DOMESTIC NEWS.

☞The Orphans' Court for Caroline Co. will meet on Tuesday, April 4th.

The Editor's Hash.

—Next Sunday is Easter.

—Don O'Hootiz shall have a place next week.

—The Grand Jury had found but two indictments up to Tuesday night.

—A barber shop has been opened under our office to continue during court.

—The peach trees are blooming, with no evidence of injury to the buds thus far.

—The old bridge across the mill-stream at Upper Hunting Creek is being repaired.

—Judgment in the "snow balling case" was reversed by the Court on Wednesday.

—The libel suit of Miss. Tatman against Mr. Edward Pritchett was withdrawn on Monday.

—Mr. Gootee Stevens last week sold a large ox to Mr. Wm. Fell which weighed 1355 lbs.

—Preston has a croquet club. Couldn't the Denton Club play it a game for the championship?

—Rev. Jas. L. Rich preached to the Methodist congregation of this town last Sunday evening.

—A child of Mr. Thos Lister died suddenly of congestion of the brain on Wednesday of last week.

—Northern men who are now coming in amongst us by the overland route generally have fine teams and turnouts.

—A hen which Mrs. Thos. Urry sat upon fifteen eggs hatched sigteen chickens a few days ago and had two eggs left.

—A portion of the M. E. Congregation evidently is not well drilled. During the singing of the second hymn only the choir rises.

—The Mancha Bros. have sold 50 acres of Mr. Jas. K. Saulsbury's "Plammer Farm' to Mr. W. Patmor, of Tioga county, N. Y., for $1,250.

—The Ridgely mail missed connection with the train again on Saturday morning. The frequency with which this occurs invites investigation.

—We observe that several of our citizens are enclosing their gardens and premises with new fences, which is very prudent considering the unbounded liberty given to cows and other stock in this town.

—Anthony's mill, in the 1st district, is undergoing repairs. The dam has been raised so as to increase the head of water two feet, and new gates are being put In. New stones will also be put in the mill.

—We learn that Mr. Louis S. Hough, who exchanged property last fall with Mr. G. W. Kugler, has also exchanged property in Texas with Mr. Oliver Culbreth for the farm between the mill and depot at Goldsborough.

—Every appeal from Magistrate's judgments in assault and battery cases yet taken to the Circuit Court has been sustained, and the judgments reversed. This is found to be more expensive than when indictments are made out by the Grand Jury.

—A meeting to reorganize the lodge of Good Templars which expired in this town some months ago will be held at the old lodge room on Friday (to-morrow) evening. All persons friendly disposed towards the cause of temperance are requested to be present.

—The base ball club in existence here a couple of years ago has been re-organized. The club has received new bats, balls, &c., and will soon begin practice for the campaign. When in good practice the Caroline boys are hard to beat, and the clubs in other counties will have to look to their laurels.

—The ladies of Preston were compelled, on Thursday evening last, to eat a bountiful supper which they had prepared for the M. E. Minister and his good lady, whom they expected to return that evening. Inasmuch as the best is usually provided for such occasions, we imagine it was no difficult undertaking.

Church Improvement.—The M. P. Church at Burrsville is undergoing thorough repairs. A new roof is being put upon the building, the walls are to be whitecoated, the pews to be rebuit and the entire wood work on the inside is to be grained. The estimated cost of repairswill be about $600.

County Collectors.—The County Commissioners appiointed the following gentlemen collectors of State and County taxes for 1871.

1st District—Saml. T. Clark.
2nd " —Wm. Pennington.
3rd " —Jas. E. Johnson.
4th " —W. G. Willoughby.
5th " —Henry Mobray.

Still Westward Bound.—The Western fever is still raging in the upper district, and another party left for the West on Monday. The party consisted of Mr. Thos. Clendenning, Mr. Augustus Miller and family, Mr. John Jones and Mr. John C. Jones. These parties intend to settle in Illinois. Mr. John Wyth and family left a few weeks ago. He also went to Illinois.

Income Returns.—It will be seen by an advertisement in another column, that Capt. John E. Graham, Assistant Assessor for this portion of the 1st District of Md., will be in Denton from Tuesday until Saturday to receive the return of incomes for the year 1870. Those failing to call may subject themselves to expense as well as inconvenience. Applications for licenses for 1871 must be made at the same time.

More Overland Emigrants.—Emi-...ts continue to arrive at Ridgely. Mr. ... nor arrived on Tuesday week with ... orse team from Tioga county, N. ... 400 miles. On the 25th ult., ... and family, from Luzerne county, ...d, and his two sons have since ...ere overland, having travelled ... miles. Mr. L. S. Pratt., of ..., N. Y., also arrived on the ...

