MEDICINAL.

Ayer's
Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.

PRACTICAL AND ANALYTICAL CHEMISTS,

CLEAR AND HARMLESS AS WATER!

NATTAN'S
CRYSTAL DISCOVERY for the HAIR.

A perfectly clear preparation, in one bottle; as easily applied as water, for restoring gray hair to its natural color and youthful appearance; to eradicate and prevent dandruff; to promote the growth of the hair and stop its falling off.

It is entirely harmless and perfectly free from any poisonous substance, and will, therefore, take the place of all the dirty and unpleasant preparations now in use. Numerous testimonials have been sent up from many of our most prominent citizens, some of which are subjoined; in everything in which the articles now in use are objectionable, "Crystal Discovery" is perfect: it is warranted to contain neither Sugar of Lead, Sulphur or Nitrate of Silver. Clear and clean as water, it does not soil the clothes or scalp; it is agreeably perfumed, and makes one of the best dressings for the hair in use; it restores the color of the hair more perfectly and uniformly than any other preparation, and always does so in from three to ten days. Virtually feeding the roots of the hair with all the nourishing qualities necessary to its growth and healthy condition, it restores the decay and induces a new growth of the hair more positively than anything else. The application of this wonderful discovery also produces a pleasant and cooling effect on the scalp, and gives the hair a pleasant and elegant appearance.

Washington, D. C., July 25, 1870.
Mr. Arthur Nattans: Dear Sir—It affords me pleasure to say that I have used your Crystal Discovery with perfect success. Having tried many others, I find yours superior to any I have heretofore used, and I cannot too highly recommend it as a rapid promoter of the growth of the hair, and by a few applications restoring it to its original color. It is perfectly clean and free from any objectionable matter.
Very respectfully yours, R. W. SILVOY,
K st., bet. 4th and 5th. N. W.

We call especial attention to the fact that a limited number of trial bottles will be given away gratuitously to those wishing to try.—You will notice that in pursuing this course, our aim will be to convince by the actual merits of the article.
