Thursday Morning, Sept. 21st, 1871.

☞ The Orphans' Court for Caroline county will meet on Tuesday, Sept 19th.

The Editor's Hash.

—A HIGH DAY—last Saturday with the district politicians.

—Rail Birds ard now fat and in good condition. We have tried them and know whereof we speak.

—Some of our most active politicians here are known by the sobriquet of HALL, TWEED and CONNELLY.

—The Sabbath School Committee will address the children at Wesley's Chappel, on Sunday afternoon next, at 3 o'clock.

—The Steamer Isaac P. Smith has been put on the Choptank River route and now runs as far up the river as Medford's wharf.

—An adjourned County Temperance Convention will be held in Greensborough, on Saturday the 30th inst., the last day of the month.

—We desire that our subscribers furnish us with all local matters transpiring in their respective neighborhoods. Also, deaths and marriages.

—The draw at Denton Bridge is a nuisance—should be indicted by the next grand inquest of this county and tumbled into the Choptank.

—The poetry on our first page entitled Rowing contains two errors.—Second line instead of reading "rears"—read "roars." for "shores"—read "shore."

—Oak Hall Clothing House is just now the busiest place in America. We used to say "busy as BEES; now for a stronger comparison, we say busy as W. & B'S.

ANOTHER AGED WALKIST.—Mr. John Collison of this county, who has reached his eighty-fourth year, informed us a few days since, that he performed a journey on foot of fourteen miles, and thinks he could make this distance daily. He is one amongst the oldest citizens of our county, was born and raised here, and has voted at the polls in this place for about sixty years.

DENTON SABBATH SCHOOL.—Denton Sabbath School was addressed on Sunday morning last by Rev. R. Ward, G. W. Collison, J. Nichols and J. N. Marshall, committee appointed by the Quarterly Conference. The addresses were instructive and entertaining, and we hope will be the means of awaking renewed interest, on the part of parents and teachers, in the Sabbath School in this place.

ORPHAN'S COURT.—Elizabeth Tilghman, administratrix of Tench H. Tilghman, deceased, presented 2d final account of administration. Passed.

Rufus and Willis C. Harris, Executors of Chas. Willis, deceased, applied for decree to sell real estate of said deceased, according to last will and testament. Court granted decree and ordered sale of real estate, by giving at least, 21 days notice in public papers.

COLORED PEOPLE'S EXCURSION.—An excursion of the colored people, from Oxford to Wilmington, on the Delaware and Maryland and Delaware Railroad, comes off to-morrow. This excursion is intended to afford an opportunity for all who may choose to do so, of visiting Wilmington and witnessing the celebrationof the anniversary of the issuing of the Emancipation Proclamation of President Lincoln. Arrangements have been made to convey over these roads about one thousand persons. Round trip tickets are issued for $1.50.

DEMOCRATIC NOMINATIONS.—The members composing the Democratic Convention of this county met in this place on Tuesday last and nominated the following ticket:—

For State's Attorney—P. W. Downes.

For Sheriff.—Jas. A. Roe.

For the House of Delegates.—Dr. A. Hardcastle and Wm. H. Dewease.

For the Orphan's Court.—Robt. Jarrell, Wm. A. Foard and Daniel Sparklin.

For the Levy Court.—Samuel J. Jarman, Wm. G. Horsey and Levin W. Robinson.

In classifying the ticket by districts we find the two first districts (formerly but one district) have four candidates—the third district, (the largest in the county) has four candidates—the fourth district has two candidates—a county Commissioner and a member of the Orphan's Court and that the fifth district has no candidate at all.

DEMOCRATIC PRIMARIES.—The democratic primary meetings to select delegates to the nominating convention assembled at the usual voting places in this county on Saturday last. The contest was quite spirited and in nearly all the districts two tickets favoring the claims of the friends of each respective ticket were freely canvassed. Below, we give the full vote in this (third) district for the committee ticket:—

PEOPLE'S TICKET.		COMPROMISE TICKET.	
Jas. W. Holt,	127	R. C. Carter,	112
R. Thawley,	126	S. H. Anderson,	119
C. E. Jarrell,	126	H. Wilson,	125
T. H. Slaughter	136	W. G. Horsey,	116
J. E. Johnson,	127	T. F. Garey,	98
W. B. Stevens,	129	S. Hobbs,	115
W. H. Dewease,	133	W. Neal,	111

The total number of votes polled in this district was 239.

