American Union

Thursday Morning, Sept. 14th, 1871.

☞The Orphans' Court for Caroline county will meet on Tuesday, Sept 19th.

The Editor's Hash.

Our farmers are now about winding up the fodder crop.

—A new parsonage for the M. P. Church, is to be built at Union Corner.

—Mr. P. W. Downs is having a new pavement laid in front of his property on 2d St.

—Seeding time is fast approaching and our farmers are busy preparing their land for the wheat crop.

—A lot of new corn, of the present years growth, was manufactured into meal, at the enterprise Mills, last week.

—The peach season is now over—a few peaches of the late Heath variety may yet be seen in some of our orchards.

—The latest sensation in Denton is another brick bat duel between two of our citizens, which came off on Sabbath last.

—Stanford Potter & Son have removed their Blacksmith Shop to Front St., where they are ready and willing to blow and strike for the public.

—Wanamaker & Brown's stock of Boy's Clothing is Large, Beautiful and Cheap. They can do better for the boys than any [illegible]iers in America.

The Sabbath School Committee will address the Sabbath School in Denton on unday morning next, at 10 o'clock. It expected that all the children of the hool will be present.

—Twenty-three thousand four hundred and fifty-three basket of peaches were shipped from Goldsborough station, on the Md. & Del. R. R., this season. About 17,000 baskets were shipped from Marydel, making a total of upwards of 40,000 basksts shipped from these stations alone on this road.

GONE TO THE CITY.—Mr. Wm. G. Horsey of the firm of Blackiston & Horsey, is now in the city purchasing their first *Fall* stock of goods. Call and see them as they propose to offer inducements to buyers.

DECLINES.—It will be seen by a card in another column that Mr. J. W. Bryant, holding the position of State's Attorney, declines to accept a re-nomination from his party. There being no other contestant, we presume Mr. P. W. Downes will receive the unanimous vote of the convention.

NEW BARN.—Mr. Esma Lowe, our former Sheriff, has just completed a new Barn, on his farm near Whiteleysburg. The building is 35 by 65 feet, two stories high, and built of the best material. Mr. Lowe lost his old barn last summer by lightning and has replaced it by one more convenient and commodious.

MEETING OF THE SCHOOL BOARD.—The School Board for this county met at their office in this place on Tuesday last and appointed Master John E Nichols, of Gilpins Point, to fill the State scholarship in St. John's College, at Annapolis, and Master Samuel Adams of Greensborough, to the State Normal School located at Baltimore.

CHANGED.—The time-table of the Md. & Del. R. R. was changed on Monday last. The cars now leave Easton, passenger train at 6 o'clock A. M. and passenger and freight train at 30 minutes past ten, A. M. The passenger train leaves Ridgeley fifty-five minutes past six, A. M.—the freight train at forty minutes past 11 o'clock, A. M.

DEMOCRATIC PRIMARIES.—The Democratic primary meetings, to elect delegates from each election district, will assemble at the usual voting places, on Saturday next, and elect delegates to meet in county convention in Denton Tuesday next, to nominate a county ticket. We hope good men will be selected to fill the several county offices, so that if they are to be filled by democrats, we may have good men—honorable, highminded and conscientious officers in all our county offices.

A NEW PLACE OF WORSHIP.—Several members of the M. E. Church, residing at and in the vicinity of Potters Landing, last week, erected a large sized tent, 20 by 32 feet, in which religious worship was held last Sabbath. It is intended to continue these services, not only on the Sabbath, but evening services will be held two or three times a week. This tent is intended, we suppose, as a substitute until a new church, which has been talked of, can be erected.

EVERY EVENING.—This is the title of a new penny paper just ushered into existence at Wilmington, Del., by Messrs. Crosdale & Cameron. Its matter is arranged with good taste, and so far as the printer is concerned, is gotten up in pretty good style. The pressman has certainly failed to do his duty as the type, rules, &c., are all new, it ought to look as bright as a newly coined dollar. This is the only fault we can see in the paper, and we mention the fact that the proprietors may remedy this defect at once. We wish the editors success, long life and a plenty of the "needful."

FIRE.—A fire broke out on the premises of Mr. S. L. Chaffinch, near Potter's Landing, on Monday last. His poultry being troubled with vermin, Mrs C., like every good housewife should do, was laboring to destroy these pests, and had burned some loose straw that was scattered round on the floor of the chicken house, and it is supposed that the fire caught by this means. The chicken house, in which the fire originated, together with the carriage house, smoke house and hog pen, were all destroyed, and it was with some difficulty that the dwelling was saved. His loss is stated to be about $150,00.

THE SABBATH SCHOOLS.—The Sabbath School at Concord was addressed on Sunday morning last at 10 o'clock, by a part of the Sabbath School Committee, appointed for that purpose. The attendance was good, though not so large as on former occasions. The audience was very respectful and attentive.

At 3 o'clock, P. M., the Committee addressed the children at Bloomery Church, near Smithville. Here was a full house—all the seats being filled. It was a pleasant sight to see so many bright and smiling faces and to hear the sweet and youthful voices join in singing the Redeemer's praise. At this place, old and young appear to take an interest in the Sabbath School. At Concord and Bloomery, the Superintendents and Teachers, deserve much praise for the interest they have taken in the children. These Schools are in a flourishing condition and will tell, with good effect, upon the morals of each of these neighborhoods in coming years. May success attend them.

