Thursday Morning, Nov. 17, 1870.

Town and County Intelligence.

THE Orphans' Court for Caroline county will meet Tuesday, November 29th.

The Last Notice.

If not disappointed in arrangements now maturing, we shall take final leave of our patrons next week. We, therefore, urge them all to call and settle up their accounts, either by note or cash, as we shall place every account in the hands of an officer with positive instructions to close them up at once. You have all been duly notified, and if this measure of justice befalls you, you alone are at fault.

The Editor's Hash.

—Game is growing scarce.

—Hog killing time is near at hand.

—Those oyster shells still lie upon the green.

—A very difficult thing to remember—the poor—printer.

—The Farmer's Club meets at Denton on Tuesday week. Don't forget it.

—There will be fifty-three Sundays in next year—it beginning and ending on Sunday.

—A cow belonging to J. W. Bryant died one night last week from eating too much green food.

—Messrs. Kemp & Kerr have filled orders for trees from Kansas and Illinois within the past week.

—Ice formed on Thursday night last, and was visible several hours after sun rise on Friday morning.

—Dr. M. A. Booth has been authorized to exhort, &c., in the M. E. Church in this town on local sabbaths.

—Israel Collins' land, sold at Sheriff's sale on Tuesday, was purchased by Thos. F. Garey and Wm. Lockerman for $735.

—Denton was much disturbed by Bachinalian revels on Thursday last. One man had to be locked up in jail to quiet him.

—A man who loves his family will always take a newswaper, and the man who respects his family will always pay for it.

—Editors and chickens have to *scratch* for a living; and pretty lively scratching most of them make of it in order to keep square with the world.

—Gov. Bowie has appointed the 24th (Thursday week) as a day of thanksgiving and prayer in accordance with the recommendation of President Grant.

LARGE TURNIP.—Mr. John Collins, of the 5th district, left at our office on Tuesday a very large turnip. It measured 27 inches around it, and weighed 5 lbs. How are you, Mr. *Comet*, or the turnip question?

I. O. G. T.—A public meeting of the Independent Order of Good Templars will be held in the M. E. Church, at Greensborough, on Tuesday, November 22nd, at 7 o'clock, P. M., which meeting the public are invited to attend. Able speakers from different parts of the county are expected to be present.

NEW BELL.—The African Methodists have placed in the belfry of their church a new bell, which pealed forth its "loud, clear" tones on Sunday last for the first time.—The bell is a present from certain Democrats in this town, who are seeking by every means in their power to create a political scism between the colored people by reason of their religious differences.

STRICKEN WITH PARALYSIS.—Mr. Collins Tatman, for many years a resident of this county, but at present residing in Wilmington, Del., was stricken with paralysis on Thursday evening last, whilst on a visit to the Delaware House, in that city, with his daughter to look at some pictures. He was at once removed to his residence, where he has since lain in a rather critical condition.

ACCIDENT.—Mr. Ben. Anthony, residing on Mr. Edward Pritchett's farm, met with a painful but not serious accident on Tuesday afternoon last. He was delivering grain at the granary at the bridge, and in descending the steps his feet became entangled in some manner and he was preciptated headlong to the bottom of the steps, breaking his collar bone but doing no further injury that we can learn of.

NEW POST OFFICE AND CHANGE OF MAIL ROUTE.—By a change in the old Preston mail route a post office has been established at Gilpin's Point, with C. C. Wheeler as postmaster. The mail, instead of proceeding directly from Fowling Creek to Preston, as heretofore, now goes to Bethlehem, *via* Gilpin's Point and Hog Creek Mill, connecting at Bethlehem with the mail stage between Easton and Bridgeville. The carrier's salary has also been increased $40.

BOYS OUT AT NIGHT.—"The practice of allowing boys to spend their evenings in the streets is one of the most ruinous, dangerous and mischievous things possible. Nothing so speedily and surely marks their course downward. They acquire, under cover of the night, an unhealthy state of mind, vulgar and profane language, obscene practices, criminal sentiments, and riotous bearing.—Indeed, it is in the streets, after nightfall, that the boys (and girls too) generally acquire the education and the capability for becoming rowdy, dissolute men and women. Parents, do you believe it? Will you keep your children home at night, and see that their home is made pleasant and profitable?"

DEDICATION.—The African Methodists dedicated their new church in this town on Sunday, Bishop A. W. Wayman officiating. The Bishop preached morning, afternoon and night, he having failed to bring any assistance on account of the church not having been finished. The attendance of colored people was large at each meeting, and upwards of sixty dollars were contributed by the congregation. The colored choir from Easton was present and assisted in the singing.

