Thursday Morning, October 5th, 1871.

☞ The Orphans' Court for Caroline county will meet on Thursday, Oct. 5th.

The Editor's Hash.

—A potatoe measuring two feet in circumference has been raised in Dorchester county.

—The Ladies Mite Society of Denton, will meet at the Parsonage on Friday evening next at 7 o'clock.

—We will exchange a good two seat family carriage for cattle. We have no use for it and will dispose of it below cost.

—Where is that witty and spicy sheet—the Wilmington *Commercial*? We have not seen its phiz since last Thursday—just one week.

—Fountain & Field have on hand and for sale at their lumber yard a good supply of No 1 shingles, Laths, &c., at very low prices.

A sweet potatoe weighing 8 lbs. and 5 ounces, and measured two feet and three inches, was left at the Newtown *Gazette* office, last week.

—We were in error last week in saying that less fertilizer was being used than formerly. The fact is, there is being about one third more used this fall than ever before.

—Fork District, Dorchester county, which embraces a part of Federalsburg, within six months, has produced nine children at four births. Who says our population is not increasing.

Great Expectations—of Fall trade at Wanamaker's Oak Hall.

LAND SALE.—A. G. Greenly, as trustee, sold the real estate of the late Jas. Harris, in this place on Tuesday last, consisting os 91 acres of land and fishery on Choptank river. The whole sold for $502.—Esma Lowe was the purchaser.

CHEAP FERTILIZER.—Mr. T. Wirt Fountain is the agent for the sale of the Gelatine Fertilizer, manufactured in Philadelphia and sold at only $15 per ton. This Fertilizer is said to be pure and unadulterated and rich in fertilizing qualities. It is believed to be the best article in the market for the corn crop. Our farmers should test its qualities.

CONVERSATIONAL METINGS.—Conversational meetings, on religious topics, are held at the M. E. Church, in this place, every Monday evening. Two meetings of this character have already been held and have resulted beneficially to those who have been present and participated in them.—The next meeting will be held on Monday evening next, to which all persons are invited to be present.

O, Call—at Oak Hall for your Fall Suit.

FIRE.—The store house, together with all the goods, &c., belonging to Mr. Wm. Ringgold, at Hillsborough in this county, was destroyed by fire on Tuesday night last. The fire is supposed to be the work of an incendiary. Last winter the same store house was broken into and robbed.—Mr. Ringgold is now in Philadelphia purchasing his fall stock. We learn there is an insurance of $2500 upon the stock.

REPUBLICAN TICKET.—The Republican County Convention which assembled in this place on Tuesday last put in nomination the following ticket:

State's Attorney.—Geo. M. Russum.

Sheriff.—Jonathan Evitts.

Delegates.—J. H. Williams and Alex. Ridgaway.

Orphans' Court.—Sam'l M. Carter, John Nichols and Bennett Todd.

Levy Court.—Elijah Todd, Wm. Hynson and A. S. Green.

Surveyor.—Eli W. Gordy.

REGISTRATION LISTS.—The Register of the several election districts in this county have completed the first three days of their sitting, and we have the result of their labors, except the 5th District, from which have no report. The first district have added 36 new names and striken off 44. The second District have added 31 and stricken off 55. The third District has added 57 and stricken off 9. The fourth District has added 26 and stricken of 24. Total new voters added 150. Stricken from the lists 131. Gain in four Districts since last registration 19.

FALSE REPORT.—A report has been put in circulation here that Rev. J. W. Hammersley of the Wilmington Conference, has been sorely afflicted of late in his own person and that of his family. We are pleased to state that those rumors are unfounded, and that Mr. Hammersley has nearly recovered from the wound he received last winter, while with us. We are sorry to state, however, that Mrs. H. has not entirely recovered from her afflictions. So numerous have been the inquiries of late, regarding these rumors, that we have taken the liberty, publicly to contradict them, and thus quiet the apprehensions of the friends of Mr. H., who appear to be deeply interested in his welfare.

$750,000!—Estimated value of Fall Stock at W. & B's. Oak Hall.

