in excess thereof.

SUSSEX OUTDONE.—The *Record*, published at Seaford, Del., was rejoicing some weeks ago over what it claimed to be, and which were, at the time, the largest sweet potatoes noticed on the Peninsula. We must be permitted, however, to state that Sussex has been outdone in a sweet potato grown in this town. It measures 21½ inches in circumference and weighs 5 pounds. We challenge Sussex, or any county on the Peninsula, to excel this potato. It was grown by Mr. Wm. Fell, proprietor of the Lapierre house.

NEW DAILY MAIL.—On Monday last the times of service on the mail route between Denton and Potter's Landing were increased from tri-weekly to daily service, arriving and departing in accordance with a schedule previously adopted. On Tuesdays, Thursdays and Saturdays the stage leaves Denton as heretofore—at 4 o'clock, A. M.—but on Mondays, Wednesdays and Fridays it leaves Denton immediately upon the arrival of the mail from Ridgely. We know not at whose instance this change was made, but learn that it does not meet the approbation of some of the citizens of Potter's Landing. It is alleged that the mail is only delivered at that office a few hours in advance of what it has been by the tri-weekly route and at an hour in the day which is too late to benefit only a very few people. This difficulty, it seems to us, might be obviated by an entire change of the schedule, causing the mail to depart from Denton either every morning or every evening.

LITTLE BY LITTLE.—Little by little the printer pays out his money. A little for a press, a little for type, a little for paper, a little for rollers, a little for ink, a little for help, a little for rent, a little for wood, a little for this and a little for that; but continually a little, never stopping, a constant drain. Little by little printer's bills accumulate. A owes a little for subscription; B owes a little for advertising; C owes a little, and D owes a little, on clear through the alphabet and back, and through again and many times over. A neglects his bill, B does not settle his, C thinks his but a trifle and not needed, so on down the list. Little by little the money goes out, and not even a little comes in, until finally the poor printer's resources are all exhausted, and down he goes into the gulf of despair, while over his head floats his hundreds of unpaid dues; but he grasps at them in vain—they afford no help. Reader do you owe a bill to the printer?—PAY IT.

BE WISE TO-DAY.—'Tis madness to neglect a cough or cold, however slight. Consumption may follow, and though *Dr. Wistar's Balsam of Wild Cherry* has frequently cured this much dreaded disease, it almost invariably cures the primary diseases of the throat, lungs and chest, where other remedies fail.

The Farmers' Club.

ITS COMPLETE ORGANIZATION.

The Farmers' Club was fully organized on Saturday by the election of permanent officers and the adoption of a constitution and by-laws for its government. Alex. P. Sorden was elected President; J. W. Bryant, Treasurer; J. W. Kerr, Corresponding Secretary, and J. M. Emerson, Recording Secretary. A vice-President, as also an executive committee for each district, was reported by the committe, but the publication of their names is deferred until they have accepted.

The association is styled "The Farmers' Club of Caroline County."

The constitution and by-laws adopted are admirably suited for the government of the club, and will be found to be efficient in its management.

Any person having received a majority vote, may unite themselves with the association by signing the constitution and paying into the treasury the sum of one dollar as an initiation fee and the further sum of one dollar, payable semi-annually in advance.—These are the only requisites to membership, and we sincerely trust all our farmers will become members.

The next meeting of the club will be held in Denton on the last Saturday in the present month (the 29th).

Since Mr. Wanamaker enlarged his great Oak Hall, and made it the largest Clothing House in America, popular favor has set in with redoubled force. People stop as they pass to look in upon the busy throng, and marvel at the great success. But the secret all lies in the two words—"Cheapest" and "Best."

Marriages.

PIPPIN—McCONNOR.—At the residence of Wm. K. Boyle, Baltimore, on Thursday, Sept. 22nd, by the Rev. Wm. K. Boyle, Mr. Levi Pippin to Miss Clara McConnor, both of Queen Anne's county.

Deaths.

ATKINSON.—On the 27th ult., Kelley, oldest son of Dr. E. E. and Elizabeth Atkinson, in the 13th year of his age.

LOBSTEIN'S

QUINTESSENCE OF

Jamaica Ginger.

This much esteemed and truly valuable preparation is warranted to possess, in a concentrated form, all the active properties of pure white Jamaica Ginger (the best variety.) Thus prepared, the Quintessence will be found, on trial, an excellent Family Medicine at home or abroad, being put up in a very portable form. It is unequalled in purity and strength, and superior to any Ginger in the market.

An admirable remedy for Indigestion, Flatulence, Colic, Cramp and Dyspepsia; an excellent Tonic to persons recovering from fever and other diseases; for a languid or depraved condition of the system during the summer months, and, in southern climates, it will be found invaluable, deserving the favor of travelers as a preventive and dispeller of Sea-sickness, Nervous Headache, Giddiness and Exhaustion arising from excessive fatigue or heat; also, preventing the deleterious effect so often caused by a change of water or diet. The Inebriate, who wishes to reform, will find in this a most valuable aid, as it allays the craving desire for liquor, giving tone to the digestive organs, and strength to resist temptation.
