"It's the Early Bird," etc.

BY A LIE-ABED.

More than one has shown how hollow
Is this proverb, and absurd;
For the worm, it sure must follow,
Got up earlier than the bird.

Doubtless, too, the bird in question,
Eating with too great a zeal,
Suffered much from indigestion,
Owing to that morning meal.

And it would not be surprising
If that bird fell a prey
To the sportsman; early rising
Makes the aim so sure they say.

Perhaps it's young, too—had it any—
By their parents left forlorn,
Caught catarrhal ailments many,
From the keen, cold air of morn.

Other birds—for birds will chatter—
When they saw the bird alight,
Might have chirped with scornful patter,
"Ah! the rake's been out all night!"

Summing up the case concisely,
This, decidedly, I say:
Early birds *don't* get on nicely!
Early rising does *not* pay!

MEDICINAL.

Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative *Pill*. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends; and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel nor any deleterious drug, they may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take, while being purely vegetable, no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor** and **Loss of Appetite**, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa**, but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back** and **Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression** a large dose should be taken as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

CLEAR AND HARMLESS AS WATER!

NATTAN'S

CRYSTAL DISCOVERY for the HAIR.

A perfectly clear preparation, in one bottle; as easily applied as water, for restoring gray hair to its natural color and youthful appearance; to eradicate and prevent dandruff; to promote the growth of the hair and stop its falling off.

It is entirely harmless and perfectly free from any poisonous substance, and will, therefore, take the place of all the dirty and unpleasant preparations now in use. Numerous testimonials have been sent up from many of our most prominent citizens, some of which are subjoined; in everything in which the articles now in use are objectionable, "Crystal Discovery" is perfect; it is warranted to contain neither Sugar of Lead, Sulphur or Nitrate of Silver. Clear and clean as water, it does not soil the clothes or scalp; it is agreeably perfumed, and makes one of the best dressings for the hair in use; it restores the color of the hair more perfectly and uniformly than any other preparation, and always does so in from three to ten days. Virtually feeding the roots of the hair with all the nourishing qualities necessary to its growth and healthy condition, it restores the decay and induces a new growth of the hair more positively than anything else. The application of this wonderful discovery also produces a pleasant and cooling effect on the scalp, and gives the hair a pleasant and elegant appearance.

Washington, D. C., July 25, 1870.

Mr. Arthur Nattans: Dear Sir—It affords me pleasure to say that I have used your Crystal Discovery with perfect success. Having tried many others, I find yours superior to any I have heretofore used, and I cannot too highly recommend it as a rapid promoter of the growth of the hair, and by a few applications restoring it to its original color. It is perfectly clean and free from any objectionable matter.

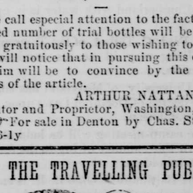

Very respectfully yours, R. W. SILVOY,
K st., bet. 4th and 5th. N. W.

We call especial attention to the fact that a limited number of trial bottles will be given away gratuitously to those wishing to try.—You will notice that in pursuing this course, our aim will be to convince by the actual merits of the article.