OUR PUBLIC ROADS.—The County paid last year something over ten thousand dollars for the public roads, and yet no one can see where but little of this sum has been appropriated. Our public roads and bridges, too, were never in such poor condition. We can scarcely believe that five thousand dollars have been spent upon the roads. If so, who has performed the labor? Where was the work done? It is evident our entire road system is wrong and some other means should be tried to remedy its defects. We think a much better system would be to sell out the roads to the lowest bidder; the purchaser to give bond and sufficient bond for the faithful discharge of his duties.

CIRCUIT COURT.—The Circuit Court of this county commenced its October term on Monday last, Hon. J. M. Robinson, Chief Judge, and Hon. F. Stump, Associate, on the Bench. The following cases had been disposed of up to Wednesday morning:

Edgar Plummer vs. Ann E. McQuay—Appeal—Trial before the Court. Held *sub curia*. Jump and Ridgely for appellant—J. W. Bryant for appellee.

Jas. H. Covey vs. M. R. Hutchinson and wife. Appeal—Jury trial. Verdict for appellant. Martin and Downes for appellant—Russum and Thomas for appellee.

Wm. W. Wilkinson, garnesheee of John H. Rickards vs. Parker and Thomas. Appeal—on trial before the Court. Bryant for appellant—Martin for appellee.

ORPHAN'S COURT.—James Mulikin, Guardian to Henry, Philip, Walter, Albert, Sarah C. and Almira Mulikin, minors, passed 2nd Guardian account.

James Webb, Guardian to Wm. W. Webb, passed 4th, 5th, 6th and 7th and final Guardian accounts.

James Webb, Guardian to Edward Webb, minor, passed 4th, 5th, 6th, 7th, 8th, 9th, 10th and final account.

Mary E. Harriss, Executrix of Thos. Harriss, deceased, passed Inventory and appraisement of personal estates.

On application of Wm. Trice, the Court revoked the Guardianship of John Gardener, as Guardian to John Thomas Harriss, minor.

On application of Robert R. Edgell, the Court appointed said Edgell, Guardian to John Thomas Harriss, minor, who accepted the trust and entered into bond—approved by the Court.

On application of Wm. Turner, the Court appointed him Guardian to Wm. M. Turner, minor, who accepted the trust and entered into bond—approved by the Court.

On application of George Cohee Guardian to Charles W. Williamson, minor, who entered bond—approved by the Court.

Obituary.

Died, near Harmony, in Caroline county, September 25th, Mrs. Sina Handy, in the 76th year of her age.

In the death of the subject of this memoir, we recognise the breaking of another of the few remaining links that connect us with the past. But few of her cotemporaries linger this side the river. Our Fathers, where are they? and the prophets, do they live forever. Nearly a half a century ago, she attached herself to the Baptist [illegible] and the memories of cheerfulness and [illegible] resignation with which she bore the trials and bereavements, which beset her pathway, furnish indubitable evidence even if other testimony were wanting, that she had learned of Him who was meek and lowly in heart.

Verily, "the tree is known by its fruit, and those best acquainted with Mrs. Handy will long remember her genial disposition and kindly greetings, her hopeful temperament—for the anchor of her hope was cast within the veil." Her end was peaceful, approaching her grave "like one who wraps the drapery of his couch about him and lies down to pleasant dreams." Mrs. Handy was the widow of the late Trusten Handy, W.

THE PICTORIAL FAMILY BIBLE contains a storehouse of information that can only reach the mind through the eye. Its illustrations carry one back to the most important era of the world, and are of themselves a comprehensive review of the Scriptures, representing the most interesting Views, Characters, Symbols, Historical Events, Landscape Scenes, Antiquities, Costumes, Beasts, Birds, Insects, Plants, Minerals, Coins, Medals, Inscriptions, and Incidents referred to throughout the Sacred Text. They attract the eye, correct erroneous impressions, awaken new thoughts, and furnish clearer views of Divine Truth. As a help to Parents, Ministers, and Sabbath-School Teachers in fulfilling the duties of their separate and high vocations—and to all others to whom immortal souls are intrusted—this splendid volume cannot be overestimated. It is the Edition

Most Suitable for the Family,
Most Valuable for the Student,
Most Instructive for the Teacher,
Most Appropriate for the Child,
Most Useful for the Minister,
Most Interesting for the Farmer,
Most Elegant for the Parlor,
Most Profitable for the Study.

