Town and County Intelligence.

THE Orphans' Court for Caroline county will meet Tuesday, December 6th.

LOCAL NEWS is exceedingly scarce this week.

PORK is selling at $10 per hundred pounds in this market.

THE MATRIMONIAL MARKET in this neighborhood is quite active, and some very heavy speculations are being arranged.

IF THERE be any truth in the old prophecy that "The three last days of fall rule the winter months," what a gloriously mild winter we shall have.

VEHICLES are being driven on the elevated sidewalk of the causeway. This ought not to be. This sidewalk was made for pedestrians, and travellers in carriages and other vehicles should not trespass upon it.

W.'s REPLY to "Down the County," in the *Journal*, came to late for publication this week. If the writer desires it published two weeks hence he will be accommodated. Write again.

THE OBITUARY on the death of Mrs. Bussum fails to appear for a similar reason.

TEMPERANCE MEETING.—A public temperance meeting of the colored people of Denton and vicinity will be held at the colored M. E. Church in Denton on Monday night next. The public generally, (white and colored,) are respectfully invited to attend and by their presence and counsel aid us in our temperance efforts.

LOSS, BY DEATH, OF CATTLE.—Mr. Geo. W. Spurry, residing in the Neck, lost four head of cattle one day last week from eating too much food in a stalk field. Two were milch cows and two heifers—all valuable.—Instances of this kind are of rare occurrence. Farmers should be more careful in turning their cattle into new stalk-fields, especially when vegetation has died and their appetites have been rendered keen by the absence of green food.

THE MEMBERSHIP of the Farmer's Club was greatly enlarged at the meeting on Tuesday. Many of the best farmers in the county who have heretofore stayed away were present on Tuesday, and we think the organization of the club on a permanent basis is now assured. Only persevere in the good work until one exhibition is given, and there will be but little danger of the effort proving a failure. Push it, then.

The secretary having failed to furnish us with the proceedings we are compelled to omit them.

THE RIDGELY ROAD.—Ground has been broken for the new road to make closer connection between Ridgely and Denton, and the construction of the road will now be pushed vigorously. The rate of wages fixed by the Commissioners for work upon the road, and the length of time they must wait for their money after the work shall have been done, has prevented the securing of laborers, and the work had to be postponed until the present time. The road will not be fit for travel before spring or summer.

RELIGIOUS REVIVAL.—The colored members of the M. E. Church in this place are holding a protracted meeting at their place of worship. The meeting has been going on for two weeks and nightly anxious mourners are flocking to the mercy seat inquiring the way of salvation. Numbers already profess a change of heart and still the interest of the meeting is increasing. The meeting will be continued for some time to come, or as long as a sincere desire is manifested on the part of the colored community to conduct these meetings for the spiritual welfare of the people.

ORPHANS' COURT PROCEEDINGS.—The following is a transcript from the record on Tuesday:

John R. Anthony was appointed guardian to Wm. M. Norris, son of Wm. Norris.

Order to sell the estate of above named minor was granted by the court.

Inventories presented: by W. F. Palmer, on the estate of Thomas Palmer; by W. J. Brown on the estate of Charles Brown.

Matthew Patton, executor of James Stack passed list of debts, second and final account of administration and final distribution.

Isaac Pool and Francis Friend, administrators of Gabriel Friend, passed lists of sperate and desperate debts, first and final account of administration and final distribution

Saulsbury Hobbs, guardian to Hy. L. Lednum, passed 1st guardian account.

Jas. L. Payne, guardian to John H. Rese, presented additional bond. Accepted.

Wm. Phillips passed final distribution on the estate of Stephen Phillips.

Deaths.

RUSSOM.—In Greensborough, on the 22th ult. Mrs. Ann Russom, wife of John H. Russom, in the 66 year of her age.

Dissolution.

Notice is hereby given that the partnership existing between W. T. Hignutt and J. W. Stevens, of Bethlehem, under the firm of Hignutt & Stevens, was dissolved by mutual consent on the 30th day of September, 1870. All persons indebted to said firm will settle the same with W. T. Hignutt, and all demands against said firm are to be presented to him for payment.

Our Seaford Letter.

SEAFORD, Del., Nov. 28th, 1870,

This town is still alive with business.—Many houses are nearing completion. Some builders work day and night to get ready for moving by the 1st. of January.

The oyster trade is becoming lively now, and great preparations are making to supply the west with the delicious bivalves.

Thanksgiving day was generally observed in this place. Service was held in the M. E. Church, participated in by the Ministers of the M. P. Church.

Mr. Jacob Nicholson read the Hymn and scripture lesson and Rev. Mr. Elderdice offered prayer suitable to the occasion. W. B. Gregg, the Pastor, read the proclamations of the President and Governor of this state, and then delivered a sermon on thanksgiving and praise from the text, Rev. 116; 12: "What shall I render unto the Lord for all his bene fits towards me." This union service was one of great interest and profit.

There are two religious meetings in operation here at present. The one has been going on in the M. P. Church for three weeks, with more success, and the other in the M. E. Church one week. We trust these services will prove a blessing to the town.

Yours in haste

MISCELLANEOUS.

Ayer's

Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
