—The strawberry shipments from this county are heavy, and will partially alleviate our present financial demands.

—Mr. L. W. Pool has his steam saw mill nearly completed. He sawed two logs on Saturday. The mill works well.

—A picnic has been arranged for to-day in the grove at Long's school-house. Two hundred invitations have been sent out.

—The Federalsburg Sunday School of the M. E. Church numbers about fifty scholars and has a library of 775 volumes.

—The Messrs. Fluharty, of Federalsburg, are building a fine two-story house near Andersontown for Mr. W. H. Dean.

—A large picnic party collected in Mr. Jas. T. Raughley's grove on Friday, and spent a very pleasant afternoon and evening.

—The Whitsuntide holidays were observed by the colored people of this vicinity. The colored temperance society paraded the streets of the town, and a public meeting was held on the suburbs.

—Agencies for the sale of so many reaping and mowing machines are being established in our county that we suggest a grand trial of the relative merits of each be made on some day to be arranged by the agents.

ORPHANS' COURT.—Jas. Pippin, administrator of Joseph Roy, col., passed final administration account.

E. H. and J. B. Morgan, executors of W. W. Morgan, passed lists of sperate and desperate debts, interest account and first account of administration.

Daniel B. Wright was appointed guardian to B. W., Ludwin T. and Mary T. Wright, minors.

Jas. H. Winchester, administrator of Perry Thomas, presented inventory, and order to sell granted.

A LIBERAL OFFER.—We understand that Col. A. J. Willis has pledged himself, in good faith, to contribute one thousand dollars in cash, or one-third the amount, towards the building of an M. E. Church at Potter's Landing so soon as the other two-thirds are subscribed and one thousand dollars is paid in. This is a liberal offer on the part of Mr. Willis, and should encourage the friends of the church to renew their efforts with redoubled dilligence.

FLY IN THE WHEAT.—We are informed that that great enemy of the growing wheat—the fly—which has been committing such depredation in our neighboring counties, is beginning to make its appearance in the wheat fields of this county. In the Neck, where were to be seen, in the Spring, some beautiful and promising fields, we are told the fly is beginning to make fearfull ravages. The rust has also affected it; so between the two the crop will probably be greatly shortened.

ARRESTED AND IN PRISON.—Amos Ridge, the stage driver between this town and Ridgely who decamped a few weeks ago, taking with him $130 which had been given him by Mr. R. C. Carter to mail to the Easton Bank, was arrested in Washington on Monday last and sent to Baltimore for commitment in default of $500 bail. He was arrested by two detectives upon information furnished by James L. McPhail, of the bureau of mail depredations, Post-office Department.

FULLY RECOVERED.—Our readers will remember that, some months ago, we made mention of a sad affliction which had befallen Mr. W. T. Sorden in the overthrow of his reason. He was subsequently removed to the Mount Hope Asylum, in Baltimore, where he has fully regained his reason, and been restored to his gray-haired father clothed in his right mind.—He is looking remarkably well, and deports himself in his former quiet and gentlemanly manner. We rejoice with his friends in his full recovery.

THE LADIES' MITE SOCIETY FESTIVAL.—The Ladies' Mite Society festival, held on Saturday last, was a very successful affair and creditable to all concerned. The Court House was beautifully decorated with flowers and evergreens in festoons, wreaths and boquets, and won the admiration of all observers. The refreshment table was bountifully supplied with a variety of choice delicacies, which were gratefully dispensed by numbers of fair dames and lovely damsels. A very handsome cake, which had been presented by Mrs. Henry Blackiston, was disposed of by ballot, two ladies being named as candidates—Miss Ida Downes and Miss Fannie Jump. The contest was quite lively, and resulted in the award of the cake to Miss Downes, Mr. J. W. Bryant presenting it in a few appropriate remarks. The sum realized from the cake was $33.22, and the nett proceeds of the festival amounted to $68.-67.

DEVILS IN THE FISH.—A Baptist church has lately been opened in Marsh Hope, not far from the village of Vernon, in Kent county, Del., and, of course, all the forms and ceremonies of the church are performed there, including the rite of baptism by immersion. There being no river nor mill pond near by, the baptismal ceremonies are performed in the large ditch which drains the country round about. From this ditch the people who live along the line of it have long been accustomed to draw small supplies of fish, but since the establishment of that church and the dipping into the water of the candidates for baptism, we are told the people refuse to eat the fish taken from that stream, for fear the evil spirits which they suppose is removed from the baptised persons have entered the fish and they will thus become possessed of them. Every one is familiar with the miracle which our Savior wrought in casting the legion of devils out of the Gadarene and commanding them to enter into a herd of swine which was feeding on the mountain near by, so that the whole herd rushed headlong into the sea and were drowned. But we have yet to learn of any one's refusing to eat fish on this account. Possibly the superstitious Marsh Hopers are fearful lest a fate similar to that of the swine should overtake them. *"O, tempora! O, mores!"*

MEETING OF THE FARMERS' CLUB.—The Farmers' Club met in the Clerk's office on Saturday, a festival going on in the main court room, the President in the chair. In the absence of the Secretary, J. M. Emerson was appointed to fill that office. Minutes of previous meeting were read and approved. The Treasurer reported that the exhibition of the Saturday previous defrayed its own expenses, and left a balance in the treasury besides. A vote of thanks was given the ladies of Denton for their hearty co-operation in the exhibition. A vote of thanks was also tendered Mr. Kemp for his address upon that occasion. The committee having the matter in charge reported and were discharged. Mr Kemp then offered a resolution for the appointment of a committee to take the sense of the people and devise plans for an exhibition on a larger scale, to come off some time during the ensuing autumn, but being objected to, the following substitute, offered by Dr. Tarr, was adopted:

*Resolved*, That a committee of five be appointed by the chair to consider the utility and advisability of holding a County Agricultural Exhibition some time during the ensuing autumn, and report the result of their consideration at the next meeting of the Club.

The chair appointed the following named gentlemen as members of that committee: T. H. Kemp, Wm. S. Ridgely, C. S. Dickerman, Josiah White and Robt. J. Jump. The names of Dr. Tarr and E. W. Williamson were subsequently added, and also the name of the President of the Club. The entire session was consumed in the transaction of business, after which the Club adjourned.

QUICK TIME.—A merchant in Marydel sold a setting of eggs on Wednesday of last week, and the purchaser of them had a fine brood of chickens on the following Saturday from the same eggs. Fact. We know the merchant; he is a firstrate fellow, but can't sell us any eggs for culinary purposes.—*Dover Delawarian.*

ROBBERY.—On Wednesday night of last week, the store of Mr. David Marine, at Whiteleysburg, was entered by robbers and about a hundred dollars' worth of goods, a double-barreled gun and two dollars in money taken therefrom. The entrance was effected by means of a false key.