TEMPERANCE CONVENTION—An adjourned meeting of the County Temperance Convention was held in Hillsboro' on Thursday last.

The Convention met at the good Templar's Lodge room at 10 o'clock, and was organized by appointing Chas. E. Jarrell, its presiding officer.

After the reading of the minutes of the last meeting and the adoption of resolutions favoring the passage of a law by the next legislature, giving the people of each election district the right to determine for themselves, by ballot, whether intoxicating liquor shall be sold or not in their respective districts, and some discussion thereon, it was on motion resolved, that the Convention adjourn to meet in Greensborough on Saturday the 30th day of September, inst.

A committee consisting of Rev. M. Sheppard. Capt. T. D. Case, Geo. W. Harrington and J. H. Emerson was appointed to make arrangements for the Convention.

A Card.

SEPTEMBER 8th, 1871.

COL. R. C. CARTER,

Dear Sir:—In answer to your kind inquiry as to whether I would consent to be a candidate for the position I now hold, I desire to say that I am not a candidate for re-nomination for State's Attorney. Other gentlemen are in the field; hence I am absolved from any active participation in county politics this fall. Not that I am luke-warm in the triumph of our party—the representative of principles, even with the "*New Departure*," of which no white man need be ashamed. I simply desire therefore, under existing circumstances, not to permit my name to be used as a candidate. Yours truly,

J. W. BRYANT.

Peninsular Jottings.

TALBOT COUNTY.

The public schools will be re-opened on Monday, the 18th inst.

W. W. Smith, well known around St. Michaels, is deceased.

The walls of the new M. E. Church at St. Michaels are finished.

The farm of the late Isaac Bowers, near Easton, has been purchased by John Williamson for $4,000.

Primary elections will be held throughout the county on the 16th, next Saturday, to select delegates to meet in county convention on the 19th, to nominate a candidate for State's Attorney.

The barn, stables, two carriage houses, granary and threshing house, on the Bloomfield farm owned by Jas. Dixon, was entirely consumed by fire last week. Loss $3,500—insured for $1,000.

The colored people who purchased lots from the field of the late Purser Hambleton, adjoining St. Michaels, on the Bayside road, are having small, neat two-story houses built upon them.

Tilghman N. Chance, Register of Wills for the county, has so far recovered from his illness as to be considered out of danger.

WICOMICO COUNTY.

Wicomico has six scholarships in St. John's College, only one of which is filled.

J. Wilson Lowe's hand was caught in a wheat thresher while he was cleaning out some straw, a few days ago, and it was so terribly larcerated that amputation was necessary.

A crowd of drunken men made a descent upon S. Q. Parker's store, at Eden, a few nights ago, and driving off the clerk, rioted there until daybreak.

DORCHESTER COUNTY.

Cider is scarce in Cambridge,

A Steamer has been placed on Nanticoke river, to run between Seaford and Deal's Island.

There is a prospect of an independent ticket in opposition to the Democrats in Dorchester.

The citizens of Dorchester are paying off their indebtedness—strange conduct these times.

Henry Claridge, living about five miles from Cambridge, went to the primary election on the 2d inst., and when returning home, in attempting to jump out of the wagon, fell out and was so seriously injured that he died in a half hour.

The $10,000 appropriated by Congress to clean out Cambridge Creek has been all expended and the work is still unfinished. Another appropriation will be asked for.

Mr. Francis J. Henry, last week sold his fine sorrel horse, "Abdallah," to Mr. Reardon, for $500.

The democrats of Dorchester, last week, nominated for State's Attorney, Chas. E. Hayward; for Sheriff, Edward Dashiell; for the House of Delegates, Wm. T. Vickers, J. A. L. Radcliffe, and J. R. Keene.

QUEEN ANNE'S COUNTY.

A county temperance convention was held in Centreville last week. Resolutions were adopted favoring the franchise system by a free expression of the people in the incorporated towns, cities, and districts on the subject of license or no license.

The Democrats hold their primary meetings for delegates to a county convention to nominate a ticket on the 23d inst.

KENT COUNTY, MD.

The peach season has closed and little or no profit to the fruit grower.

An effort is being made to establish a new Bank at Masseys. It is said that a single individual has subscribed $25,000 to the capital stock.

SPECIAL NOTICES.

NOTICE.

The unexampled satisfaction that NATTAN'S CRYSTAL DISCOVERY has given in this city, as evidenced by the repeated orders of some of the first Druggists, induce us to direct especial and particular attention to the great fact that by its use you gain all the advantages claimed for the many poisonous compounds in use, to wit: the restoration of the color and growth of the hair and the speedy removal of dandruff, without the least possible injury—as Crystal Discovery is positively warranted to contain no poisonous substance, neither Lead, Sulphur or Silver.

Its perfect cleanliness is a reason not lightly to be overlooked; it will neither stain the skin or clothes—in one sentence, it is exactly what has been wanted for a long while, a Restorer of the Hair that may be used without the fear that you are going to have Neuralgia, Paralysys, Lead Colic and various other complaints, the result of the use of lead preparations.

As simply a Dressing for the Hair, it has also been found to be unexcelled.

Letters in our possession might be published by the score, all recommending it in the highest terms, of which we promise to give you some future.

By all means try it, as we are satisfied it will give entire satifaction. Price $1 per bottle. For sale by druggists generally.
