DOMESTIC NEWS.

☞The Orphans' Court for Caroline Co. will meet on Tuesday, April 4th.

The Editor's Hash.

—Court next Monday.

—The spring storms continue.

—Garden vegetables are coming through the ground.

—Eggs are abundant and cheap, selling at 15 cts per dozen.

—Mr. Robt. Jarrell was well enough to meet with the Orphan's Court on Tuesday.

—Mr. T. W. Fountain's stock of lumber has arrived, and he is now prepared to fill orders.

—Spring chickens have appeared in this market. They are selling at 15 cts. per pound.

—The attempt to revive long trails for walking dresses has failed in the world of fashion.

—The engine in the Enterprise Mills is nearly ready for use, and will be started in a few days.

—Mr. H. Blackiston took in at his store on Tuesday a middling that measured one yard across it.

—Wm. S. Connolly has been appointed postmaster at Centreville, vice Thomas H. Goldsborough, removed.

—One more prisoner, a white woman, has been placed in jail to await the action of the Grand Jury. She is charged with stealing meat.

—Rev. Jno. Meredith filled the pulpit of the M. E. Church in Denton on Sabbath morning last. His sermon was both able and eloquent.

—Bishop Lay recommends the taking up of a collection in each church in this diocese on Sunday next for the aid of the French sufferers.

—Mr. Thomas Hand has purchased of Mr. M. J. Clark the vacant lot on Gay Street, opposite the dwelling lately occupied by the latter.

—Frost was visible on yesterday morning some time after sunrise. The ground has been covered with a frozen crust several times during the past week.

—The independent "Methodist Protestant" congregation, at Vernon, has been converted *en masse* to the Baptist faith, and organized as a Baptist congregation.

—The schooner Carrie E. Wright, owned by Messrs. Wright, Williamson & Collins was caught in a storm, losing a part of her load, and having her sails torn into shreds.

—We observe that R. Clay Crawford's name has been dropped from the *Freeman's Journal*, and that the paper is now edited and published by the Republican party of Kent county.

—Mr. P. F. Fletcher's bake house, in Denton, was broken open on Friday night last. Mr. F. had fortunately removed all eatables to his store before night and the efforts of the thief were unrewarded.

—The sexton of the M. E. church at Preston lately attempted to hang his seine in the vestibule of that sacred place but was prevented from so doing by one of the Trustees who espied him at his work.

—The parishioners of St. Mary's parish are requested to meet at the office of P. W. Downes, Esq., on Monday, April 10th (Easter Monday), at 9½ o'clock, to elect a vestry for the ensuing year. Prompt and full attendance is requested.

—A son of Mr. Jas. S. Rickards picked up a penny in one of his father's fields a few days ago which bore date of 1728. He found one a short time previously near the same place which was made during the latter part of the last century.

—Winter gave us a parting visit, we trust, at the close of last week. His efforts at bluster were spasmodic and feeble, although his presence was unfamiliar and uncomfortable. Any unusual severity at this season could not but prove disastrous.

—Robt. F. Roe, son of James Roe, and George Sullivan, son of George Sullivan, have each been admitted to Conference and placed upon circuits—the former joining the M. E. and the latter the M. P. Conference. Mr. Roe is sent to Chestertown, and Mr. Sullivan to Cecil.

—By an inadvertency on our part we announced that the Farmer's Club would meet next Saturday. The regular day of meeting was last Saturday, the 25th, and the Club met on that day. We are sorry for the mistake, and will endeavor to be more watchful in the future.

—Henry Porter's farm, in this district, was sold at Sheriff's sale on Tuesday, and bought in by Wm. Sapp of Delaware—the gentleman whom Nasby immortalizes as "old Bill Sapp." Possibly Sapp has purchased this farm with a view to starting Nasby in that business, he having proved himself an egregious failure at selling whiskey. If so, we congratulate our Democratic friends in this county upon such a valuable acquisition as Nasby.

Religious.—Bishop A. W. Wayman, of the African M. E. Church, will preach at the Church of the Bethelites, in this town, on Sunday next, the 2nd of April. Preaching may be expected in the morning, afternoon and night. The public are invited.

