DOMESTIC NEWS.

The Editor's Hash.

—Fred. Lawrence will be hanged at Easton to-morrow.

—The eleventh volume of THE UNION is closed with this present issue.

—The Teacher's Institute of Talbot and Caroline counties is in session at Easton.

—Corn is growing finely since the late refreshing rains have fallen. Many fields are tasseling.

—Some of our towns-folk have been revelling in the luxury of early corn for upwards of two weeks.

—The colored M. E. Church are to hold a camp-meeting in the woods of Joshua Johns, commencing on Friday, August 4th.

—An indebtedness of forty dollars yet hangs over the organ in the M. E. Church. An effort is being made to discharge this by subscription.

—They did a million and a half of business at Oak Hall last year, and from the preparation made, we should say Wanamaker expects to do at least two millions this year.

Mr. W. G. Horsey has purchased Mr. Alex. Stewart's property in this town, comprising a large two-story dwelling and store house, with large garden, situate on Main Street, for $3,200.

SABBATH SCHOOL CELEBRATION.—The Bethesda M. E. Sabbath School, of, Preston, will hold a celebration in the woods belonging to Mr. Jesse Hubbard (the old camp meeting woods), on Thursday, July 20th. It will doubtless be a pleasant and entertaing affair.

W. M. KENNARD & Co., are making a grand demonstration by reducing the most of their spring and summer dress goods to the low price of 25 cts. per yard, without regard to color, style or cost. They are placed at one counter so that all may see at a glance the great Bargains offered.—The stock is large and they are determined to close.

PAINFUL ACCIDENT.—Willie, son of L. H. C. Davis, near Preston, met with quite a serious accident one day last week, by falling from a wheat thresher and having one of the wheels pass across his leg just above the knee. A piece of the flesh was cut entirely out to the bone and the little fellow has been suffering much pain tho' he is doing better now.

PICNIC.—The Sabbath School of Wesley's Chapel, M. E. Church, will hold picnic on Saturday the 15th of this month, lasting the entire day. Addresses will be delivered in the morning by Revs. Gardner, Harding, Rich and Hazzard, and in the afternoon speaking and singing by the scholars. Sabbath Schools generally are invited to attend. Refreshments will be provided for the children.

A RUNAWAY.—Dr. Fullers horse attached to a double buggy, left standing at the steamboat wharf on Monday, became frightened and ran up town without doing any damage until an attempt was made to stop him in front of the Court House Square. Here he shied from the road, came in contact with a tree and smashed up the buggy. One wheel was considerably damaged and the axels bent. The horse escaped unhurt.

RELIGIOUS.—Denton and vicinity can boast of five churches, to make up congregations for each we have a population of about four hundred persons, all told. The several denominations consist of the Methodists, Catholics, Episcopalians, Friends, and two colored Methodist congregations.—Strange as it may appear, the colored churches have the largest congregations, their membership being in regular attendance. The services at all the other churches are sparsely attended, and it is certainly an up-hill business to the ministers to preach to empty benches. To say the least, it does not speak very highly for the morals.

AN EGG STOY.—Capt. Thos. D. Case, residing at Greensboro,' in this county, furnishes us with the following egg story, for the truth of which he vouches. We know Capt. Case to be a truthful man, and have no doubt that his statements are correct:—

We have seven (7) ducks that commenced laying on the 22d of February and have laid up to date fifty-five (55) dozen eggs, and are still laying from four to seven a day. In five mornings we got from them forty five eggs. There were no drake to lay to them, as we keep them shut up at night to themselves, and get the eggs every morning. So here is doubt about the latter statement, or the former either. They have averaged us about 22 cts. a dozen, thus yield us in four months over twelve (12) dollars, which would make $1.75 apiece. This we think an unusual occurrence, and hence communicate it to you.

ORPHANS' COURT PROCEEDINGS.—J. W B. Todd, Administrator of David Todd, deceased, presented list sperate debts, interest account and 1st account of administration. Passed.

Johnathan Longfellow, Administrator of James Longfellow, deceased, presented interest account and 1st and final account of administration; also, 1st and final distribution of the personal estate. Passed.

