DOMESTIC NEWS.

☞The Orphans' Court for Caroline Co. will meet on Tuesday, May 9th.

The Editor's Hash.

—The farmers' Club meets next Saturday.

—The greatest want of the age—want of funds.

—Kluck (not Ku-Klux) is the favorite sport with the juveniles of this town at this time.

—A poetical genius describes ladies' lips as the glowing gateways of pork and beans.

—The steamboat wharf at the bridge is in a very dilapidated condition and needs repairing.

—H. Blackiston has opened this week a very large and attractive stock of spring and summer goods.

—There will be a full moon in the first week of each of the first seven months in the present year.

—The African M. E. Conference began its session at Easton yesterday, Bishop Wayman presiding.

—Satterfield & Moore's new boat in process of construction at Greensborough is nearing completion.

—If it requires "April showers" to produce "May flowers," "poseys" and nosegays will be scarce this season.

—The estimated value of the M. E. church property in this county, including churches and parsonages, is $40,625.

—Strawberries were shipped northward over the Delaware R. R. from Westover, in Somerset county, on yesterday week.

—The Mancha Bros. have sold Louis C. Green's farm, near Denton, of 134 acres, to a Mr. Smith, of Syracuse N. Y., for $2,500 cash.

—The mail route to Andersontown will be opened on Monday, after which the stage will make tri-weekly trips—Mondays, Wednesdays and Fridays.

—Wm. S. Bradley has exchanged his lot of six acres just out of Preston with Isaac Noble for two nearer the town and containing two and a-half acres.

—Blackiston & Horsey's second opening of spring and summer goods will take place next week. One of the firm will visit the city on Monday next.

—The alarm of fire sounded on Saturday night last was occasioned by the burning out of a chimney in a small tenement house adjoining the Bethelite (colored) church.

—There are in this county 24 M. E. Sunday Schools, with 273 teachers and 1151 scholars. The computed cost of the operation of these schools is $72.60. Their several libraries aggregate 2779 volumes.

—We would suggest to the County Commissioners that they provide means in the levy shortly to be made to repair and paint, or whitewash, the green fence. A neat iron fence would look much better and prove more substantial.

—It appears from the minutes of the Wilmington Conference that the contributions on the several circuits in this county only aggregated $158.20, as follows: Greensborough Circuit, $28; Hillsborough, $51.40; Denton, $40.70; Preston, $13.10, and Bethlehem, $25.

Run Over.—A son of James Truxon, a colored man residing in this town, fell from a timber cart which he was driving for Mr. R. J. Jump on Friday last and was run over, but sustained no injury beyond a few bruises. No bones were broken.

Corporation Election.—The corporation election of Greensborough was held on Monday last. No issues, either local or political, were involved in the contest.—The following gentlemen were elected Commissioners of the town: J. P. Manlove, Capt. T. D. Case, Wm. C. Satterfield, Robert D. Russum and Andrew B. Roe.

Dropped Dead.—As Mr. Joseph Pearson was slowly driving along the county road between his residence and Denton, on Tuesday, and when opposite Mr. James Melvin's, his horse dropped in the road and expired without an effort. The horse was a very aged one and was diseased. Mr. Pearson, being paralyzed, was thus left in a helpless condition, but Mr. Melvin came to his assistance and reconveyed him to his home.

Trustees of the Almshouse.—The County Commissioners appointed the following gentlemen as Trustees of the Almshouse on Tuesday:

1st District—Hy. C. Culbreth.
2nd " —Wm. Wilson.
3rd " —Henry Wilson.
4th " —Matthew Patton.
5th " —Albert N. Davis.

—This is the old Board of Trustees, with the exception of Mr. Culbreth, who succeeds Robt. E. Hardcastle, deceased.

Frost and the Strawberries.—This county was visited by a keen frost on Sunday night last, and much damage was done to the strawberry blossoms. We have the authority of two of the largest growers in the county for stating that the crop is seriously injured—one estimating it at one-half, the other at so much as two-thirds. Some of the varieties had passed blossoming, and these, of course, are uninjured.—Strawberries will be shipped from this vicinity by the 10th of May.

The Farmers' Club.—Next Saturday is the regular monthly meeting day of the Farmers' Club, and we would be glad to meet every farmer in the county at that meeting. We know not what we can say to induce them to come, but their presence is certainly desired by every member of the Club If they do not desire to associate themselves with the Club, they are not debarred from the privilege of listening to the speeches, essays and discussions. Come out, then; it will do you no harm, but may materially enlighten you with reference to some occult principle in agriculture which has been perplexing your mind for years.

The Orphans' Court.—We extract the following from the record of this Court as made by it on Tuesday:

J. P. J. Hubbard, guardian to Jno. F. and Adah M. Towers, passed 4th guardian account.

S. H. Anderson, one of the administrators of J. B. Calloway, passed 2nd and final account of administration.

Inventories passed: by Edward Saulsbury, administrator of James Saulsbury; by Danl. R. Wright, administrator of Mary E. Wright.

Trustees appointed: Edward Saulsbury, to make sale of the real estate of James Saulsbury; Jas. E. Douglass, the real estate of Mary E. Wright.

