American Union

J. M. EMERSON, EDITOR AND PROPRIETOR.

DENTON, MARYLAND:

Thursday Morning, April 27th, 1871.

For Sale Cheap.

We offer for sale *very low* the Press upon which THE UNION has been printed for the last three years. It is a Smith Hand Press, 22 by 32, in good order. The universally neat appearance of THE UNION will attest this fact.—Our only reason for selling is because we have no use for the Press, having been compelled to purchase a new one in order that we might enlarge our paper. Address all inquiries to THE UNION, Denton, Md.

And Another!

The Republicans have just achieved another triumph in the Territory of Columbia (recently made such by an act of Congress) by the election of General Chipman to Congress and a majority of the twenty-two delegates to the Territorial Legislature.—All hail, Columbia!

How Marked The Difference!

The Comptroller's report for 1867 shows that for the year 1866, when the Republicans were in power in this State, the expenses of the Judiciary alone were but $60,643.-41. In 1869, however only three years afterwards, under Democratic rule, the expenses of the Judiciary were $89,317.96—making an excess over Republican "extravagance," as Democrats termed it, of $28,000 in this single item.

But the disparity between the contingent expenses of the Legislature for the same years is even greater still. Under the Republican dispensation the actual expenses of the Legislature, including the per diem of members, clerks, printing and incidental expenses, were $70,104.07, while the expenses of the Democratic Legislature of 1869, on *the same account*, were $175,254.-60, showing a difference of upwards of $105,000 in favor of the Republican administration!

Therefore, on these two accounts alone, the people are paying the neat little sum of $183,000 for the exquisite pleasure of being ruled by Democrats!

Men of sense and conscience, ponder these things in your mind! Next fall you will be called upon to elect another Legislature, and your own interests imperatively demand that you vote intelligently.

Men Change but Principles Never.

It is a well-known fact that in the last political campaign ever fought in this county, the Democrats went before the people upon the issue of a "White Man's Party," and their tickets bore this meaningless inscription. It was sufficient, however, to overawe timid people, and the result was a Democratic success.

We are not prepared to say whether or not the feelings of our Democratic friends have undergone any change since that time, and we are equally in the dark as to what manner they will conduct this fall's canvass. But claiming for their party, as they do, absolute nationality, *consistency* will require that they lay down a platform in accord with the enunciations of the Democratic members in Congress, from whence is the source of all light and knowledge, (politically speaking, of course). It is, therefore, only necessary to ascertain the sense of the Democratic members in Congress to learn the feelings of their camp-followers in this county.

We quote *verbatim* from the address lately made to Democratic voters, italicising such words as we deem of special significance:

We earnestly entreat our fellow-citizens in all parts of the Union to spare no effort to maintain peace and order, to carefully protect the rights of every citizen, to preserve kindly relations among all men, *and to discountenance and discourage any violation of the rights of any portion of the people secured under the Constitution, or any of its amendments.*

Do the Democrats in this county discard this doctrine or not? Discarding it, they sink all semblance of nationality, and accepting it they give the lie to their words in the late canvass yet quivering upon their lips. We pause for a reply.

THE RESULT of the deliberations of the State Canvassers over the returns of the recent election in Connecticut has been published. On the face of the returns as made up by the Canvassers, Gov. English is reelected by a very small majority; but various alleged errors, including an overcount of 100 for Mr. English in the city of New-Haven, and 24 in the town of Enfield, will come up for consideration and action by the Legislature. If these allegations of error shall be sustained before the Legislature, it will appear that Marshall Jewell, Republichas been elected Governor by the people by about 90 majority. The remainder of the Republican State ticket is elected.

THE REBELLION which kindled the flames of civil war in France and threatened even greater destruction to the French nation than the Franco-Prussian war, has been nearly suppressed, and an armistice of twenty-four hours duration been agreed upon.—The Government troops completely invest the city of Paris, wherein the rebellious army has entrenched itself, and all supplies of munitions of war or provisions are cut off. This being the case, gaunt famine will compel obedience soon, even if the armistice should fail to bring about a reconciliation.

CONGRESS ADJOURNED *sine die* on Thursday last. The President has issued a proclamation convening the Senate in special session on the 10th of May prox.

An owner or keeper stationing or standing any Stallion or Jack without a license, shall forfeit or pay twice the sum authorized and required to be paid in the first proceeding section, one half to the State and the other half to the informer.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has any thing won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of *Croup*, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled *Consumption* is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the *Cherry Pectoral*. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the *Cherry Pectoral* they subside and disappear.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.

So generally are its virtues known, that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As its name implies, it does *Cure*, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it in nowise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unacclimated persons, either resident in, or travelling through miasmatic localities, will be protected by taking the *AGUE CURE* daily.

For *Liver Complaints*, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.

CLEAR AND HARMLESS AS WATER!

NATTAN'S

CRYSTAL DISCOVERY for the HAIR.

A perfectly clear preparation, in one bottle; as easily applied as water, for restoring gray hair to its natural color and youthful appearance; to eradicate and prevent dandruff; to promote the growth of the hair and stop its falling off.

It is entirely harmless and perfectly free from any poisonous substance, and will, therefore, take the place of all the dirty and unpleasant preparations now in use. Numerous testimonials have been sent up from many of our most prominent citizens, some of which are subjoined; in everything in which the articles now in use are objectionable, "Crystal Discovery" is perfect; it is warranted to contain neither Sugar of Lead, Sulphur or Nitrate of Silver. Clear and clean as water, it does not soil the clothes or scalp; it is agreeably perfumed, and makes one of the best dressings for the hair in use; it restores the color of the hair more perfectly and uniformly than any other preparation, and always does so in from three to ten days. Virtually feeling the roots of the hair with all the nourishing qualities necessary to its growth and healthy condition, it restores the decay and induces a new growth of the hair more positively than anything else. The application of this wonderful discovery also produces a pleasant and cooling effect on the scalp, and gives the hair a pleasant and elegant appearance.

Washington, D. C., July 25, 1870.

Mr. Arthur Nattans: Dear Sir—It affords me pleasure to say that I have used your Crystal Discovery with perfect success. Having tried many others, I find yours superior to any I have heretofore used, and I cannot too highly recommend it as a rapid promoter of the growth of the hair, and by a few applications restoring it to its original color. It is perfectly clean and free from any objectionable matter.

Very respectfully yours, R. W. SILVOY,
K st., bet. 4th and 5th. N. W.

We call especial attention to the fact that a limited number of trial bottles will be given away gratuitously to those wishing to try.—You will notice that in pursuing this course, our aim will be to convince by the actual merits of the article.