William Wilkinson and Anna D. Greenley, Administrators of Alex. Greenley, deceased, presented 2nd additional list sperate debts, and 3rd account of administration. Passed.

Samuel Nichols, Administrator of Senah Nichols, deceased, presented list of debts, list of sperate debts, interest account and 1st account of administration. Passed.

William Greenage, Administrator of Solomon Greenage, deceased, presented interest account, 1st and final account of administration, and final distribution of the personal estate. Passed.

William A. Willis and Rufus C. Harris, Executors of Charles Willis, deceased, presented Inventory and appraisement of personal estate; passed and order to sell granted.

James H. Winchester, administrator of Perry Thomas, deceased, presented account of sales of personal estate. Passed.

The last will and testament of John Wright, deceased, was admitted to probate, and letters testamentary granted to Mary Wright, the Executrix therein named.

Mary Wright, Executrix of John Wright deceased, presented Inventory and appraisement of personal estate; passed and order to sell granted.

William C. Satterfied was, upon application to the Court, appointed Guardian to Fredrick Maloue, a minor.

David S. Moore and George H. Moore, Executors of Thomas T. Moore, deceased, presented account of sales of real estate of said deceased; passed and order publication nisi granted.

John B. Williams, guardian to Mariah I. Williams, presented annual valuation and rental appraisement of the real estate of said minor.

STRUCK BY LIGHTNING.—During the prevalence of the heavy thunder storm on Tuesday night, last, the barn of Nehemiah Fitzjarrell of Talbot county, near Hillsborough, was struck by lightning and destroyed, together with a valuable horse. We have not heard an estimate of his loss.

—At the same time a large fire was in progress some distance up the river, but up to the time of writing we have not learned its character. It was evidently, however, some building, as it continued to burn for several hours and the blaze was distinctly vissible here.

P. S.—Since writing the above we learn that the fire up the river was caused by the burning of the barn of Mr. Esma Lowe, near Greensborough, which was struck by lightning. The barn and entire contents, including his crop of hay, (some 30 or 40 tons) was consumed. Two of his valuable horses were also killed. The building was insured for a small amount.

We learn, also, that a vessel belonging to Capt. Dixon, at Hillsborough, was struck by lightning and one of the masts completely shivered. In other respects the boat was but little injured.

DEMOCRATIC CONVENTION.—A Democratic County Convention, for the purpose of selecting delegates to the Gubernatorial Convention, was held here on Tuesday last, and was well attended. Danial Fields, Dr. C. E. Tarr and John F. Dawson were appointed delegates, and Dr. Alex. Hardcastle, J. W. Bryant and Jas. E. Douglass, alternates. The delegates were instructed by the convention to vote for the Hon. R. B. Carmichael for Governor.

Resolutions were offered by J. W. Bryant, Esq., endorsing the "New Departure," which created much excitement and an effort was made by Daniel Fields Esq., and others to throttle them without even a hearing to the mover. Finally, after a speech from Mr. Bryant, Mr. Field's, motion to "lay the resolutions on the table" was adopted.

There was considerable dissatisfaction at the manner in which the meeting was organized and conducted. It is alleged that Mr. Fields called the convention to order before the time appointed, when but few persons were present and without consulting the other members of the State Central Committe present in town, one of whom was Chairman of the Committee.—Neither was the bell rung, when it is usual to do so.

VINEGAR BITTERS

PURELY — D. WALKER'S CALIFORNIA

VINEGAR BITTERS

J. WALKER, Proprietor. R. H. McDONALD & Co., Druggists & Gen. Agents, San Francisco, Cal., and 32 Commerce St., N.Y.

MILLIONS Bear Testimony to their Wonderful Curative Effects.

Vinegar Bitters are not a vile **Fancy Drink**, Made of **Poor Rum, Whiskey, Proof Spirits and Refuse Liquors**, doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE**, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and of all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these **Bitters** have been most successful. **Such Diseases** are caused by **Vitiated Blood**, which is generally produced by derangement of the **Digestive Organs.**

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

PIN, TAPE, and other **WORMS,** urking in the system of so many thousands, are effectually destroyed and removed.
