Thursday Morning, Sept. 28th, 1871.

☞The Orphans' Court for Caroline county will meet on Tuesday, Oct 3d.

The Editor's Hash.

—The October Term of our Court commences next Monday.

—A new M. E. Church is about completed at Marydel.

—Jack Frost made his appearance in our midst on Friday morning last.

—A protracted meeting of the M. P. Church is in progress at Burrsville.

—The frame of the M. E. Church, at Driver's X Roads, was raised last week.

—The Republican primary meetings take place in all the districts next Saturday.

—Rail shooting will soon be over. One or two heavy frosts and the rail bird disappears speedily.

—The County Commissioners meet at their office in Denton on Tuesday next, 3d day of October.

—Patridges are said to be quite numerous this fall. The statute forbids shooting this game until after the 20th of October.

—Our farmers are busily engaged putting in their wheat crops. Fertilizers are being used though not so extensively as in the past.

—We had the heaviest shower of rain here on Tuesday morning last we have had for years past. The shower soon passed over.

—An adjourned County Temperance Convention meets at Greensborough on Saturday next. The friends of the cause should be in attendance in full force.

—Mr. O. E. Rochester has gone into business in this place and is prepared to furnish the public with Ready Made Clothing, Boots & Shoes, Hats and Caps, and notions generally. Ovide is a good fellow and we hope he may prosper.

—A negro man, in the second district, last week, had his foot nearly severed from the leg; cutting tendons, muscles, arteries and bones, by carelesly throwing his leg in the way of his comrades axe, with whom he was engaged in felling a tree.

LAND SALE.—The "Cold Spring Farm," located in the upper part of this county containing 208 acres, was sold at Sheriff's sale on Tuesday last for $500—subject to prior judgments.

Choice Reading—Wannamaker & Brown's Fall Advertisment.

HARD TO BEAT.—We saw at the Post Office, in this town, on Tuesday evening, a large sweet potato which weighed *seven pounds and one ounce*: It was the Early York variety and was raised by a Mr. Kinnemon of this county. That potato is hard to beat.

A GOOD OLD COLORED WOMAN GONE.—An old colored woman, known as "Aunt Eve," years ago the slave of the late James Dukes, died in this town on Sunday night last, supposed to be about 90 years of age. We have known old "Aunt Eve" for many years past and she was always gentle and kind to all. We never knew her to have an enemy.

COURT.—The Circuit Court for this county begins its October Term on Monday next. We do not know of any cases to be tried of more than ordinary interest, yet as many of our citizens from distant parts of the county, will be in town, we would remind them that it would be a favorable opportunity to pay their subscriptions to this paper.

CHURCH DEDICATION.—The new M. E. Church, South, at Boonville, in this county; will be dedicated to the worship of Almighty God on Sunday next. Rev. Samuel Redgur, the presiding Elder, will perform the dedicatory services. It is said that the building Committee have ample funds to pay the entire cost incurred for the construction of the building; hence no collections will be raised on that day, as is usual on such occasions to liquidate indebtedness.

THAT CIRCUS.—The *great* European Circus that is roaming over the country, did propose and even desire, to show to our people their agility and acrobatic feats, and their wagon and bill posters were in town on Monday, but from some cause, neither of our Hotels could or would give them accommodations. Well, we guess, our people have lost nothing, for the one here last year, was a complete humbug. We have no use for such exhibitions in this community, so they can travel along.

Great gain—in wearing Wanamaker & Brown's Clothing.

WESLEY SABBATH SCHOOL.—The Sabbath School at Wesley M. E. Church was addressed by the Sabbath School Committee, on Sunday afternoon last. Great interest was manifested on the part of old and young in this school. It is a complete success, and great credit is due to its efficient superintendent, Mr. Henry Thawley, the fostering care and good discipline exercised in the management of the school. He is aided by attentive and competent teachers who delight in instructing the youthful minds in morality and religious truths.—This school numbers one hundred and eighteen scholars, and is the most prosperous and better attended, than any school on the Circuit. The children were all neatly clad and their conduct unexceptional. It was a pleasing sight to see so many bright and smiling faces beaming with joy and gladness. The effects of the Sabbath School at this place must exert a great moral and religious influence upon that community in coming years. It was a big day for Wesley's Chappel—the church being crowded to its utmost capacity and then could not gain admittance.