Fracture.—James, a little four-year old son of Mr. A. A. Griffith, living near Hog Island Wharf, had his thigh broken by the falling of a barge which his father was painting. We are pleased to hear the little sufferer is doing very well.—*Surprise.*

Religious Notice.—The Rt. Rev. H. C. Lay, Bishop of Easton, will visit St. John's Parish, and celebrate divine service in Greensborough, Friday night, March 31st, and Saturday morning April 1st; and in Hillsborough, Saturday night and Sunday morning, April 1st and 2nd.

To Stop Bleeding.—It is said that bleeding from wounds on man or beast may be stopped by a mixture of wheat flour and common salt, in equal parts bound with a cloth. If the bleeding is profuse use a large quantity, say from one to three pints. It may be left on for hours, or even days if necessary.

M. P. Conference Appointments.—The Maryland Annual Conference of the M. P. Church, which was in session at Chestertown last week, has adjourned.—The following are the appointments of most interest to our readers:

Circuits—Caroline, W. H. Lane; Cambridge, S. Clawson; Dorchester, S. T. Graham, R. L. Lewis; Kent, H. C. Cushing, L. G. Valliant; Talbot, D. F. Ewell, N. J. Neepier; Queen Anne's, F. T. Tagg.

Missions—Choptank, W. G. Holmes; Centreville, T. D. Valliant; St. Michaels, J. W. Holmes; Sussex, W. D. Litsinger; Kent Island, A. W. Mathew.

Death by Titanus.—Charley Sharp, a colored boy in the employ of Mr. Wm. E. Pritchett, near Preston, received an accidental cut upon one of his fingers some time ago which healed very readily; but, sad to relate, just as the wound had closed, symptoms of titanus, or lock-jaw, came on from which death resulted in about four days.—*Surprise*

Seed for the Farmer's Club.—The Agricultural Bureau at Washington sent to the Farmer's Club of this county one day last week a large lot of valuable seed—both garden and field—to be distributed among the members of the Club. On Tuesday the distribution took place at the law office of Mr. J. W. Bryant, the major part of the members sharing in the distribution. These seed were imported from Europe; and if they should prove of a better quality that those now used by our farmers and gardeners, we suppose they will be re-distributed to every farmer in the county who wishes to procure them.

A Suggestion.—The Grand Jury, once in each year, we believe, is enjoined to inspect the County jail, and to report upon what alterations and additions are needed. In addition to this duty which they will have to perform at this session of the Court, we would suggest that it visit the different rooms about the Court House and see if some changes and repairs are not needed in that time-honored structure. The main court room is by no means suited to the purposes for which it is used, but that can be born with. The offices of the Clerk and Register of Wills, however, absolutely require some attention. In the former, the floor is sunken in the centre, while in both there is great lack of room for records.—We suggest that the Grand Jury give its attention to the Court House, believing that it absolutely needs some alterations, additions and repairs.

The Orphan's Court.—The following is the record of Tuesday:

Jno. D. Kemp offered his resignation as guardian to Jas. T. Dabson, son of Edward Dabson.

Eliza Nicholson, executrix of N. Fountain, passed inventory of personal estate.

Philip W. Downes, guardian to Sarah E., Anna R. and Mary F. Williamson, invested the moneys of his wards in a mortgage on real estate, agreeably to a former order.

Guardian accounts passed: Joel Atwell, gurdian to Jno. W. and Mary C. Dawson, 1st account; Jno. S. Faulkner, guardian to William J. and Samuel C. Faulkner, 9th account.

Administration accounts, &c., passed: R. M. Busteed, administrator of Gideon Harris, list of sperate debts, interest and first administration accounts; Mary J. Hoff, administrator of Wm. W. Hoff, lists of desperate and sperate debts and first and final administration account; J. Boon Dukes, administrator of Ann W. S. Griffith, second and final administration account; Henry Blackiston, executor of Geo. Bell, list of sperate debts, interest account and first account of administration.

