Thursday Morning, August 31, 1871.

☞ The Orphans' Court for Caroline county will meet on Tuesday, Sept 5th.

The Editor's Hash.

—Our farmers are busily engaged in fodder saving.

—Fruits of all kinds are getting scarce. The fruit season is about over.

—The county Temperance Convention meets at Hillsboro' on Thursday next.

—Locals this week are exceedingly scarce. We hav'nt even a death or a marriage to record this week.

—Cloudy weather, with an occasional shower, for several days past, has retarded the operation of fodder saving.

—A female customer dropped into the drug store, in this place, last Saturday and inquired of the proprietor if he had "*Grecian bends* for sale." The *Russian wriggle* will be sought after next.

—What has wrought such a wonderful change and improvement in Mr. Jones' appearance? he looks like a perfect gentleman. Why, don't you know? He has been to Oak Hall, it's all in that new coat.

—A colored man named Nathan Coker shot himself, by accident, at Wye Mills on the 21st inst. He was intoxicated at the time. This is not our Nathan Coker, the *fire king*. One would think he was proof against whiskey and bullets.

—The Democrats of this county will hold an election at the several voting places, on the 16th of Sept., to elect seven delegates, to meet in county Convention, on the 19th to nominate a county ticket.—Why not vote for the candidate ats once.

—Dr. Louis H. Beatty, a prominent citizen of Beaver Dams, Q. A. county, died at his residence, at that place, on the 17th inst. The Doctor was our preceptor in our youth. He was a man of exemplary habits and an upright and honorable citizen.

—The Registers of the several districts, give notice in another column, of their days for sitting to register voters. All persons coming of age—those coming into the State or county, or removing from one district to another, are entitled to registration or transfer.

To Correspondents.—"*Lozie Lore*" and "*Rowing*," shall appear as soon as we are relieved from the presure upon our columns. For the next two weeks, our space will be very limited.

An Enterprising Editor.—Our neighbor of the Centreville *Citizen* is the most enterprising editor in the State. He presented to his readers, last week, the Democratic Platform, adopted at the recent State Convention, in full, being in advance of all the other papers in this State.

Appointed.—The School Board for this county met at their office in this place on Tuesday. The two vacancies in St. John's College, at Annapolis, was filled by the appointment of Master Geo. Melvin, son of Thos. Melvin, and Master Jas. W. Conner, son of J. W. Conner, principal of Denton Academy, to the vacant scholarships of this institution.

Gone up the Spout.—The Preston *Surprise*, a little 10 by 12 sheet, published at Preston, in this county, has given up the ghost. It is surprising how it has weathered the storm so long. We hope the editor will seek a more extended field of usefulness, where his talents will be properly appreciated and his labors will be better remunerated.

[illegible]ool.—Two of our young men left town [illegible] days since for Dickinson Seminary, Williamsport, Pa. One, Wm. Blackiston, son of Henry Blackiston of this place, the other Chas. A. Fountain, ward of Mr. R. J. Jump, both of whom, are young men of the best morals, of studious habits and give promise of great future usefulness. May success crown their efforts in their pursuit after knowledge.

No Camp.—We stated last week that the colored people of this place intended holding a camp meeting in the grove belonging to Mr. R. J. Jump, near town.—We have since been informed that in consequence of the busy season now upon us—fodder saving—the harvesting of the corn crop and wheat seeding, the camp will not be held. They intend, however, holding a camp in this grove next summer.

Committee of Correspondence.—The following gentlemen were appointed, a few days since, by the chairman of the County Temperance Convention, which met in this place on the 21st of July last, as a committee of correspondence, to communicate with leading temperance men in the several counties as to the time and place for holding a State Temperance Convention. The committee are; J. W. Bryant, A. P. Sorden, J. H. Emerson.

Rail Birds.—These annual visitors are again in our midst, and have made their appearance on the marshes on the Choptank. We expect soon to hear the sharp report from the guns of our sportsmen, in quest of this delicious game. There is a mystery about this bird that has never been solved by the naturalist. No one knows from whence they come, or how.—They leave, and none knows the time of their departure.

Judges of Election.—The county Commissioners have appointed the following gentlemen as judges of Election, to serve in November next:—

First District—Rd. Jones, Emory Vane, Jas. N. Smith.

Second District—J. Longfellow, Jas. T. Clark, Walter Massey.

Third District—Wm. Wilkinson, J. W. Stafford, John R. Fountain.

Fourth District—Wm. Sisk, John H. Wallace, Jehu Blades.

Fifth District—Wm. E. Liden, John H. Williams, Saml. Nichols.

Land Sales.—The farm recently owned by Geo. A. Millington, containing 148 acres with pretty fair improvements, was sold at Assignee's sale, in this place, on Tuesday last, for $1155.00. J. W. Bryant and Jas Harriss purchasers.

Mancha Bros., real estate agents at Ridgely, report the following sales:

Jas. T. Anthony's farm containing 160 acres, located near Hillsborough, at $18 per acre, to John Traynor of New York.

Wm. S. Turpin's farm, located on one of the tributaries of Chester river, containing 295 acres for $5450, to Mr. Holby, of N. Y.

All the compositors in the *Gazette* office were sick last week, and no outside help being available, it was with difficulty that the paper made its appearance.

A young man named Frampton, a hand on board the schooner Dexter, from Talbot county, fell into the dock in Baltimore last week and was drowned.

SOMERSET COUNTY.

Stewart's Neck Farm, near Princess Ann, has been purchased by Ed. E. Helmbold, of Philadelphia, for $50,000.

The stable and carpenter's shop owned by Samuel K. Dennis was destroyed by fire last week, together with about fifteen thousand feet of lumber.

The peach train on the Eastern Shore Rail Road has been discontinued.

WICOMICO COUNTY.

A young lad, son of John Mullins, aged about 10 years, whilst playing on the cars at Salisbury on the 21st inst., fell between them and was so badly injured that he died the same night.

Office and politics are agitating the democratic minds of Dorchester to a greater extent than ever before.

The peach season is over in Dorchester, and two peach growers lost money by the crop—one $190 and the other $200.

The public schools in Dorchester will open on the 4th of Sept. next.

SUSSEX COUNTY.

During the week ending last Thursday, 24,500 crates of peaches had been shipped from Lewes to New York.

SPECIAL NOTICES.

NOTICE.

The unexampled satisfaction that NATTAN'S CRYSTAL DISCOVERY has given in this city, as evidenced by the repeated orders of some of the first Druggists, induce us to direct especial and particular attention to the great fact that by its use you gain all the advantages claimed for the many poisonous compounds in use, to wit: the restoration of the color and growth of the hair and the speedy removal of dandruff, without the least possible injury—as Crystal Discovery is positively warranted to contain no poisonous substance, neither Lead, Sulphur or Silver.

Its perfect cleanliness is a reason not lightly to be overlooked; it will neither stain the skin or clothes—in one sentence, it is exactly what has been wanted for a long while, a Restorer of the Hair that may be used without the fear that you are going to have Neuralgia, Paralysys, Lead Colic and various other complaints, the result of the use of lead preparations.

As simply a Dressing for the Hair, it has also been found to be unexcelled.

Letters in our possession might be published by the score, all recommending it in the highest terms, of which we promise to give you some in future.

By all means try it, as we are satisfied it will give you entire satifaction. Price $1 per bottle. For sale by druggists generally.