CHANGE OF ROUTE.—The Md. Steamboat Company have made a change in the running of their boats from this place, which it is important that the business men and the travelling portion of our citizens should note. The steamer Highland Light now makes but two trips a week to this place. Leaves Baltimore every Thursday and Saturday at 8.30 P. M., for Denton; returning leaves Denton Monday's and Friday's 12.15 P. M. for Baltimore. The steamer Champion leaves Baltimore every Wednesday morning at 7 o'clock for Denton, returning Thursday morning, leaving Denton at 6 o'clock, A. M. Fare reduced to $1. Colored people 50 cts.

The Sign of the Times—"Wanamaker & Brown, Oak Hall."

METHODIST E. CHURCH AT GREENSBOROUGH.—The old Methodist E. Church at Greensborough has been enlarged and completely renovated from foundation stone to turret, and although not yet completed, bids fair to be one of the most complete and handsome church edifices in this part of the State. It is now roofed and enclosed from the weather. The inside finish is yet to be completed. It will require about two months time to complete the structure and have it ready for dedication. Mr. Jos. Bernard is the contractor and builder and has displayed great mechanical skill and taste in the arrangement and workmanship of this noble edifice.

RELIGIOUS REVIVAL.—Protracted religious services have been in progress at Wesley's Chappel for some weeks past.—Last week the services were discontinued to give the M. P. Church, located in near proximity to Wesley, an opportunity to proceed with services in that Church. The services at Wesley will begin again this week. A number have professed conversion and joined church and many more are seeking the Divine favor. The members at Wesley are a live congregation and the attendance larger than at any other place on the Circuit. Their house of worship is too small and is crowded by attentive and respectful congregations upon almost all occasions.

THE COLORED PEOPLE'S EXCURSION.—The colored excursion from Oxford to Wilmington last Friday was not all that the getter up of the excursion anticipated.—A portion of the cars were chartered from the Del. R. R. Co., and the principal failing to comply with his contract, the train was switched off the track until the money was forthcoming. The receipts from the excursion party not being sufficient to defray the expenses, the excursionists raised the required amount, and about 11 o'clock at night, the train was again placed on the main track and started for Oxford. The Wilmington *Commercial* states, that while waiting the adjustment of their difficulties, some of the party engaged in a fight and things were quite lively at the depot for a little while.

For Fall—a grand stock at Oak Hall, W. & B's.

DECIDEDLY DRUNK.—We learn that one of the Democratic candidates, recently nominated in Dorchester county, became so beastly intoxicated last week, that he had to be hauled home in an ox cart. We do not know what are the feelings of the people in our neighboring county, as it regards their agents, or representatives, selected to transact public business for them. In other counties this thing of electing drunken agents to public official position is about played out. A drunken man cannot take care of himself or his own interests, and we can see no good reason why this should be a special recommendation for such, to any position of honor, trust or profit. It would be wisdom on the part of the Convention that gave this worshipper at the shrine at Bacchus his position on the ticket, to draw him and put up a better man.

Peninsular Jottings.

CECIL COUNTY.

A large tumor weighing 16¾ pounds was taken from the side of Mary Willis. Dr. Chas. D. Green performed the operation.

A fire broke out at the residence of Rhuben Haines at Elkton last week. The fire was extinguished without material loss.

A new M. E. Church is to be dedicated, at Ebenezer, on the 1st day of Oct. Strange to say in these times every cent of cost in its construction is paid for before the day of dedication.

Chicken cholora prevails to an alarming extent in the fourth district.

The Jackson Union Sabbath School has 100 scholars.

Hannah Cornish, colored, living near Port Deposit, was shot and mortally wounded last week from the premature discharge of a pistol in the hands of her son.

Casper Danfield, a brakeman, on the R. R. fell over a railroad tie on the track and was killed by the cars passing over him.

The *Rising Sun*, heretofore published at Rising Sun, has been removed to Port Deposit.

There is a colored man living near Pilot town who works on the railroad all the week and hunts ground hogs on Sunday. He has captured 80 since the 1st of July.

There has been added to the registration list of Cecil county 372 new names and stricken from the lists 298—making 74 new voters in the county since the last registration.

