FERTILIZERS.

SOLUBLE
Pacific Guano,
Improved in
QUALITY AND CONDITION.

The quality of this Guano is materially improved this season by the addition to its composition of a large per cent. of the

Salts of Potash.

It is improved in condition by being brought into market sufficiently dry and uniformly fine to pass with *facility* and *regularity* through the orifices of the

WHEAT DRILL.

More than $1,000,000 is involved in the production of this Guano, and the trade in it has steadily increased, until now it far exceeds that of any other fertilizer.

The Pacific Guano Company has a far greater interest in the maintenance of the *quality* of its Guano than any number of *consumers* can have; hence no apprehension need exist as to its *continued excellence.*

Ten years of hard work and hard knocks, have organized in Philadelphia the largest and most complete Clothing House in America, if not in the
WHOLE WORLD.

By constant endeavors, we have avoided all the old ruts and antiquated methods of the trade, until now Oak Hall is universally acknowledged to be
AN EXCEPTION

The Reasons are:--

1. We have built a house for our business, covering nearly half an acre.
2. Instead of wedging it in between other buildings, making it dark, and obscuring the goods, it is built on a corner of three streets, and any one may count in it 251 windows.
3. We employ skilled workmen, One Hundred and Fifty of whom may be seen under our roof by any one having time and curiosity to visit our Establishment, and besides these, 1400 to 1800 sewers are employed at their own homes.
4. We make up no imperfect goods.
5. We thoroughly sponge and shrink ALL our goods.
6. We purchase our goods at first hands, in large lots,--sometimes in bills of over $100,000 at one time.
7. We set our faces against every species of unfair dealing, and will dismiss any employee in any way guilty of it.
8. We have such enormous sales that we are content with a profit far below the trade margin.
9. We warrant all our goods, and will give every possible guarantee to purchasers at Oak Hall.

The above are facts that no one can truthfully dispute, as the examination we so cordially invite, will fully prove.
We ask the encouragement and support of all classes of people, feeling sure that in establishing in Philadelphia the
Largest Clothing House in America,
We enlist the patronage of all who are interested in the prosperity of our Commonwealth

MILD, Certain, Safe, Efficient. It is far the best Cathartic remedy yet discovered, and at once relieves and invigorates all the vital functions, without causing injury to any of them. The most complete success has long attended its use in many localities, and it is now offered to the general public with the conviction that it never fails to accomplish all that is claimed for it. It produces little or no pain; leaves the organs free from irritation, and never over taxes or excites the nervous system. In all diseases of the skin, blood, stomach, bowels, liver, kidneys—of children, and in many difficulties peculiar to women, it brings prompt relief and certain cure. The best physicians recommend and prescribe it; and no person who once uses this voluntarily return to the use of any other cathartic.

MEDICINAL.

TO PHYSICIANS.

NEW YORK, August 15th, 1868.
Allow me to call your attention to my
Preparation of Compound Extract Buchu.

The component parts are BUCHU, LONG LEAF, CUBEBS, JUNIPER BERRIES.

MODE OF PREPARATION.—Buchu, in vacuo.—Juniper Berries by distillation, to form a fine gin. Cubebs extracted by displacement with spirits obtained from Juniper Berries; very little sugar is used, and a small proportion of spirit. It is more palatable than any now in use.

Buchu, as prepared by Druggists, is of a dark color It is a plant that emits its fragrance; the action of a flame destroys this (its active principle), leaving a dark and glutinous decoction. Mine is the color of ingredients. The Buchu in my preparation predominates; the smallest quantity of the other ingredients are added, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopœa, nor is it a Syrup—and therefore can be used in cases where fever or inflamation exist. In this, you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor it with a trial, and that upon inspection it will meet with your approbation,
With a feeling of confidence,
I am, very respectfully,
H. T. HELMBOLD,
Chemist and Druggist,
of 16 Years Experience.

[From the Largest Manufacturing Chemists in the World.]

NOVEMBER 4, 1854.

"I am acquainted with MR. H. T. HELMBOLD; he occupied the Drug Store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise."
WILLIAM WEIGHTMAN,
Firm of Powers & Weightman,
Manufacturing Chemists,
Ninth and Brown streets, Philadelphia.

Helmbold's Fluid Extract Buchu
Will radically exterminate from the system diseases arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience or exposure; completely superseding those unpleasant and dangerous remedies, Copavia and Mercury, in all these diseases.

Use Helmbold's Fluid Extract Buchu
In all diseases of these organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in taste and odor, "immediate" in action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from broken-down or delecate constitutions, procure the remedy at once.

The reader must be aware that, however slight may be the attack of the above diseases, it is certain to affect the bodily health and mental powers.

Is the great specific for Universal Lassitude, Prostration, &c.

The constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or insanity ensues.

Helmbold's Fluid Extract of Buchu,

In affections peculiar to Females, is unequalled by any other preparation, as in Chlorosis, or Retention, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Schirrus State of the Uterus, and all complaints incident to the sex, or the decline or change of life.

Helmbold's Fluid Extract of Buchu and Improved Rose Wash

All the above diseases require the aid of a Diuretic. HELMBOLD'S EXTRACT BUCHU is the great Diuretic.

Sold by Druggists everywhere. PRICE—$1.25 per bottle, or 6 bottles for $6.50. Delivered to any address. Describe symptoms in all communications.