...ian's Court.—The following ...edings of Tuesday last: ...chett was appointed guardi-... Wright. ...cott, guardian to Ruth A. ...ated 2nd, 3rd, 4th and 5th ...nts. ...an, administrator of Owen ... account of sales. ...n accounts, &c., passed: ...cutor of Saml. Olmstead, ...count and final distribu-...olds administrator of Jos. ...ccount; Robt. W. Todd ... administrators of Enoch

The Ridgely Mail.—The frequency with which this mail fails to make its connections with the cars at Ridgely is not only a great inconvenience to our citizens but is a positive nuisance which needs correction. It seems that under former dispensations it has been customary with the carriers to drive up to the postmaster's house and awake him—a mere act of courtesy—allowing themselves time to meet the train at the station. This the present contractor refuses to do, and the consequence is our postmaster oversleeps himself and the mail is left. An occasional occurence of the kind could be overlooked, but the frequency with which this happens is not only a great inconvenience to our people, but is an unwarrantable assumption of authority which needs the attention of the department. We are disposed to be lenient in this matter, but it is becoming such a public nuisance that we feel it our duty to give it this notoriety.

Sad and Fatal Accident.—A very distressing accident occurred in our sister town of Easton on Friday, which terminated fatally within a few hours after its occurrence. The particulars of the accident we obtain from the *Gazette*, published in the town: About a year ago the students of the High School were furnished small muskets by the State for the purpose of organizing the higher department into a military school. Last fall the boys were permitted to take them to their homes, but a short time ago Prof. Miller, the Principal of the Academy, called them in, and yesterday morning one of the boys, Richard Hardcastle, returned his, loaded with shot. The school room had not been opened for the morning and a number had congregated in front of the building, as boys will do, when one of the students, about 19 or 20 years of age, named Oliver P. Stevens, took up the gun that young Hardcastle had taken there, put a cap on it and commenced to point it at various boys, when at last the cap exploded and the load took effect in the leg of little Josie Dodson, aged 10 or 12 years, and son of L. Dodson, Esq., one of our most esteemed citizens. The calf of the left leg was shot away and the bones below the knee were completely crushed. In this condition he was borne to his home, where life gently ebbed out about 1½ o'clock P. M.

Court Proceedings.—The Circuit Court convened on Monday, his honor Judge Stump presiding. Mr. S. F. Liden was made foreman of the Grand Jury. We present such cases as have been disposed of thus far:

Jno. E. Webb *vs.* W. W. Davis; appeal. Judgment for appellee for $40. Bryant and Martin for appellant; Russum for appellee.

Same *vs.* L. H. C. Davis, assignee of W. W. Davis; appeal. Judgment reversed, and judgment for appellant's costs.

Sarah A. Murphy and Cornelius Murphy *vs.* Isaac Fluharty; appeal. Judgment affirmed. Bryant for appellant, Russum for appellee.

Nathaniel Roe *vs.* Jonathan Longfellow; appeal. Judgment reversed. Russum for appellant; Bryant for appellee.

State *vs.* Mary E. Sheppard assault and battery with an axe on Jno. L. Breeding. Not guilty. Bryant for State; Jump & Ridgely for defendant.

—The murder trial removed from Talbot county was assingned for yesterday, but owing to the absence of one of the principal witnesses for the State, was postponed until Monday morning next. Friday has been assigned for the trial of Jas. A. Barwick, removed from Queen Anne's county. The present session of the Court will continue for at least ten days; probably two weeks or more.

HENRY T. HELMBOLD'S
COMPOUND FLUID
Extract Catawba
GRAPE PILLS.

Component Parts—Fluid Extract Rhubarb and Fluid Extract Catawba Grape Juice.

For Liver Complaints, Jaundice, Bilious Affections, Sick or Nervous Headache, Costiveness, etc. Purely Vegetable, containing no Mercury, Minerals or Deleterious Drugs.

H

These Pills are the most delightfully pleasant purgative, superseding castor oil, salts, magnesia, etc. There is nothing more acceptable to the stomach. They give tone, and cause neither nausea nor griping pains. They are composed of the finest ingredients. After a few days' use of them, such an invigoration of the entire system takes place as to appear miraculous to the weak and enervated, whether arising from imprudence or disease. H. T. Helmbold's Compound Fluid Extract Catawba Grape Pills are not sugar-coated, from the fact that sugar-coated pills do not dissolve, but pass through the stomach without dissolving, consequently do not produce the desired effect. The Catawba Grape Pills, being pleasant in taste and odor, do not necessitate their being sugar-coated. 50 cts. per box.

HENRY T. HELMBOLD'S IMPROVED ROSE WASH

cannot be surpassed as a Face Wash, and will be found the only specific remedy in every species of cutaneous affection. It speedily eradicates pimples, spots, scorbutic dryness, indurations of the cutaneous membrane, &c., dispels redness and incipient imflammation, hives, rash, moth patches, dryness of scalp or skin, frost bites, and all purposes for which salves or ointments are used; restores the skin to a state of purity and softness, and insures continued healthy action to the tissue of its vessels, on which depends the agreeable clearness and vivacity of complexion so much sought and admired. But however valuable as a remedy for existing defects of the skin H. T. Helmbold's Rose Wash has long sustained its principle claim to unbounded patronage by possessing qualities which render it a toilet appendage of the most superlative and congenial character, combining in an elegant formula those prominent requisites, safety and efficacy—the invariable accompaniments of its use—as a preservative and refresher of the complexion.