The Republicans of Cecil have nominated for the House of Delegates, J. D. Davis, Job Haines and D. H. Ralston. For County Commissioners, P. C. Strickland, D. Palmer and Luke Brown. For the Orphan's Court, L. T. Roberts, S. Scarborough and J. R. Coulson. Sheriff, Chalkley B. Cutler. State's Attorney, L. M. Haines.

KENT COUNTY, MD.

The engine on the Kent county rail road broke some part of her machinery last week and was detained from making mail connections.

The Peacock farm was sold last week, by trustees, at $54,75 per acre.

They have a peculiar way at Galena of raising money for religious purposes. A big pic-nic was held there last week to raise funds for the benefit of a new parsonage. A platform was erected and dancing was the order of the evening. We will only add that the fair was for the benefit of the Catholic church.

DORCHESTER COUNTY.

Wm. Grason was thrown from his horse last week and severely bruised about the head and face.

A chicken has been left at the *Chronicle* office, perfect in every respect, yet has four legs.

A colored man, named Ephraim Molock, aged 90 years, died on the 20th inst.

The oyster trade has opened brisk in the lower part of the county.

The merchants of Cambridge are purchasing their fall and winter stock of goods.

The Repulicans hold their county convention to nominate a ticket next Tuesday.

Six pair of twins have been born in East New Market and district since the 1st of January last. Fruitful very.

A colored man named Dockings, accidently shot himself a few days ago, while hunting squirrels.

TALBOT COUNTY.

Chas. H. Gibson has been nominated for States Attorney in Talbot Co.

A little son of A. A. Pascault was shot through the thigh, last week, by a pistol in the hands of another little boy named Roberts. It was only a flesh wound and no fears are entertained of serious consequences.

WORCESTER COUNTY.

John Dale, one of the board of County Commissioners, is very ill.

Wells are nearly dry on account of the protracted drought.

Marriages.

COVEY—ROBERTS.—In Easton on Thursday the 14th ult., at St. Pauls M. E. Church, by Rev. George A. Phoebus, Mr. Thomas H. Covey and Miss Molly J. Roberts, all of Talbot county.

Deaths.

HANDY.—On the 25th, ult., at her residence in the 4th district, Mrs. Sinah Handy, aged 76 years.

PEARSON.—At his rasidence, near Denton, on Wednesday morning 27th inst., after a lingering illeness, Mr. Joseph Pearson.

NOTICE.

The unexampled satisfaction that NATTAN'S CRYSTAL DISCOVERY has given in this city, as evidenced by the repeated orders of some of the first Druggists, induce us to direct especial and particular attention to the great fact that by its use you gain all the advantages claimed for the many poisonous compounds in use, to wit: the restoration of the color and growth of the hair and the speedy removal of dandruff, without the least possible injury—as Crystal Discovery is positively warranted to contain no poisonous substance, neither Lead, Sulphur or Silver.

Its perfect cleanliness is a reason not lightly to be overlooked; it will neither stain the skin or clothes—in one sentence, it is exactly what has been wanted for a long while, a Restorer of the Hair that may be used without the fear that you are going to have Neuralgia, Paralysys, Lead Colic and various other complaints, the result of the use of lead preparations.

As simply a Dressing for the Hair, it has also been found to be unexcelled.

Letters in our possession might be published by the score, all recommending it in the highest terms, of which we promise to give you some in future.

By all means try it, as we are satisfied it will give you entire satifaction. Price $1 per bottle. For sale by druggists generally.

THE
NOVELTY CLOTHES WRINGER.

Nothing, except the Sewing Machine, has ever been invented which so much relieves the labor of the household as the Wringer.—But its usefulness does not end here. The saving of clothing is of much greater importance. It is often remarked that articles of fine texture, last twice as long when wrung in a Wringer as when wrung by hand. The NOVELTY has Cog-wheels on both ends. ** The rolls are allowed to separate freely at either end. These, besides other advantages which it contains, seem to be indispensable to a practical wringer.—*New York Independent.*

THE NOVELTY WRINGER.—Has become an indispensable institution in thousands of families. And we believe its great and increasing popularity is fully merited—for the Novelty evidently possesses all the requisites of a first-class, practical machine. Indeed, after using one for many months in our own family, we are prepared to indorse the Novelty as unsurpassed (the laundress says unequaled,) by any of the several wingers previously tried.—*Moore's Rural New-Yorker.*
