...LD FOWL IN MARYLAND.—From the ... day of October to the 15th day of Janu... is the time fixed by law for the shooting ...d trapping of partridges in Maryland.— The following is the provision of the law on the subject: "No person shall trap, shoot or in any manner catch or kill any partridges between the fifteenth day of January and the twentieth of October; nor any woodcock between the first day of February and the tenth day of June; nor any pheasants between the first day of February and the twelfth day of August in each year."

REGISTRATION.—On Monday and Tuesday next, the 24th and 25th of October, the registers for the several election districts will sit for the revision of the lists and too add the ...mes of all persons entitled to register, who have failed to do so heretofore, to the list of qualified voters. All persons who will obtain their majority before the day of election are entitled to register, and those who have been denied that privilege should meet the register on Monday or Tuesday next and insist that their names be added to the list.— A refusal will insure a heavy penalty. All who fail to register on those days, whose names are not already upon the list, will be debarred from voting at the coming election.

LAND SALES.—The Mancha Bros. report the following recent sales:

Bryant & Greenly's farm, of 220 acres, in the 2nd district, to Benj. Wheeler, of Monroe county, N. Y., for $10.23 per acre.

Esma Lowe's farm, of 134 acres, near Ridgely, to Chas. Gaffield, of Canada, for $1,500.

Wm. Barcus' farm, of 120 acres, near Greensboro', to Wilber Shawger, of Morris county, N. J., for $1,500.

James Anthony's farm, of 230 acres, to Benj. Wheeler, of N. Y., for $2,130.

Jacob Swartley's farm, known as "Selby's Mill Property," near Greensborough, to Eby & Lintner, of Lancaster, Penn., for $8,000 cash.

Saml. Downs' farm, near Rob't Wilson's Mill, Queen Anne's Co, containing 294 acres, to Norman Butler, of Northumberland, Pa., for $7,000 cash.

Thos. Bell's farm, of 150 acres, at Boonsboro, to Richard W. Montgomery, of Ithica, N. Y., for $4,000 cash.

—Of the above it will be observed that three farms have been sold for the cash.— This is something unusual these hard times, and would seem to indicate that the purchasers are men who "have come to stay."

DEDICATION.—The new M. E. Church at Harrington will be dedicated, Providence permitting, on Sunday next. We are requested to invite the people and to ask them to take an extra five dollars with them.

BROKE HER ARM.—A little daughter of Mr. Jas. B. Meloney, aged about 5 years, fractured her arm on Tuesday last by falling down stairs. Drs. Tarr & Straughn reduced the fracture, and the youthful patient is doing well.

FIRE IN TALBOT COUNTY.—Dr. Roe's steam saw mill, near the Chapel, and immediately on the Md. & Del. R. R. was destroyed by fire on yesterday morning. The fire was discovered about four o'clock, and as the morning train passed the building in which the mill was located was falling in. The origin of the fire is unknown.

MORE LARGE POTATOES.—R. H. Wright, residing near Smithville, exhibited at this office one day last week a sweet potato, of the "Poplar chunk" variety, which measured 20 inches around it and weighed six and one-half pounds. This exceeds in weight the large potato grown by Mr. Fell by one and one-half pounds, and is the largest potato, with a single exception, yet noticed on the Peninsula.

Mr. Thos. G. Ross, of Bridgeville, Del., also called at our office last week and stated that he had grown a potato which weighed six ponuds. You beat us, Mr. Ross, on the 5 lb potato but not on the one noticed above. Try again.

TOMATO ON THE RAGWEED.—Our readers will remember that we, some time ago, made mention of the fact that Mr. Kerr, of the Choptank Nurseries, had successfully grafted the tomato on the Ragweed (Ambrosia).— The graft has been permitted to grow in the hope that the fruit of the graft would mature, but on Tuesday night last the frost sadly affected it just as one tomato was beginning to ripen. Yesterday morning Mr. Kerr broke off the graft and left it at this office, where the incredulous can have an opportunity of examining it. The graft has three small, but perfectly developed, tomatoes upon it. Call early and see it before it is entirely dead.

ALMOST A FIRE.—The store house of Mr. Wm. J. Wilkinson, at Union Corner, narrowly escaped destruction by fire on Monday evening last. Mr. Wilkinson's clerk went into the grocery room to draw some coal oil for a customer, but failed to take a light with him, supposing he would be able to see from the light in the main store room. In this he was disappointed, and attempted to light a match upon his pants, when a piece of burning sulphur flew from the match into the measure containing the oil, igniting it and other combustible material in the room. The coal oil barrel was on fire, at one time, on the outside, but by vigorous effort the flames were subdued and the storehouse and contents saved from destruction.

Marriages.

BUSTEED—VICKERS.—At St. Paul's Church Centreville, on Thursday morning 6th inst., by Rev. A. S. Smith, Wm. W. Busteed, Editor of the *Centreville Observer*, to Miss Pattie Vickers, youngest daughter of the late Samuel Vickers, Esq., of Queen Anne's county.

MILLS—WILLEY.—At Seaford, Del., by W. B. Gregg, Mr. Jno. C. Mills and Miss. Sarah E. Willey, all of Sussex county, Del.

HARRIS—ADAMS.—On Oct. 13, at Seaford, Del., by W. B. Gregg, Mr. James A. Harris, and Miss. Ruth H. Adams, from near Bridgeville, Del.

LOBSTEIN'S

QUINTESSENCE OF

Jamaica Ginger.

This much esteemed and truly valuable preparation is warranted to possess, in a concentrated form, all the active properties of pure white Jamaica Ginger (the best variety.) Thus prepared, the Quintessence will be found, on trial, an excellent Family Medicine at home or abroad, being put up in a very portable form. It is unequalled in purity and strength, and superior to any Ginger in the market.

An admirable remedy for Indigestion, Flatulence, Colic, Cramp and Dyspepsia; an excellent Tonic to persons recovering from fever and other diseases; for a languid or depraved condition of the system during the summer months, and, in southern climates, it will be found invaluable, deserving the favor of travelers as a preventive and dispeller of Sea-sickness, Nervous Headache, Giddiness and Exhaustion arising from excessive fatigue or heat; also, preventing the deleterious effect so often caused by a change of water or diet. The Inebriate, who wishes to reform, will find in this a most valuable aid, as it allays the craving desire for liquor, giving tone to the digestive organs, and strength to resist temptation.

Prepared only by

J. F. D. LOBSTEIN, Druggist and Pharmaceutist, Sag Harbor, N. Y.

☞ For sale by Charles Stevens, Denton, Md.; Dr. J. E. Lobstein, Greensboro', Md, and by druggists and dealers generally.
