OF

POMEROY'S

DEMOCRAT

FOR

1871.

SOMETHING FOR THE PUBLIC TO KNOW.

Extraordinary Inducements for Subscribers

TO

POMEROY'S

DEMOCRAT,

WHICH PAPER HAS THE

Largest Circulation of any Political Newspaper in this or any other Country!

So great has been the success of publishing this paper since it was begun in City of New York, on the 1st day of ary, 1869, that we are enabled to the people of this country a better per for 1871, than was ever beinted in America.

circulation of

POMEROY'S DEMOCRAT

has more than double during the past year, and every Democratic victory, no matter in what part of the country occuring, brings to

POMEROY'S DEMOCRAT

more subscribers, more friends, defenders, readers and circulators. We accept this rapid and constant increase of circulation as a proof that our good intentions, earnestness and determination to press forward the fight in behalf of Democracy everywhere are appreciated, and thus we are stimulated and encouraged to greater exertions. To make

POMEROY'S DEMOCRAT

readable and interesting the coming year, M. M. POMEROY, the editor and proprietor, who is now relieved of the work of editing, managing, and superintending a daily paper in the City of New York, will devote his entire time and attention to POMEROY'S DEMOCRAT. Possessed of

Abundant Capital,

UNUSUAL FACILITIES FOR OBTAINING NEWS,

with a newspaper experience well known to the world, the public may rest assured that from this time henceforth

POMEROY'S DEMOCRAT

will be more vigorous, earnest, pointed, determined and powerful than ever before. Backed, as he is, by nearly

A Quarter Million of Subscribers. and more than a Million of Readers:

supported by the Democrats and workingmen of every State and Territory—in communication with the people everywhere, and possessed of thousands upon thousands of letters giving him information and items of fact and incident occurring in different parts of the country—he enters anew upon the work in

which he is engaged, and to which he has pledged his life, his fortune, his constant care and individual attention from this time till we shall have in this country a Democratic President and administration, and a complete effective and thorough Democratic organization, pledged to the protection of labor and industry, to the encouragement of honesty, and to the defence and extension of Democratic principles.

The editorial articles for

POMEROY'S DEMOCRAT

the coming year will be more than ever pointed, earnest, truthful and convincing, as years of education and experience, governed by a knowledge of facts obtaining from actual observation, enable a writer to give his thoughts with more clearness and power with each succeeding attempt. In

POMEROY'S DEMOCRAT

for 1871 will be found, in addition to the editorials no other Democrat dare write:—

Pomeroy's Saturday Night Chapters,

which, for the coming year, will be better and more deeply interesting than ever before.

Editorial Correspondence

from various parts of the country, visited for the purpose of obtaining information and spreading it before the public.

The Home Corner,

edited by a lady, "ELM ORLOU," whose writings are winning golden opinions from all who love the pure, the beautiful and the refined, as evidenced in her chapters for wives and mothers everywhere.

Live Editorial Comments on Men, Measures, Manners and Customs.

Pomeroy's Social Chat with Friends and Correspondents,

which has become such a feature exclusive with THE DEMOCRAT; attempted by other papers only to be given up after a few weeks' work thereon, but continued from week to week in

POMEROY'S DEMOCRAT

always with growing interest.

Gossip with Exchanges,

a live and novel feature of great interest.

An unusually full and interesting

Masonic Department,

under the editorship of Illustrious Brother F. G. Tisdall, S. G. I. G. 33°

An Agricultural Department

much better than ever before.

A Mechanical Department,

wherein will be found each week something of special interest to all classes of mechanics.

A Financial, Monetary and Market Report,

unusually full, complete and reliable.

Letters from our Regular Correspondents

in this and other countries.

New York Gossip

concerning city manners, customs and happenings in the musical, artisticle theatrical and social world—a new feature in POMEROY'S DEMOCRAT.

A carefully edited

Fashion Department.

Happenings here and there in different parts of the country, or items caught on-the-fly, published under the head of

BRICK DUST.

Humorous, Satirical and Burlesque Sketches of Life, by "Brick,"

in the vein of his book of "NONSENSE," of which over a hundred thousand copies have been sold by Carleton, the celebrated New York publisher.

Items of Satire, News, Sarcasm, Burlesque, Ugliness and Impudence.

Pomeroy's Pictures of New York by Night,

from actual observation,

Full columns every week of new, live and interesting reading matter, original, and written expressly for

POMEROY'S DEMOCRAT.

Nothing will be left undone or unattempted, to make this paper the most readable ever published in the United States.

In politics

POMEROY'S DEMOCRAT

will be bold, earnest, and—to use a word that has become national—

Red-Hot for the Right.

It will make a continued and earnest war against the bond-interests of this country, or till taxation shall be made equal, till the people shall rise in their might, and, through a revolution, escape from the bondage they are now in for the support of the thieves and robbers who control the Government, which was originally the best, but has become one of the worst the world ever saw.

POMEROY'S DEMOCRAT

will labor for the *restoration* of the Government and the principles of Democracy, not for its reconstruction for the benefit of an aristocracy not in sympathy with honesty and labor.

Thankful to those who, in every State of the Union, and in almost every county of the United States, have so generously sustained POMEROY'S DEMOCRAT before its removal to New York and since, we offer the following
