## DOMESTIC NEWS.

☞The Orphans' Court for Caroline county will meet on Tuesday, August 22nd.

### The Editor's Hash.

—This is the last summer month and the heat as intense as ever.

—A better variety of peaches are being sent to market, but the prices rule low yet.

—Every householder should now begin a war of extermination upon the weeds about his premises.

Judging from the luxuriant crop of wild oats growing on the marshes on the Choptank, we predict an abundance of the Rail bird next month and fine fun to sportsmen.

—The colored camp-meeting commenced near Andersontown on Friday last. Everything is progressing quietly.

—Mr. Editor.—We have a fine suit of New Clothes for every reader of your excellent paper. Will you please give them due notice of the fact.

WANAMAKER & BROWN.

—Our friend Tarr of the Denton *Journal* presented us a few days ago with a sweet potatoe, grown this season, which measured 11¼ inches in circumference and 14 inches in length. Who can beat it?

—Dr. Saml. Harper, formerly a practicing physician of Easton, died in Baltimore on Saturday 29th ult.

Mr. Elias Williamson has turned a railway horse power to a new and profitable business—that of running two circular saws, manufacturing material for peach boxes.

Some of the juveniles of our town have been amusing themselves by slaughtering cats. They had fixed up for a general business, but their parents made a raid upon them and put a stop to their sport, but not until several of the feline race had been sacrificed.

NO PAPER NEXT WEEK.—There will be no paper issued from this office next week. The next issue will appear on the 17th inst., when the name of the future editor will be announced and the position the paper will assume in the future be clearly defined and set forth. We will take occasion, however, to say here, that we entertain no doubtful opinions and we shall be neither timid or fearful about expressing them whenever occasion may require it.

TO DELINQUENTS.—All persons indebted to J. M. Emerson, are notified that their accounts are in the hands of Mr. J. W. Bryant for collection. Upon the payment of the accounts Mr. Bryant will receipt the bills.

THOSE subscribers to THE UNION who have paid the present year's subscription will continue to receive the paper until the expiration of the time for which they have paid. Those who have not paid up will call at the "captain's office" and settle with the present proprietor. Gentlemen, we would like to see you coming, but come in order, with your hands on your pocket-books, or the greenbacks in your fingers—but, oh! we beseech you, don't come in crowds.

EXTERMINATE THEM.—We notice in some of our gardens about town, and in by-places, a heavy growth of weeds—in some instances the gympsum predominating largely. There is no species of vegetation so unsightly or prejudicial to the health of a family as a luxuriant growth of noxious weeds, and especially the gympsum. We advise our citizens to exterminate them root and branch.

LAND SALES.—Mancha Bros., Real Estate agents at Ridgely Station, have effected the following sales:

A small farm of 62 acres, belonging to James Smith, to Mr. Bull, of New York, for $500.

A farm of 134 acres, belonging to Fannie Herr, to Gillman Buck, of Massachusetts, for $3.850.

THE CHILTON'S WOODS CAMP.—This camp in progress under auspices of M. P. Church, was largely attended on Sunday last. The Rev. Mr. Valliant preached to a large and attentive congregation in the morning. At the afternoon service, Rev. Dr. Ewell entertained the people with an able and interesting sermon and at night Rev. Mr. Melvin delivered and interesting discourse. We are informed that the best of order prevails and every thing is moving on harmoniously. The camp we presume will close to-morrow.

CORN CROP.—This crop is looking exceedingly well and gives promise of the largest in this county for years past. On improved land it presents a luxuriant appearance; the stalk is large and the ears well ...loped. Although the crop is well nigh matured, a good rain in this vicinity would be of great importance.

ORPHANS' COURT PROCEEDINGS.—John W. B. Todd, administrator, of David Todd, deceased, presented list of sperate debts, additonal interest account—2nd administration account and distribution. Passed.

Denard Hughes, colored, administrator of Mary. E. Webb, colored, deceased, presented list of sperate debts, and 1st and final account. Passed.

Dennard Hughes (colored), guardian to James. R. Webb (colored,) minor, passed 8th, 9th, and 10th, guardian accounts.

Charles E. Roe, guardian to Francis Roe, minor, passed 7th, 8th, 9th, 10th, and 11th, guardian accounts.

William J. Brown, administrator, of Charles Brown, deceased, presented account of sales. Passed.

William Connelly, appointed guardian to Amanda, James and George W. Montgomery, orphans' and children of James ...ntgomery, deceased. Bond filed and ...proved.

CONCORD CAMP.—This old and favorite camp commences on Saturday next.—About one hundred tents are already up and others will be completed before the commencement of the camp. The prospects are that this camp will be the largest of any ever held on this ground.

RE-UNION.—A re-union of the surviveing children and grand children of the late Short A. Willis, was held at the old family homestead, near Bethlehem, in this county, yesterday. Two of the sons reside in Texas where they have amassed considerable property, and are gentlemen of influence and hold high social positions in the community in which they reside. A large number of invited guests were present from different parts of this county.

TO BE CONTINUED.—The board of School Commissioners for this county, met at their office in this place on Tuesday. Mr. J. W. Conner, the present able and efficient principal of the Academy in this town, was continued by the Board in his present position. What other business occupied the attention of the Board in its sitting we have not learned.

### *SPECIAL NOTICES.*

**NOTICE.**

The unexampled satisfaction that NATTAN'S CRYSTAL DISCOVERY has given in this city, as evidenced by the repeated orders of some of the first Druggists, induce us to direct especial and particular attention to the great fact that by its use you gain all the advantages claimed for the many poisonous compounds in use, to wit: the restoration of the color and growth of the hair and the speedy removal of dandruff, without the least possible injury—as Crystal Discovery is positively warranted to contain no poisonous substance, neither Lead, Sulphur or Silver.

Its perfect cleanliness is a reason not lightly to be overlooked; it will neither stain the skin or clothes—in one sentence, it is exactly what has been wanted for a long while, a Restorer of the Hair that may be used without the fear that you are going to have Neuralgia, Paralysys, Lead Colic and various other complaints, the result of the use of lead preparations.

As simply a Dressing for the Hair, it has also been found to be unexcelled.

Letters in our possession might be published by the score, all recommending it in the highest terms, of which we promise to give you some in future.

By all means try it, as we are satisfied it will give you entire satifaction. Price $1 per bottle. For sale by druggists generally.

**VINEGAR BITTERS**

VEGETABLE FREE FROM ALCOHOL

PURELY CALIFORNIA

Dr. WALKER'S

EUREKA

VINEGAR BITTERS

J. WALKER, Proprietor. R. H. McDONALD & Co., Druggists & Gen. Agents, San Francisco, Cal., and 34 Commerce St., N.Y.

**MILLIONS Bear Testimony to their Wonderful Curative Effects.**

**Vinegar Bitters** are not a vile **Fancy Drink,** Made of **Poor Rum, Whiskey, Proof Spirits and Refuse Liquors,** doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE,** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

**They are a Gentle Purgative as well as a Tonic,** possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and of all the Visceral Organs.

**FOR FEMALE COMPLAINTS,** whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

**For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder,** these **Bitters** have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the **Digestive Organs.**

**DYSPEPSIA OR INDIGESTION,** Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

**FOR SKIN DISEASES,** Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

**PIN, TAPE,** and other **WORMS,** urking in the system of so many thousands, are effectually destroyed and removed.

SOLD BY ALL DRUGGISTS AND DEALERS.