THE PICTORIAL FAMILY BIBLE, in addition to the features already alluded to, contains the Apocrypha, Concordance, Psalms in Metre, a Summary of the Sacred Truths as taught in the Inspired Book, together with numerous and comprehensive Tables and other Historical and Explanatory Matter, embodying the labors of many of the most eminent Biblical scholars. It is printed on the finest calendered paper, from clear and open type, in one large and handsome quarto volume, and is bound in the most durable and attractive manner, while the prices are sufficiently low to place it within everybody's reach.

EXPERIENCED AGENTS are wanted throughout the country for its sale, with whom liberal arrangements will be made.—An opportunity of equal promise is rarely or never presented. Its sale will not be limited to any period, but will continue for a lifetime, constantly increasing with the growth and intelligence of the country. It is therefore desirable that those who engage with us, do so with a view to making the business a permanent one.

MINISTERS, TEACHERS, STUDENTS, FARMERS, YOUNG MEN AND WOMEN—Those who would meet with the most profitable of all employments—are invited to correspond with us with a view to an agency. Not a few such are now averaging from $5000 to $7000 annual profit in its sale. There is a great want for the book and a rich field offered, while it will elevate the spiritual condition of the agent by constant contact with and conversation upon its beautiful and eternal truths.

AGENTS ON THE INSTALMENT PLAN will be furnished the work in fine bindings. This plan is quite popular and profitable in cities and large towns. We have an edition of the book, superbly bound, with massive pannelled sides, which has been everywhere received with marked favor. Subscriptions for the Pictorial Bible, in this style and in this way, can be obtained to an almost unlimited extent, as there is no outlay of money that the Bible reader can make, which will yield him so rich a return.

NOTICE.

The unexampled satisfaction that NATTAN'S CRYSTAL DISCOVERY has given in this city, as evidenced by the repeated orders of some of the first Druggists, induce us to direct especial and particular attention to the great fact that by its use you gain all the advantages claimed for the many poisonous compounds in use, to wit: the restoration of the color and growth of the hair and the speedy removal of dandruff, without the least possible injury—as Crystal Discovery is positively warranted to contain no poisonous substance, neither Lead, Sulphur or Silver.

Its perfect cleanliness is a reason not lightly to be overlooked; it will neither stain the skin or clothes—in one sentence, it is exactly what has been wanted for a long while, a Restorer of the Hair that may be used without the fear that you are going to have Neuralgia, Paralysys, Lead Colic and various other complaints, the result of the use of lead preparations.

As simply a Dressing for the Hair, it has also been found to be unexcelled.

Letters in our possession might be published by the score, all recommending it in the highest terms, of which we promise to give you some in future.

By all means try it, as we are satisfied it will give you entire satifaction. Price $1 per bottle. For sale by druggists generally.

THE NOVELTY CLOTHES WRINGER.

Nothing, except the Sewing Machine, has ever been invented which so much relieves the labor of the household as the Wringer.—But its usefulness does not end here. The saving of clothing is of much greater importance. It is often remarked that articles of fine texture, last twice as long when wrung in a Wringer as when wrung by hand. The NOVELTY has Cog-wheels on both ends. * * The rolls are allowed to separate freely at either end. These, besides other advantages which it contains, seem to be indispensable to a practical wringer.—*New York Independent.*

THE NOVELTY WRINGER.—Has become an indispensable institution in thousands of families. And we believe its great and increasing popularity is fully merited—for the Novelty evidently possesses all the requisites of a first-class, practical machine. Indeed, after using one for many months in our own family, we are prepared to indorse the Novelty as unsurpassed (the laundress says unequaled,) by any of the several wingers previously tried.—*Moore's Rural New-Yorker.*