Mule Killed.—A valuable draught mule belonging to Capt. Thos. F. Corkran, residing near Harmony, was killed under singular circumstances on Saturday last.—It was being led through the woods by a young man in the employ of Mr. Corkran, when, in some manner, a sharp-pointed stick was run into the breast of the mule to the depth of seven inches, producing almost instant death. The young man says the stick flew up and hit the mule in the breast. It was regarded as the most valuable animal of that class in the neighborhood, and the Captain had only a little while before the occurrence of the accident refused $200 for it.

Land Sales.—H. P. Chambers, Real Estate Agent at Federalsburg, reports the following recent sales;

Tilghman Andrews' farm, of 350 acres, in Dorchester county, to Nathan Anthony, of Luzerne county, Pa., for $10,000.

The farm of the Collins' heirs, in Caroline county, of 288 acres, to Abram Waters, of Michigan, for $3,500 cash.

Thos. J. Bradley's farm, in Dorchester county, of 162½ acres, to Daniel Louis, of Niagara county, N. Y., for $1 000.

S. P. Charles' farm, in Dorchester county, of 31 acres, to Robt. M. Carter, of Bergen county, N. J., for $700.

—These parties have all, with a single exception, moved in upon their purchases.

Lawrence again "Confesses."—The Easton *Gazette* says that since the removal of Fred. Lawrence to the Talbot county jail, at Easton, he has evidenced a desire to talk privately with Sheriff Bennett with reference to the murder of Emeline Handy, and finally did begin to speak of the circumstance, when Sheriff Bennett interrupted him by saying that if he wished to make a voluntary statement he would listen to him, but before doing so, he wished to impress upon his mind the importance of telling nothing but the truth. Lawrence then proceeded to relate the circumstance. He said on the morning of the murder, he had no intention of going to Mr. Wright's, but after having been up Harrison street to a house, where he had some clean clothes, he was passing the garden of Mr. Wright where Emeline was, when she called to him to know something in reference to his taking one of the children, about which it appears there had been some arrangement made between them when Lawrence got over the garden fence and Emeline and himself went into the kitchen. Emeline told him that the child would be brought down stairs as soon as its sister, an older child, could get it dressed. Lawrence says the axe was lying in the floor near by some kindling wood and he went on his knees and commenced splitting it with one hand and holding on to the wood with the other, when he cut his finger with the axe. When he saw the blood it made him mad and he threw the axe over his head, accidently striking Emeline on the head—causing one of the wounds, and that she fell against the stove which caused the other cut.

This "confession" is as much at variance with the testimony adduced on the trial to prove a premeditated murder as was the one published last week.

—Jas. A. Gary has had constructed at his own expense a telegraph from his city office in Baltimore to his cotton mills in Howard county. It is fifteen miles long.

—Samuel Magraw, a well known citizen of Harford county, died on the 10th inst in the 65th year of his age. He was stricken with paralysis some two years ago and has been an invalid ever since.

—Geo. Johnson, a married man of 30, attempted a rape upon a little girl of ten in Baltimore county some time since, for which Judge Yellott sentenced him to six years imprisonment in the penitentiary.

—The Agricultural Society of Carroll county will hold an agricultural machinery exhibition on the 31st of May, to continue 3 days. The object of this exhibition is to allow farmers an opportunity to decide upon the merit of the several machines claiming superiority.—This is certainly a wise determination on the part of the society.

Pleasant Day Dreams.

To Miss L. S., Felton Seminary, Del.,

BY DON O'HOOTIZ.

When thou art 'lone, and sit'st in pensive mood,
And gentle fancy's waiting to be wooed,
O, woo it, then, and all its joys apply,
And to thy home in sweet imagination fly.

Hear thy fond parents speak of thee,
And pray unclouded may the future be;
And thy sweet sister, hear her gentle voice
Speak love for thee, and in that love rejoice.

Hear the voices of inquiring friends—
List to the kind messages they send,
And the smiling, brightened faces see
As they receive a kind remembrance sent by thee.

If from loved ones at times we must away,
The separation gladdens but the day
When gain we meet, and joy doth recompense
The separation and the long suspense.

AND FORTUNE!!!

PREMIUM SALE

OF THREE HANDSOME

NEW STEEL ENGRAVINGS!

A GIFT WORTH FROM

$1.00 TO $25,000

Given with Each Engraving!

We have obtained the entire control of the following engravings, which we offer at the low figures of

$2.00 EACH!

Although they are really worth $5.00 each.—They are 19x24 inches, and each is a gem of art.

LURLEY:

A legend of the Rhine. A female of rare beauty sits on the shore of the river, where the rocks are the most dangerous, and with her song and music charms the unwary sailors to near her, when they meet a watery grave.—The subject is full of life, full of emotion, and is altogether a success.

THE DISINHERITED!

A young man, through the wiley influence of some one of the household, is deprived of a share in his father's house. Having but sorrow as his lot, he departs, and from a neighboring hill he takes his last look and farewell to the scenes of his younger and better days. The heart fills with deep sorrow in examining this subject so well drawn.

THE CHILD CHRIST!

A child with human body and dress, angelic face and divine eyes, is represented so well that words cannot tell half its worth.—We do not think that any engraving has yet reached the excellence of this, in touching the heart and lifting it away to a higher world. The eye never tires to look. The more it is seen, the greater the desire to look again and again.

Also a correct lithograph likeness of

Gen. STONEWALL JACKSON,

The best, largest and handsomest ever published, 19x24 inches, worth $5.00, which we will sell on the same terms, for $2.00. It is truly a gem of art.