The committee in the first district was composed Jno. Dailey, Jas. H. Smith, Jas. Graham, R. B. Culbreth, R. Jones, T. H. Smith and Jno. T. Temple.

The committee in the second district was composed of Robert Jarrell, Jno. Dawson, Wm. Massey, H. C. Comegys, Wm. Wilson, Esma Lowe and D. S. Moore.

FOURTH DISTICT.—J. P. J. Hubbard, T. Hubbard, R. McNash, Wm. Willoughby's R. Patte , Dr. H. F. Willis and Jas. H. Holmes.

FIFTH DISTRICT.—D. Fields, H. Mobray, Capt. Watkins, Jas. Nichols, Thos. Bullock, E. J. Pennypacker and James Wright

TO BE DEPLORED.—There are many evils in society to be deplored, and no matter how carefully guarded may be the interests of communities or States, or however efficient may be the services of faithful and trusty officers selected to enforce the laws, it will in some instance be violated and public morals outraged. But when a political party, in the madness and fury of desperation, so far forget their duties as good citizens, as to open free liquor shops and by other means demoralize the voter, they intlict upon society a withering curse which exerts a baleful influence upon the whole community.

The scenes witnessed in this place on Saturday last was a disgrace to our civilization. A political party assembled here to select, we presume, their best men, as a committee to meet a similar number from other districts in County Convention to form a county ticket. A grave and solemn duty, if discharged under a conviction of the responsibilities that follow the acts of individuals or of Conventions. Yet, with these responsibilities upon them, we are sorry to say, some of them at least, who profess to be leaders in their party, divested themselves, we fear, of their manhood, descended to the basest of means to carry a point and to triumph for a moment over their own political friends. They resorted to the great agent prepared by the evil one for the destruction of our race—intoxicating drink. A free bar was run during the whole time the polls were open, and men whose great weakness is their love of strong drink, invited and urged to drink, until our town presented such a scene of drunkenness as has not been witnessed for years past. And those very men, too, engaged in this debauchery of their fellow men, have children growing up in this community, and these parents, forgetful of their duties as good citizens, present them this example to follow. We would that the good sense of an enlightened public, would put the seal of condemnation upon any or all parties that would resort to such means, for party success. If the Republicans do condescend to use such measures to promote party interests, we sincerely hope that the public indignation of the whole people will be aroused and they will be driven from all place and power. We will help do it if they ever attempt to build up the party at the expense of public morals.

GRAND EXCURSION.—A moonlight excursion, for the benefit of Conductor Matthewson, will be given on the Maryland & Delaware Railroad, from Clayton to Oxford, on the 28th inst. Train leaves Ridgely 30 minutes past 10 o'clock, A. M. Tickets are for sale at the Drug Store of Charles Stevens.

THE NOVELTY CLOTHES WRINGER.

Nothing, except the Sewing Machine, has ever been invented which so much relieves the labor of the household as the Wringer.—But its usefulness does not end here. The saving of clothing is of much greater importance. It is often remarked that articles of fine texture, last twice as long when wrung in a Wringer as when wrung by hand. The NOVELTY has Cog-wheels on both ends. The rolls are allowed to separate freely at either end. These, besides other advantages which it contains, seem to be indispensable to a practical wringer.—*New York Independent*.

THE NOVELTY WRINGER.—Has become an indispensable institution in thousands of families. And we believe its great and increasing popularity is fully merited—for the Novelty evidently possesses all the requisites of a first-class, practical machine. Indeed, after using one for many months in our own family, we are prepared to indorse the Novelty as unsurpassed (the laundress says unequaled,) by any of the several wringers previously tried.—*Moore's Rural New-Yorker*.