FIRE IN THE COUNTRY.—The straw stacks of Mr. Jas. R. Manship, were destroyed by fire on Sunday last, and his barn was badly damaged at one end. Mr. Manship and family were attending church at Concord at the time, and no one was at home but a little bound boy, who communicated the news to the church, when the congregation rushed to the scene of the disaster. Their timely appearance and hard work saved the outbuildings from destruction, but not serious injury, as one end of a large new barn was burned out. The loss is estimated at about $300, upon which there is no insurance.—The fire is supposed to have originated from some matches or coals of fire with which the bound boy was playing in the absence of the family.

BOY'S ELECTION.—On Monday last, the boys of this town, "worthy offspring of noble sires," held an election, for members of Congress, we believe. Hicks Pritchett was the standard-bearer of the Republican ticket, and Charles W. Byrn represented the Democracy. Some sixty votes were cast, of which the Democrats received a majority of thirteen, having very judiciously disbursed their "pool"—twelve cents—in cakes and candy. The votes of the colored children were received, every one of whom voted the Democratic ticket. On Tuesday evening the victory was celebrated by a grand illumination of the town with candles, in which all, both Republicans and Democrats, joined. Everything passed off quietly, though at one time politics run so high that the election was almost forgotten.

CONVEYED TO THE HOSPITAL.—Mr. Wm. T. Sorden, whose mental derangement we made mention of a few weeks ago, was conveyed to the Maryland Hospital, at Baltimore, on Friday last. His mind seems not to have improved in the least, though there are intervals in which he appears to be perfectly sane. He knows all his friends; and when passing through town, on his way to the boat, was perfectly familiar with the residences and business places of our citizens. He continues perfectly docile and tractable, but needs constant watching to prevent his executing "commands," as he says, from on high. He has made no attempts to take his life, though he has frequently talked of jumping down the well.—Only a few days before his removal to Baltimore he dug his grave in the garden.

A CASE OF RAPE.—As a little daughter of Mr. Preston Bidwell, aged about 8 years, was returning to her home from a visit to a neighbor's, on Sunday afternoon last, she was overtaken in a piece of woods by a colored man named John Bishop and her person violated. The negro, who was in a hut as she passed, took a by-path for the purpose of heading her off, but seeing him, the little girl began to run, and the negro man followed. He overtook her just as she was climbing over her father's fence, when she began to scream, but her cries were suppressed by the negro threatening her life.—He then dragged her in the woods and accomplished his fiendish purpose. Bishop has been arrested and handed over to the authorities of Kent county, Del. The parties all reside near Marydell, just over the State line.

A FOOLISH WISH AND WHAT CAME OF IT.—Many of our readers will remember an individual named Charles Brown who resided, till the time of his death, in the 5th district, somewhere near Federalsburg. This man was a very wicked old gentleman, from what we can gather of his past history, and prejudice against the colored race rankled deep within his breast. On one occasion, sometime last spring, he was heard to declare the wish that "he might be dead and in hell when the d—d niggers voted." Time wore on, the XVth Amendment was officially promulgated as a part of the law of the land, and the colored man was given the right of the ballot. Election day drew near, and on that very morning, just before the dawn of day, the spirit fled from Chas. Brown's humble tenement of clay to receive that portion which, in his heart of hearts, he had asked to be meted out to him.

We leave the moral of this only too true story to be deduced by our readers.

SUICIDE.—Jas. L. Bewley, a commission merchant of Philadelphia, committed suicide at the residence of his brother, near Roe's X Roads, on Friday last, by shooting himself with a pistol. For several weeks his friends had been keeping a strict watch over him, noticing that his deportment was rather strange. On Friday morning he left Philadelphia, reaching his brother's residence the same day, and after eating his supper excused himself and retired to his room, where he enacted the final scenes of his life. Undressing himself and removing the mirror from its accustomed position to a place where he could view himself more distinctly, he shot himself through the right breast as he stood before the glass, the ball passing entirely through his body. A son of his brother who was in the yard heard the report of the pistol and glancing up saw his uncle as he fell backwards a lifeless corpse.

It is believed that the cause for this sad act was a dethronement of reason, superinduced by over-work in business. He was a bachelor and rather past the meridian of life.

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this *Sarsaparilla* is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this *SARSAPARILLA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears*, and other eruptions or visible forms of *Scrofulous* disease. Also in the more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia*, and the various *Uterous* affections of the muscular and nervous systems.

Syphilis or *Venereal* and *Mercurial Diseases* are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhœa* or *Whites, Uterine Ulcerations*, and *Female Diseases*, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. *Rheumatism* and *Gout*, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also *Liver Complaints, Torpidity, Congestion* or *Inflammation* of the *Liver*, and *Jaundice*, when arising, as they often do, from the rankling poisons in the blood. This *SARSAPARILLA* is a great restorer for the strength and vigor of the system. Those who are *Languid* and *Listless, Despondent, Sleepless*, and troubled with *Nervous Apprehensions* or *Fears*, or any of the affections symptomatic of *Weakness*, will find immediate relief and convincing evidence of its restorative power upon trial.