Edward Saulsbury, administrator of Jas. Saulsbury, presented account of sales.

Elizabeth Horsey, administrator of Revel Horsey, presented receipt and final release from Jacob P., Nathaniel, Mary E. and T. S. Horsey; passed.

The Farmers' Club.—At the appointed hour the Club was called to order by Mr. Sorden, its president. The minutes of the previous meeting were read and adopted. The committee then reported the following order of exercises for the next meeting—three agricultural questions to be put to the members of the Club, as follows:

Which is the better system of husbandry, pasturing clover fields bare or allow the clover to die on the land?—Jas. W. Saulsbury.

Which is the better system of economy in feeding stock, to boil the food before feeding or to feed it in its natural state?—E. W. Williamson.

What is the best method of preventing the ravages of moles and mice in the soil? This subject was assigned to Robt. J. Jump but upon his motion Jno. W. Kerr was substituted in his stead.

Some discussion then took place in regard to the library of the Club. A number of newspapers had been received; also, some annual reports of the Agricultural Bureau at Washington. Mr. Bryant kindly tendered the use of one of his secretaries to the librarian with permission to keep the library in his office. The Club accepted Mr. Bryant's offer. Each member is to have the liberty of taking out a book, with the privilege of retaining it a week. It is also expected that each member, upon taking a book from the library, will write the name of the book opposite his own in a book kept for that purpose. The Club then adjourned.

A. P. Sorden, Pres't.

J. W. Ridgely, Sec'y.

GRAPE PILLS.

Component Parts—Fluid Extract Rhubarb and Fluid Extract Catawba Grape Juice.

For Liver Complaints, Jaundice, Bilious Affections, Sick or Nervous Headache, Costiveness, etc. Purely Vegetable, containing no Mercury, Minerals or Deleterious Drugs.

H

These Pills are the most delightfully pleasant purgative, superseding castor oil, salts, magnesia, etc. There is nothing more acceptable to the stomach. They give tone, and cause neither nausea nor griping pains. They are composed of the finest ingredients. After a few days' use of them, such an invigoration of the entire system takes place as to appear miraculous to the weak and enervated, whether arising from imprudence or disease. H. T. Helmbold's Compound Fluid Extract Catawba Grape Pills are not sugar-coated, from the fact that sugar-coated pills do not dissolve, but pass through the stomach without dissolving, consequently do not produce the desired effect. The Catawba Grape Pills, being pleasant in taste and odor, do not necessitate their being sugar-coated. 50 cts. per box.

in all their stages, at little expense, little or no change of diet, no inconvenience and no exposure. It causes a frequent desire and gives strength to urinate, thereby removing obstructions, preventing and curing strictures of the urethra, allaying pain and inflammation, so frequent in this class of diseases, and expelling all poisonous matter.

Thousands who have been the victims of incompetent persons, and who have paid heavy fees to be cured in a short time, have found they have been deceived, and that the Poison has, by the use of powerful astringents, been dried up in the system, to break out in a more aggravated form, and perhaps after marriage

Use Helmbold's Extract Buchu for all Affections and Diseases of the Urinary Organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. $1.50 per bottle.

HENRY T. HELMBOLD'S IMPROVED ROSE WASH

cannot be surpassed as a Face Wash, and will be found the only specific remedy in every species of cutaneous affection. It speedily eradicates pimples, spots, scorbutic dryness, indurations of the cutaneous membrane, &c., dispels redness and incipient inflammation, hives, rash, moth patches, dryness of scalp or skin, frost bites, and all purposes for which salves or ointments are used; restores the skin to a state of purity and softness, and insures continued healthy action to the tissue of its vessels, on which depends the agreeable clearness and vivacity of complexion so much sought and admired. But however valuable as a remedy for existing defects of the skin H. T. Helmbold's Rose Wash has long sustained its principle claim to unbounded patronage by possessing qualities which render it a toilet appendage of the most superlative and congenial character, combining in an elegant formula those prominent requisites, safety and efficacy—the invariable accompaniments of its use—as a preservative and refresher of the complexion.
