Ayer's
Hair Vigor,
For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

LOBSTEIN'S
QUINTESSENCE OF
Jamaica Ginger.

This much esteemed and truly valuable preparation is warranted to possess, in a concentrated form, all the active properties of pure white Jamaica Ginger (the best variety.) Thus prepared, the Quintessence will be found, on trial, an excellent Family Medicine at home or abroad, being put up in a very portable form. It is unequalled in purity and strength, and superior to any Ginger in the market.
An admirable remedy for Indigestion, Flatulence, Colic, Cramp and Dyspepsia; an excellent Tonic to persons recovering from fever and other diseases; for a languid or depraved condition of the system during the summer months, and, in southern climates, it will be found invaluable, deserving the favor of travelers as a preventive and dispeller of Sea-sickness, Nervous Headache, Giddiness and Exhaustion arising from excessive fatigue or heat; also, preventing the deleterious effect so often caused by a change of water or diet. The Inebriate, who wishes to reform, will find in this a most valuable aid, as it allays the craving desire for liquor, giving tone to the digestive organs, and strength to resist temptation.

AGENTS WANTED—($225 A MONTH)—by the AMERICAN KNITTING MACHINE CO., Boston, Mass., or St. Louis, Mo. se22-tJan15

MEDICINAL.

TO PHYSICIANS.

NEW YORK, August 15th, 1868.
Allow me to call your attention to my
Preparation of Compound Extract Buchu.

The component parts are BUCHU, LONG LEAF, CUBEBS, JUNIPER BERRIES.

MODE OF PREPARATION.—Buchu, in vacuo.—Juniper Berries by distillation, to form a fine gin. Cubebs extracted by displacement with spirits obtained from Juniper Berries; very little sugar is used, and a small proportion of spirit. It is more palatable than any now in use.

Buchu, as prepared by Druggists, is of a dark color It is a plant that emits its fragrance; the action of a flame destroys this (its active principle), leaving a dark and glutinous decoction. Mine is the color of ingredients. The Buchu in my preparation predominates; the smallest quantity of the other ingredients are added, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopœa, nor is it a Syrup—and therefore can be used in cases where fever or inflamation exist. In this, you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor it with a trial, and that upon inspection it will meet with your approbation,
With a feeling of confidence,
I am, very respectfully,
H. T. HELMBOLD,
Chemist and Druggist,
of 16 Years Experience.

[From the Largest Manufacturing Chemists in the World.]

NOVEMBER 4, 1854.

"I am acquainted with Mr. H. T. HELMBOLD; he occupied the Drug Store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise."
WILLIAM WEIGHTMAN,
Firm of Powers & Weightman,
Manufacturing Chemists,
Ninth and Brown streets, Philadelphia.

Helmbold's Fluid Extract Buchu

Will radically exterminate from the system diseases arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience or exposure; completely superceding those unpleasant and dangerous remedies, Copavia and Mercury, in all these diseases.

Use Helmbold's Fluid Extract Buchu

In all diseases of these organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in taste and odor, "immediate" in action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from broken-down or delecate constitutions, procure the remedy at once.
The reader must be aware that, however slight may be the attack of the above diseases, it is certain to affect the bodily health and mental powers.

Is the great specific for Universal Lassitude, Prostration, &c.

The constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or insanity ensues.

Helmbold's Fluid Extract of Buchu,

In affections peculiar to Females, is unequalled by any other preparation, as in Chlorosis, or Retention, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Schirrus State of the Uterus, and all complaints incident to the sex, or the decline or change of life.

Helmbold's Fluid Extract of Buchu and Improved Rose Wash

All the above diseases require the aid of a Diuretic. HELMBOLD'S EXTRACT BUCHU is the great Diuretic.

Sold by Druggists everywhere. PRICE—$1.-25 per bottle, or 6 bottles for $6.50. Delivered to any address. Describe symptoms in all communications.
