COURT.—The intermediate or non-jury term of the Court was exceedingly short, lasting but a single day. His Honor, Judge Stump, presided. Very few persons were present and no business of general importance, other than what is elsewhere noted, was transacted.

FALSE ARREST.—Abe Charles was arrested in the swamps, near Smithville, last week, for Stack, the murderer of Rhodes.—He was securely tied and was being conveyed to Federalsburg under a strong escort when recognized by a colored man.—Finding their mistake, the parties making the arrest allowed Charles to depart in peace.

DEATH OF A NATIVE OF CAROLINE COUNTY IN RICHMOND.—The Richmond (Va.) papers announce the death there of Capt. Henry Davis, city grain measurer.—For the past forty-two years Mr. Davis has been a citizen of Richmond, but was born and spent his earlier life in this county.—Our older citizens will recollect him. The paper which announces Mr. Davis' death says that he was well known and highly respected.

ATTEMPT TO BREAK JAIL.—Philip Thomas, a colored man who was lately arrested and lodged in jail by Constable Coursey, of the Second district, for stealing grain in Queen Anne's county, attempted to break jail one night last week by picking through the walls with a knife he had retained from his supper dishes. Interest on dividends paid	101,617.36	
		$424,803.63
Loss		$ 40,953,03

Samuel M. Felton was elected president of the company and Manlove Hayes Secretary.

The Fools Are Not All Dead.

A CECIL COUNTY MAN VISITS A CAROLINE NECROMANCER.

On Tuesday last, an *intelligent* and influential citizen of Cecilton, Cecil county, with gray hairs and a sedate and reverend contour, made his appearance at one of our hotels on a mission of grave importance. He had journeyed all the way from Cecil county to this place to visit one of our citizens of "African decent," known here as the "Fire King," but whose real name is Nathan Coker, and who has earned some notoriety in this community by his performing such extraordinary feats as that of "swallowing *molton lead*; eating *glowing coals of fire*; running his hand into a *coal stove and stirring up the fire*, and walking with *bare feet* a red-hot bar of iron.

The special mission of this gentleman from Cecil was to obtain the services of the "Fire King" to remove a "*spell*," which had been placed upon his horse. Arriving at this place, this Cecil county believer in witchcraft left his horse at the hotel and, on foot, plodded his way some four miles in the country in search of the object of his visit. The "Fire King" was on hand, but the gentleman failed to accomplish the object of his visit, from the fact that the necromancer had abandoned the cause of the evil one, joined church and was a changed man. Failing to accomplish the object of his mission he returned to the Hotel, became very communicative and declared that all the women in and around Cecilton, his place of residence, compelled him, he being a man of means, to father all the children in that region round about who are born out of wedlock.

After supper he was put through mesmeric influence, having declared himself a special medium, and the scene presented was rich and racy. The old gentleman left yesterday on his return to Cecil.

The all absorbing question here is, who is he? Some have imagined he is the local correspondent of *The Cecil Whig* for the Cecilton district, who receives the sum of $25 a year for his services as local reporter. But this is mere conjecture. The real question is, who is he?

JUNCTION & BREAKWATER R. R.—The annual meeting of the stockholders of the J. & B. R. R. Co. was held at Milford on Monday of last week. The annual report was read by Judge Houston, President of the company, which set forth the gross receipts at about $40,000, and the expenses over $32,000. An election for officers was then held, which resulted in the choice of the following: President, Jas. S. Gibbons, New York; Directors, C. S. Watson, Benj. Burton, C. C. Stockley, Capt. Ed. Hitchins and Dr. J. S. Prettyman, of Delaware; Thos. Baumgartner and J. B. Sheaff, of Lancaster county, Pa.; C. M. Merserole, of New York. Judge Houston declined re-election.

THANKS.—Mr. Jesse Lewis, proprietor of the broom factory up the river, will accept our thanks for a very fine broom of his own manufacture. It is, in every respect, equal to those made in the city, and we have no doubt will wear as well. All our citizens ought to patronize this factory and thereby sustain a home enterprise.

A HOUSEHOLD REMEDY.—No family should be without some efficacious remedy for the cure of affections, so universally prevalent, as coughs, colds, sore throat, whooping cough and croup—some remedy, too, which can be relied upon as safe, sure and certain. *Dr. Wistar's Balsam of Wild Cherry* combines the *desideratum*.

A HINT.—Instead of getting your old overcoat done up, give it away. You have worn it long enough and it is now too shabby for you, but it will make some poor fellow warm and grateful all winter. Get yourself a new one at Wanamaker & Brown's Oak Hall.

MEDICINAL.

TO PHYSICIANS.

NEW YORK, August 15th, 1868.

Allow me to call your attention to my

Preparation of Compound Extract Buchu.

The component parts are BUCHU, LONG LEAF, CUBEBS, JUNIPER BERRIES.

MODE OF PREPARATION.—Buchu, in vacuo. Juniper Berries by distillation, to form a fine gin. Cubebs extracted by displacement with spirits obtained from Juniper Berries; very little sugar is used, and a small proportion of spirit. It is more palatable than any now in use.

Buchu, as prepared by Druggists, is of a dark color. It is a plant that emits its fragrance; the action of a flame destroys this (its active principle), leaving a dark and glutinous decoction. Mine is the color of ingredients. The Buchu in my preparation predominates; the smallest quantity of the other ingredients are added, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopœa, nor is it a Syrup—and therefore can be used in cases where fever or inflamation exist. In this, you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor it with a trial, and that, upon inspection, it will meet with your approbation,

With a feeling of confidence,
I am, very respectfully,

H. T. HELMBOLD,
Chemist and Druggist,
of 16 Years Experience.

[From the Largest Manufacturing Chemists in the World.]

NOVEMBER 4, 1854.

"I am acquainted with Mr. H. T. HELMBOLD; he occupied the Drug Store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise."

WILLIAM WEIGHTMAN,
Firm of Powers & Weightman,
Manufacturing Chemists,
Ninth and Brown sts, Philadelphia.

Helmbold's Fluid Extract Buchu

Will radically exterminate from the system diseases arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience or exposure; completely superceding those unpleasant and dangerous remedies, Copavia and Mercury, in all these diseases

Use Helmbold's Fluid Extract Buchu

In all diseases of these organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in taste and odor, "immediate" in action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from broken-down or delicate constitutions, procure the remedy at once.

The reader must be aware that, however slight may be the attack of the above diseases, it is certain to affect the bodily health and mental powers.

Helmbold's Fluid Fxtract Buchu

Is the great specific for Universal Lassitude, Prostration, &c.

The constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or insanity ensues.

Helmbold's Fluid Extract of Buchu,

In affections peculiar to Females, is unequalled by any other preparation, as in Chlorosis, or Retention, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Schirrus State of the Uterus, and all complaints incident to the sex, or the decline or change of life

Helmbold's Fluid Extract of Buchu and Improved Rose Wash

All the above diseases require the aid of a Diuretic. HELMBOLD'S EXTRACT BUCHU is the great Diuretic.

Sold by Druggists everywhere. PRICE—$1.25 per bottle, or 6 bottles for $6.50. Delivered to any address. Describe symptoms in all communications.
